Air Force Risk Management Fundamentals Course - Quizlet

LAUGHLIN AIR FORCE BASE, Texas -- A new year has begun, and everyone across the world is hoping it will be a better year than the last one. This is often the sentiment with a new year, of course; but it is perhaps a sentiment more strongly felt this year, in particular, as we transition away from 2020.

U.S. Air Force

Currently, there is no existing doctrine and training program for fatigue risk management available in the CF. This document serves as a guide to all personnel within the CF who experience fatigue due to sleep loss, changing time zones and changing operational schedules.
