Golf Course Management

Club Car / Kawasaki 4-Stroke Air-Cooled Engines 1984 - 2013

A reference work describing every major aeroplane engine manufacturer throughout the world, together with its products, from the pioneering days to the recent engines. Each aero engine is within its technological and historical context with power plants of all nationalities illustrated. The human element of the story is also included with the personal struggles that resulted in such notable engines as the Rolls-Royce Merlin and the Pratt & Whitney P6 being related.
