## **American English File: Level 4: Workbook**

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

### **American English File 4 Class**

MORTAL ENGINES launched Philip Reeve's brilliantly-imagined creation, the world of the Traction Era, where mobile cities fight for survival in a post-apocalyptic future. The first instalment introduces young apprentice Tom Natsworthy and the murderous Hester Shaw, flung from the fast-moving city of London into heart-stopping adventures in the wastelands of the Great Hunting Ground. "No 11-to-16-year-old should miss the superbly imagined debut novel from Philip Reeve" - The Times  
"This big, brave, brilliant book combines a thrilling adventure story with endless moral conundrums" - Guardian

### **American English File, Level 5**

This is the International edition of Basic English Grammar. It is NOT to be sold in the United States. The world's most trusted grammar source for clear, direct, and comprehensive instruction, the Azar-Hagen Grammar Series -- including Basic English Grammar -- blends grammar instruction with communicative methods. Grammar is the springboard for developing all language skills: speaking, listening, reading, and writing. With clear, user-friendly charts and engaging, interactive practice, it's easy to see why this classic series remains the top-selling text in its field year after year. Highlights Clear charts and explanations Examples accompanied by easy-to-understand explanations and minimal terminology. Direct, in-depth grammar practice Immediate application of grammatical forms and meanings. Variety of exercise types including warm-up, reading, listening, comprehension, completion, interview, and writing. Comprehensive corpus-informed grammar syllabus Written vs. spoken usage in formal and informal contexts. Teacher's Guide includes step-by-step teaching suggestions for each chart, notes on key grammar structures, and vocabulary and expansion activities. Test Bank offers additional quizzes, chapter tests, mid-term, and final exams, and Chart Book contains the grammar charts. Teachers can use the eText as a classroom presentation tool and the ExamView(R) software to customize their tests. New Essential Online Resources include Student Book audio, Student Book answer key, Grammar Coach videos, and self-assessments.

### **Be A People Person**

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version

full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

### **Kid's Box American English Level 4 Teacher's Edition**

This volume offers a simple, systematic guide to creating a knowledge sharing practice in your organization. It shows how to build the enabling environment and develop the skills needed to capture and share knowledge gained from operational experiences to improve performance and scale-up successes. Its recommendations are grounded on the insights gained from the past seven years of collaboration between the World Bank and its clients around the world—ministries and national agencies operating in various sectors—who are working to strengthen their operations through robust knowledge sharing. While informed by the academic literature on knowledge management and organizational learning, this handbook's operational background and many real-world examples and tips provide a missing, practical foundation for public sector officials in developing countries and for development practitioners. However, though written with a public sector audience in mind, the overall concepts and approaches will also hold true for most organizations in the private sector and the developed world.

### **New English File**

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

### **American English File**

### **American Headway**

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level

of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

### **American English File 3E Level 1 Workbook**

Kid's Box is a six-level course for young learners. Bursting with bright ideas to inspire both teachers and students, Kid's Box American English gives children a confident start to learning English. It also fully covers the syllabus for the Cambridge Young Learners English (YLE) tests.
