How to Build Ford Restomod Street Machines shows you how to modify your vintage Ford to accelerate, stop, corner, and ride as good as - if not better than - Detroit's best new high-performance cars. Don't subject your classic Ford to a life of garage time, trailer rides, outdated factory-original performance, and the occasional Sunday cruise - build it to run hard. Author Tony Huntimer uses over 300 photos to show you how to upgrade your engine, drivetrain, chassis, suspension, body, and interior to make your ride a stand-out performer using factory and aftermarket parts. He even covers many Ford-specific upgrades, including the Granada brake swap and the popular Shelby Mod.

All four stories in the Mad Duchesses series: One Last Night, From Now On, Age of Innocence, The Day After. In the 19th century British world of proper and proud, these women have attained what few others ever will—the title of duchess. These grand dames of the Beau Monde have the outer trappings of contentment until they are left alone. Mothers, widows and heiresses—they are free to seek pleasure and sexual fulfillment wherever they can find it. And maybe they will find love. They must be a little mad to hope for the impossible.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much

easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

The gang is back! Taking place four years after the events of the first book, The Hunt for Saturn continues the saga of Vincent and his friends. The rebellion that started on Urtan has now spread throughout the entire galaxy, threatening to bring the Imperial

Republic down to its knees once and for all. Follow the companions as they escape the madness of General Zeth and prepare for the biggest conflict of their lives. Once again, Eternal Horizon incorporates sci-fi, fantasy, and comic book elements to continue the "novel-encyclopedia" series with over 90 illustrations that include character profiles, starship diagrams, scenic chapter openers and other images that support the story.
