In our third anthology, *Not From Around Here, Are You?*, The Cincinnati Writers Project explores the concept of the outsider, the stranger in our midst. Some pieces are funny, some sad, others are scary and unsettling. This new collection is a smorgasbord representing writers of literary fiction, mystery, poetry, humor, romance, and science fiction. If you are a reader with eclectic taste, take a bite. You'll hunger for more. All are guaranteed to have zero trans fat. Since 1987, Cincinnati Writers Project has existed to encourage and support writers of all genres. If you're an apprentice or veteran writer looking for a place to lay your weary manuscript, give us a call us. We're always home.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated. Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
