A Cold Dark Place

GRIPPING AND FAST-PACED CRIME FICTION FROM THE BESTSELLING AUTHOR OF FROZEN GRAVE AND COLD KILLERS. A killer seeking revenge. A community protecting its own. The most explosive case yet for DC Willis and DI Carter. Cornwall, 2000. Jenna wakes up after a drug-laced party to the realization that she has been raped. And it looks like it involved her new boyfriend, who has come down from London for the summer. But the case is assigned to a corrupt local police sergeant, who knows he can extort money from the boy's father, prominent London MP Jeremy Forbes-Wright, in return for his silence. Fifteen years later and Jeremy Forbes-Wright is found dead under highly suspicious circumstances. On the same day, his two-year-old grandson Samuel is kidnapped on a London street and DC Ebony Willis and DI Dan Carter are called in to find the missing boy. They soon realize all roads lead to Cornwall and to find the little boy they must finally get justice for Jenna. But someone is murdering the people they need to speak to and time is running out ... The Better Angels of Our Nature

"Toni's books will make your heart pound and leave you breathless as she takes you on a roller coaster of thrills and danger along with the characters." Kaylea Cross - New York Times and USA Today bestselling author. A journalist searching for the truth about her best friend's death—and the FBI agent who needs her to stop. Disgraced investigative journalist Pip West is devastated when she discovers her best friend's body face-down in a tranquil lake. When cops and federal agents determine that her friend overdosed then drowned, Pip knows they're mistaken and intends to prove it. Special Agent Hunt Kincaid doesn't trust journalists and has no patience for Pip's delusions, especially since her meddling could reveal why the FBI is interested in her friend's last days. The dead scientist worked at the cutting edge of vaccine research and might have a connection to a new, weaponized, vaccine-resistant anthrax strain that just hit the black market. The more Pip digs, the closer she gets to both the sexy FBI agent, and to a bioweapons terrorist who's more than capable of cold-bloodedly sacrificing anyone who gets in his way. A finalist in the New England Readers' Choice Contest for Romantic Suspense! This edition features a brand-new cover. You'll love Toni Anderson's

Charlie Jane Anders, the nationally bestselling author of All the Birds in the Sky delivers a brilliant new novel set in a hauntingly strange future with #10 LA Times bestseller The City in the Middle of the Night. "If you control our sleep, then you can own our dreams And from there, it's easy to control our entire lives." January is a dying planet—divided between a permanently frozen darkness on one side, and blazing endless sunshine on the other. Humanity clings to life, spread across two archaic cities built in the sliver of habitable dusk. But life inside the cities is just as dangerous as the uninhabitable wastelands outside. Sophie, a student and reluctant revolutionary, is supposed to be dead after being exiled into the night. Saved only by forming an unusual bond with the enigmatic beasts who roam the ice, Sophie vows to stay hidden from the world, hoping she can heal. But fate has other plans—and Sophie's ensuing odyssey and the ragtag family she finds will change the entire world. Bending Toward Justice

In a devastating and urgent work of investigative journalism, Pulitzer Prize winner Chris Hamby uncovers the tragic resurgence of black lung disease in Appalachia, its Big Coal cover-up, and the resilient mining communities who refuse to back down. Decades ago, a grassroots uprising forced Congress to enact long-overdue legislation designed to virtually eradicate black lung disease and provide fair compensation to coal miners stricken with the illness. Today, however, both promises remain unfulfilled. Levels of disease have surged, the old scourge has taken an aggressive new form, and ailing miners and widows have been left behind by a dizzying legal system, denied even modest payments and medical care. In this devastating and urgent work of investigative journalism, Pulitzer Prize winner Chris Hamby traces the unforgettable story of how these trends converge in the lives of two men: Gary Fox, a black lung-stricken West Virginia coal miner determined to raise his family from poverty, and John Cline, an idealistic carpenter and rural medical clinic worker who becomes a lawyer in his fifties. Opposing them are the lawyers at the coal industry's go-to law firm; well-credentialed doctors who often weigh in for the defense, including a group of radiologists at Johns Hopkins; and Gary's former employer, Massey Energy, the region's largest coal company, run by a cantankerous CEO often portrayed in the media as a dark lord of the coalfields. On the line in Gary and John's longshot legal battle are fundamental principles of fairness and justice, with consequences for miners and their loved ones throughout the nation. Taking readers inside courtrooms, hospitals, homes tucked in Appalachian hollows, and dusty mine tunnels, Hamby exposes how coal companies have not only continually flouted a law meant to protect miners from deadly amounts of dust but also enlisted well-credentialed doctors and lawyers to help systematically deny much-needed benefits to miners. The result is a legal and medical thriller that brilliantly illuminates how a band of laborers — aided by a small group of lawyers, doctors and lay advocates, often working out of their homes or in rural clinics and tiny offices — challenged one of the world's most powerful forces, Big Coal, and won. A deeply troubling yet ultimately triumphant work, *Soul Full of Coal Dust* is a necessary and timely book about injustice and resistance.

