## Triple

Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't

go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

A senior agent in the ranks of the Special Operations Executive (SOE) responsible for sabotage, Flick has survived to become one of Britain's most

But when Flick and her Resistance-leader husband try a direct, head-on assault that goes horribly wrong, her world turns upside down. Her group destroyed, her husband missing, her superiors unsure of her, her own confidence badly shaken, she has one last chance at the target, but the challenge, once daunting, is now near impossible. The new plan requires an all-woman team, none of them professionals, to be assembled and trained within days. Code-named the Jackdaws, they will attempt to infiltrate the exchange under the noses of the Germans—but the Germans are waiting for them now and have plans of their own. ## **Hip Hop Murdered Me**

Ken Follett wrote his first international bestseller, *Eye of the Needle*, when he was 25 years old. He has since been one of the most consistent international best-selling authors, with approximately 130 million copies of his books sold worldwide. His manifold influence on the thriller genre includes the pioneering use of strong female characters in espionage stories and the development of the historical thriller as a new form of novel, exemplified by *Winter of the World* (2012). This book is an investigation of Follett's development as an author, and of the craft of writing and the negotiation of serious versus popular literary value, from his earliest short stories and screenplays through his mature thrillers and entertainment fiction. Unpublished materials are also considered, including his business and personal correspondence, notes, unpublished early drafts, journal entries and outlines. Follett's dramatic shift to writing historical fiction may be his most enduring legacy.

## **Waihora, the Maori Girl**

I didn't set out to write about sex, though in some of these stories it does appear that that's what makes the turkey trot. Rather, the beginning was mundane enough. In August, 2008, I discovered two boxes of old letters in the basement of our house in Vermont, letters I received and saved between the ages of 18 and 29. For reasons I can't explain, these crinkly

typed and written pages ignited in me a creative frenzy. I resurrected and rewrote four old short stories and over the next eight months created seven new ones. Have I a favorite? I like them all, but it struck me in my final run-through for this volume that there was only one story, MY FRIEND, in which I did not change a single word. Here they are, hormones and all. Enjoy.
