Report of the Government of the District of Columbia

Annual Report

Report, 1973

Reports for 1898-1908 include the Report of state inspection of factories, 6th-16th.

Report

Concentrating on the informal sector of the economy—which accounts for an overwhelming proportion of the poor and vulnerable population in India—and their working environments, this analysis is based on the latest information from the 61st round of the National Sample Survey 2004-2005. Combining those results with supplemental data, this account proposes two comprehensive bills as well as a number of measures to ensure minimum work conditions and promotions of livelihoods for both the agricultural and nonagricultural laborers. This publication also includes a CD-ROM comprising three other reports from the commission: Social Security for Unorganised Workers, National Policy on Urban Street Vendors, and Comprehensive Legislation for Minimum Conditions of Work.

and theory of policing in an historical and contemporary framework. The volumes treat subjects that are particular to the area of state and local, federal and national, and international policing. Many of the themes and issues of policing cut across disciplinary borders, however, and several entries provide comparative information that places the subject in context.

Guide to Objective Arithmetic

This book explores the social dynamics of the interaction between inspectors and their inspectees in the public sector. Government inspectors have a crucial role in enforcing rules and standards. The role of inspectors has changed. Their task is no longer to merely inspect and enforce, but also to educate, to negotiate, and to make compromises. Their decisions come about as a result of an interaction with inspectees: Do I punish or do I let go? Do I negotiate or do I issue a fine? Do I believe what this inspectee is telling me? Using insights from public administration, regulation and sociology, this book looks at the daily work of a diverse group of inspectors such as tax inspectors, veterinary inspectors, school inspectors, environmental inspectors or health inspectors.