Cold Justice Series

Her Sanctuary

A Cold Dark Place: Cold Justice Series

Dark Justice

The latest FBI Romantic Thriller from New York Times bestselling author Toni Anderson. In an effort to halt an armed standoff, FBI negotiator Charlotte Blood

attempts to unravel the mystery of a young woman's death on a remote mountainside. Pity she has to fight her stubborn, sexy, Hostage Rescue Team counterpart every step of the way. As a highly skilled operative, HRT leader Payne Novak doesn't have time to play detective or make nice with killers who flout the law. His focus is getting inside the compound and ending the siege as quickly as possible. Forced to work together, the battle-hardened HRT team leader and the quietly determined negotiator figure out they might have more in common than they anticipated. As the clock ticks, Charlotte discovers there are some dangers she can't talk her way out of, and the race to unearth long-buried lies becomes a matter of survival for everyone on the mountain.

Cold Malice

In *Cold War Ruins* Lisa Yoneyama argues that the efforts intensifying since the 1990s to bring justice to the victims of Japanese military and colonial violence have generated what she calls a "transborder redress culture." A product of failed post-World War II transitional justice that left many colonial legacies intact, this culture both contests and reiterates the complex transwar and transpacific entanglements that have sustained the Cold War unredressability and illegibility of certain violences. By linking justice to the effects of American geopolitical hegemony, and by deploying a conjunctive cultural critique—of "comfort women" redress efforts, state-sponsored apologies and amnesties, Asian American involvement in redress cases, the ongoing effects of the U.S. occupation of Japan and Okinawa, Japanese atrocities in China, and battles over WWII memories—Yoneyama helps illuminate how redress culture across Asia and the Pacific has the potential to bring powerful new and challenging perspectives on American exceptionalism, militarized security, justice, sovereignty, forgiveness, and decolonization.

Her Last Chance

Dig deep into the unsolved murder of Jackie English and join the hunt for a serial killer Fifty years ago, a serial killer prowled the quiet city of London, Ontario, marking it as his hunting grounds. As young women and boys were abducted, raped, and murdered, residents of the area held their loved ones closer and closer, terrified of the monster — or monsters — stalking the streets. Homicide detective Dennis Alsop began hunting the killer in the 1960s, and he didn't stop searching until his death 40 years later. For decades, detectives, actual and armchair, and the victims' families and friends continued to ask questions: Who was the Forest City Killer? Was there more than one person, or did a depraved individual commit all of these crimes on his own? Combing through the files Detective Alsop left behind, researcher Vanessa Brown reopens the cases, revealing previously unpublished witness statements, details of evidence, and astonishing revelations. And through her investigation, Vanessa posits the unthinkable: is it possible that the Forest City Killer is still alive and, like the notorious Golden State Killer, a simple DNA test could bring him to justice?

