The AP World History course and test are being overhauled in 2019-2020. This revised edition captures the latest College Board test changes, which include a reduction in the time range covered by the exam (now 1200 CE to present; was previously 8000 BCE to present.) For students specifically looking to brush up on AP World History content right before the exam--or to cram in a course's worth of topic review in a short time--our ASAP Exam book is a perfect fit! This book includes a brief structure and tips overview, but the real emphasis is on need-to-know content review, not strategy or practice. With key topic lessons and lots of charts, timelines, outlines, mnemonics, call-out boxes, and critical terms & dates lists, it's also perfectly positioned for visual learners.
