Every mention of prayer in the Bible contains some significant bit of information. In Prayer in the Bible: An Interrogative Guide, you can find it all, from who prayed what to where and when it was prayed to why and how the prayers were uttered. Also included is a list of every time a prayer was answered in the Bible. This is the fourth volume of the Bible Prayers Series, including Gods Book of Prayers and The Lords Prayers both containing all the prayers of the Bible. Gods Book of Prayers separates every prayer into one of nine categories for convenient reading, while The Lords Prayers lists them in biblical sequence, with an exhaustive concordance of major words or phrases. Volume three of the series, Bible Prayer Prayers, shows the references for all the prayers and every prayer in the Bible within three separate lists: prayer sequence, biblical sequence, and category sequence. This prayer series seeks to help you to easily be able to find and pray using Gods own words and ways. Most of us already use the Lords Prayer, so why not use all of the Lords prayers? See these books at www.GodsBookOfPrayers.com for all of Gods prayers and all things prayer and be a Bible prayer pray-er! Quiet Time Bible Guide

Chronological Bible Reading Guide presents the arrangement of events recorded in the Bible in sequential order to help us better understand how time flows through and joins, or occasionally separates, these sixty-six individual books. When seen in context with the historical, political, and religious settings, we can better understand the different lessons told in different styles and literary forms including poetry, prophecy and epistles as they are intertwined with history. These readings are grouped by chapter, and while this does not provide a perfect chronology (if that is even possible), it comes fairly close and helps retain some of the original authors' flow when switching between books. The daily readings provide a guide through the entire Protestant canon in one calendar year. Or read at your own rate through God's word of truth. This guide is the result of more than a decade of personal study in Biblical history and fine-tuning the daily readings to maintain a consistent reading time. Invest 10-15 minutes a day to increase your faith and understanding of Scripture! "Faith comes from what is heard, and what is heard comes through the message about Christ" Romans 10:17. The word of God is "more desirable than gold—than an abundance of pure gold; and sweeter than honey, which comes from the honeycomb" Psalm 19:10.

Second Half for the Man in the Mirror

"Like a good coach at 'halftime,' Morley helps men evaluate their past mistakes and provides the kind of practical insights, encouragement, and inspiration that will help them 'run to win' the rest of the way--and reach their full potential in Christ."--Bill McCartney, founder & CEO, Promise Keepers
"Morley's analogy of the 'midlife lake' is worth the price of the book. He asks the right questions and rightly predicts that your 'second half' can be the most significant part of your life."--Bob Buford, author of *Halftime: Refocus Your Life*
The first part of your life was like a river running swiftly within its

banks. You were working hard to make your mark. You were intense. Focused. Then your river broadened into a lake. Now you find it hard to focus. Often, instead of feeling drive and purpose, you feel distracted--even insignificant. Patrick Morley shows how this season of perplexity can become a man's golden opportunity to "reinvent" himself for life's second half. If this sounds like you--or someone you know and love--this book is exactly what you're looking for. Morley gives biblical insights, lived out in the crucible of his own life experience. This book will help you redefine your vision, your goals, and the heart that drives them. *Second Wind for the Man in the Mirror* will help you find a fresh sense of authenticity. Once again, you'll feel your life regaining speed as the waters are gathered by the converging riverbanks just ahead.