Cold Pursuit

What happens when an FBI agent falls for the daughter of the most notorious spy in US history? Discover the explosive chemistry in this non-stop action Romantic Suspense! Physicist Scarlett Stone is the daughter of the most notorious Russian spy in FBI history. With her father dying in prison, time is running out. Using a false identity, she gains access to the Russian ambassador's Christmas party, searching for evidence to prove her father's innocence. Former Navy SEAL, now FBI Special Agent, Matt Lazlo, is instantly attracted to Scarlett but when he discovers she lied to him about her identity, he hunts her down with the ruthless efficiency he usually reserves for serial killers. Not only does Scarlett's scheme fail, it puts her in the sights of people who reward unwanted curiosity with brutality. The FBI—and Matt—aren't thrilled with her, either. As the agents involved in her father's investigation start dying, and the attempts to stop Scarlett intensify, Matt and his colleagues begin to wonder. Could they have a traitor in their midst? Finalist). Former CIA assassin Alex Parker works for The Gateway Project, a clandestine government organization hell-bent on taking out serial killers and pedophiles before they enter the justice system. Alex doesn't enjoy killing, but he's damn good at it. He's good at dodging the law, too—until a beautiful rookie agent has him wondering what it might be like to get caught. FBI Special Agent Mallory Rooney has spent years hunting the lowlife who abducted her identical twin sister eighteen years ago. Now, during an on-going serial killer investigation, Mallory begins to suspect there's a vigilante operating outside the law. She has no choice but to take him down, because murder isn't justice. Is it? When Mallory starts asking questions, The Gateway Project management starts to sweat, and orders Alex to watch her. As soon as they meet, the two begin to fall in love. But the lies and betrayals that define Alex's life threaten to destroy them both—especially when the man who stole her sister all those years ago makes Mallory his next target, and Alex must reveal his true identity to save the woman he loves. *Cold Pursuit* (National Readers' Choice Award Finalist. Gayle Wilson Award of Excellence Finalist). Single mom Vivi Vincent is thrust into her worst nightmare when she's trapped inside a mall during a terror attack along with her eight-year-old son. With the help of Jed Brennan, an FBI special agent on enforced leave, Vivi and her son survive the assault. But the danger is far from over. Vivi's son may have witnessed critical details of the terrorists' future plans and is targeted for death, but he's mute, and he's traumatized. Still someone launches a strike against the FBI's safe house, and Jed fears the bad guys have an inside man. No longer knowing who to trust, he hides mother and son in a log cabin deep in the heart of the Wisconsin Northwoods. There Jed and Vivi try to figure out how to unlock the information inside her son's head. What they don't bargain for is the red-hot attraction that flares between them, or the extent of the sinister plot that threatens to rip apart not only any chance of happiness they might have together, but also the very fabric of American society. *Cold Light of Day* (2015 Holt Medallion Finalist). Physicist Scarlett Stone is the daughter of the man considered to be the most notorious Russian agent in FBI history. With her father dying in prison she's determined to prove he's innocent, but time is running out. Using a false identity, she gains access to the Russian ambassador's Christmas party, searching for evidence of a set-up. Former Navy SEAL, now FBI Special Agent, Matt Lazlo, is instantly attracted to Scarlett but life is too complicated to pursue a politician's daughter. When he discovers she lied to him about her identity, he hunts her down with the ruthless efficiency he usually reserves for serial killers. Not only does Scarlett's scheme fail, it puts her in the sights of powerful people who reward unwanted curiosity with brutality. The FBI—and Matt—aren't thrilled with her, either. But as agents involved in her father's investigation start dying, and the attempts to stop Scarlett intensify, Matt and his colleagues begin to wonder. Could they have a traitor in their midst? As Scarlett and Matt dig for the truth they begin to fall passionately for one another. But the real spy isn't about to let anyone uncover their secrets, and resolves to remain firmly in the shadows—and for that to happen, Matt and Scarlett have to die. Cold Blooded

A piercingly raw debut story collection from a young writer with an explosive voice; a treacherously surreal, and, at times, heartbreakingly satirical look at what it's like to be young and black in America.

I'll Be Gone in the Dark

Former Chief Justice of the Supreme Court of Canada Beverley McLachlin offers an intimate and revealing look at her life, from her childhood in the Alberta foothills to her career on the Supreme Court, where she helped to shape the social and moral fabric of the country. As a young girl, Beverley McLachlin's world was often full of wonder—at the expansive prairie vistas around her, at the stories she discovered in the books at her local library, and at the diverse people who passed through her parents' door. While her family was poor, their lives were rich in the ways that mattered most. Even at a young age, she had an innate sense of justice, which was reinforced by the lessons her parents taught her: Everyone deserves dignity. All people are equal. Those who work hard reap the rewards. Willful, spirited, and unusually intelligent, she discovered in Pincher Creek an extraordinary tapestry of people and perspectives that informed her worldview going forward. Still, life in the rural Prairies was lonely, and gaining access to education—especially for girls—wasn't always easy. As a young woman, McLachlin moved to Edmonton to pursue a degree in philosophy. There, she discovered her passion lay not in academia, but in the real world, solving problems directly related to the lives of the people around her. And in the law, she found the tools to do exactly that. She soon realized, though, that the world was not always willing to accept her. In her early years as an articling student and lawyer, she encountered sexism, exclusion, and old boys' clubs at every turn. And outside the courtroom, personal loss and tragedies struck close to home. Nonetheless, McLachlin was determined to prove her worth, and her love of the law and the pursuit of justice pulled her through the darkest moments. McLachlin's meteoric rise through the courts soon found her serving on the highest court in the country, becoming the first woman to be named Chief Justice of the Supreme Court of Canada. She rapidly distinguished herself as a judge of renown, one who was never afraid to take on morally complex or charged debates. Over the next eighteen years, McLachlin presided over the most prominent cases in the country—involving Charter challenges, same-sex marriage, and euthanasia. One judgment at a time, she laid down a legal legacy that proved that fairness and justice were not luxuries of the powerful but rather obligations owed to each and every one of us. With warmth, honesty, and deep wisdom, McLachlin invites us into her legal and personal life—into the hopes and doubts, the triumphs and losses on and off the bench. Through it all, her constant faith in justice remained her true north. In an age of division and uncertainty, McLachlin's memoir is a reminder that justice and the rule of law remain our best hope for a progressive and bright future.

Truth Be Told

The story of the decades-long fight to bring justice to the victims of the 16th Street Baptist Church bombing, culminating in Sen. Doug Jones' prosecution of the last living bombers. On September 15, 1963, the 16th Street Baptist Church in Birmingham, Alabama was bombed. The blast killed four young girls and injured twenty-two others. The FBI suspected four particularly radical Ku Klux Klan members. Yet due to reluctant witnesses, a lack of physical evidence, and

pervasive racial prejudice the case was closed without any indictments. But as Martin Luther King, Jr. famously expressed it, "the arc of the moral universe is long, but it bends toward justice." Years later, Alabama Attorney General William Baxley reopened the case, ultimately convicting one of the bombers in 1977. Another suspect passed away in 1994, and US Attorney Doug Jones tried and convicted the final two in 2001 and 2002, representing the correction of an outrageous miscarriage of justice nearly forty years in the making. Jones himself went on to win election as Alabama's first Democratic Senator since 1992 in a dramatic race against Republican challenger Roy Moore. *Bending Toward Justice* is a dramatic and compulsively readable account of a key moment in our long national struggle for equality, related by an author who played a major role in these events. A distinguished work of legal and personal history, the book is destined to take its place as a canonical civil rights history.

At the Dark End of the Street

Driven to kill. Compelled to protect. Five hundred years ago, the cure for the common cold went horribly wrong, turning those infected into freaks consumed with hate and rage. Forced underground, the freaks return above ground at night, driven to attack the surface dwellers - their bite infecting thousands more. To fight the freaks and protect mankind from extinction, scientists created genetically enhanced soldiers. Stronger, faster, with enhanced senses, wardens are trained from birth to protect the weaker humans. The Captain of the Ward, Jackson Kyle, is infected while saving the life of another warden. Due to his genetic enhancements, he is like no other freak. His faculties intact, he escapes from the Ward and encounters a mysterious young woman. The second he touches her, he is caught in a bond, compelled to protect her at all costs. For she will decide the fate of humankind.

Her Risk To Take

"London. December, 1942. As the Russian army repels German forces from Stalingrad, Maggie Hope, secret agent and spy, takes a break from the Special Operations Executive division to defuse bombs in London. But Maggie herself is like an explosion waiting to happen. Shaken by a recent case, she finds herself living more dangerously--taking more risks than usual, smoking again, drinking gin and riding a motorcycle--and the last thing she wants is to get entangled in another crime. But when she's called upon to look into a stolen Stradivarius, one of the finest violins ever made, Maggie finds the case too alluring to resist. Meanwhile, there's a serial killer on the loose in London and Maggie's skills are in demand. Little does she know that in the process of investigating this dangerous predator, she will come face to face with a new sort of evil and discover a link between the precious violin and the murders no one could ever have expected"--

Hunting For A Killer Who Doesn't Play By The Rules. Detective Erin Donovan expects life to settle down after the arrest and conviction of a serial rapist who terrorized her college town last summer. Then two young women are brutally slain

and the murders bear all the hallmarks of the campus rapist. Did Erin arrest the wrong man? Her job is at stake and tensions are high. Just when it looks like things can't get worse, the FBI's Behavioral Analysis Unit sends a profiler to assist the investigation—in the form of a man Erin has never been able to forget. Three years ago, former Marine scout sniper Darsh Singh's feelings for Erin had him breaking all his rules. Now his only interest in the former NYPD detective is figuring out if she screwed up an investigation and helped send an innocent man to prison. Being forced to work together rekindles their attraction, and as Darsh and Erin fall for each other, the predator fixates on the female detective hunting him. Can they identify the killer before he makes Erin his final victim? WINNER of the BOOK BUYERS BEST for Romantic Suspense. A Cold Dark Place: Cold Justice Series

Cold Mountain

From New York Times bestselling author Toni Anderson comes a heart-wrenching, emotional story about love, bioweapons, and the importance of keeping promises. In the midst of wedding preparations, a shadowy figure from Alex Parker's past reappears and threatens the joy he's found with Mallory Rooney. Four years ago, Jane Sanders's powerful ex-husband kidnapped their young daughter and Jane hasn't seen her since. Now, she finally has a lead and she knows just the man to help get her daughter back. Trouble is, he's an assassin. And he terrifies her. Despite his upcoming nuptials, Alex agrees to help, but it doesn't take long for the routine operation to turn complicated—and deadly on a global scale. Can the former assassin make it home in time to marry the woman he loves, or will his dark past destroy all hope for their future? A Cold Dark Promise takes place during the week leading up to the wedding of former CIA assassin Alex Parker to FBI Agent Mallory Rooney, who first meet in the novel, A Cold Dark Place. Friday Black

Powerful account of the brutal slaying of a Kansas family by two young ex-convicts.

Cold War Ruins

Based on a true story, this edition of Devil's Knot will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In Devil's Knot, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

Cold Justice

In 1997, Charles Frazier's debut novel Cold Mountain made publishing history when it sailed to the top of The New York Times best-seller list for sixty-one weeks, won numerous literary awards, including the National Book Award, and went on to sell over three million copies. Now, the beloved American epic returns, reissued by Grove Press to coincide with the publication of Frazier's eagerly-anticipated second

novel, *Thirteen Moons*. Sorely wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His trek across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. At the same time, the intrepid Ada is trying to revive her father's derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves their stories, *Cold Mountain* asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving.

The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster. Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. *I’ll Be Gone in the Dark*—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.

The King's Justice

HER RISK TO TAKE is a twenty-thousand word novella (approximately 80 print pages). If only ER doc Sarah Sullivan could get the ornery cowboy she’s loved since she was a girl to cooperate, she could move on with her life, and maybe even think about starting a family. But he’s pulling away, and she doesn’t know why. What she does know is that she can’t imagine life without him. Ex-con Cal Landon lives in fear of the day his ugly past catches up with him and takes away the best thing

he's ever known—Sarah Sullivan. Cal would die to protect her, but she deserves better than a world-weary ranch hand. Even though it's way past time for him to leave her family's Montana spread, he can't bring himself to let go. When Sarah proposes at Christmastime, Cal has no choice but to walk away. Then a hostage crisis hurls Sarah into a life-and-death situation, and the love that made Cal leave sends him racing back to her side, straight into danger. He will get her out alive—or die trying. In Cold Blood

This is Book #1 in the COLD JUSTICE series. Justice isn't always black or white. Sometimes it's cold and dark. Former CIA assassin Alex Parker works for The Gateway Project, a clandestine government organization hell-bent on taking out serial killers and pedophiles before they enter the justice system. Alex doesn't enjoy killing, but he's damn good at it. He's good at dodging the law, too—until a beautiful rookie agent has him wondering what it might be like to get caught. FBI Special Agent Mallory Rooney has spent years hunting the lowlife who abducted her identical twin sister eighteen years ago. Now, during an on-going serial killer investigation, Mallory begins to suspect there's a vigilante operating outside the law. She has no choice but to take him down, because murder isn't justice. Is it? When Mallory starts asking questions, The Gateway Project management starts to sweat, and orders Alex to watch her. As soon as they meet, the two begin to fall in love. But the lies and betrayals that define Alex's life threaten to destroy them both—especially when the man who stole her sister all those years ago makes Mallory his next target, and Alex must reveal his true identity to save the woman he loves.
