Autumn Falls

Levi was simple, like a child. It was the best thing about him, and it was the worst, too. When high school senior Jonas moves to Seattle, he is glad to meet Levi, a nice, soft-spoken guy and fellow basketball player. Suspense builds like a slow drumbeat as readers start to smell a rat in Ryan Hartwell, a charismatic basketball coach and sexual predator. When Levi reluctantly tells Jonas that Hartwell abused him, Jonas has to decide whether he should risk his future career to report the coach. Pitch-perfect basketball plays, well-developed characters, and fine storytelling make this psychological sports novel a slam dunk.

Populazzi

Gordon Korman's acclaimed and timely YA novel explores the dangerous side of high school contact sports. Marcus is new in town and is hoping to make the championship high school football team, but it seems like a closed club, run by current star quarterback Troy. One day, while tossing the ball around in a park one day, Marcus meets Charlie, a man in his fifties who can play football like an old pro, which is exactly what he happens to be — a former NFL player and local celebrity. Charlie has boundless energy and coaches Marcus on his fear of being tackled, but as Marcus becomes more involved in this friendship with Charlie, it becomes painfully obvious to him, through the simplicity of Charlie's thoughts, that the long-term effects of the violent plays he suffered during his football glory days have taken their toll on Charlie. With wit and sensitivity, Gordon Korman tackles truths about high school sports, while delivering a poignant story about an unlikely friendship.

A Work in Progress

Thirteen-year-old Butterball doesn't have much going for him. He's teased mercilessly about his weight. He hates the Long Island suburb his mom moved them to and wishes he still lived with his dad in the city. And now he's stuck talking to a totally out-of-touch therapist named Liz. Liz tries to uncover what happened that day on the playground - a day that landed one kid in the hospital and Butterball in detention. Butterball refuses to let her in on the truth, and while he evades her questions, he takes readers on a journey through the moments that made him into the playground bully he is today. This devastating yet ultimately redemptive story is told in voice-driven prose and accented with drawings and photographs, making it a natural successor to *The Absolutely True Diary of a Part-Time Indian*. Loosely inspired by 50 Cent's own adolescence, and written with his fourteen-year-old son in mind, *Playground* is sure to captivate wide attention - and spark intense discussion.

Autumn Falls

Kendall and Kylie Jenner, stars on the hit reality show *Keeping Up with the Kardashians*, present their debut novel—a thrilling dystopian story about two super-powered girls who embark on a journey together. In a world of the far future, the great City of Indra has two faces: a beautiful paradise floating high in the sky, and a nightmare world of poverty carved beneath the surface of the Earth. Lex grew up in an orphanage deep in the dark. But even as a child, she instinctively rebelled against her fate—the time when she would be judged either useful to Society or forced to live among the mutations in Rock Bottom, the lowest level. When she is chosen to become an elite cadet of the Population Control Forces, only her fellow cadet Kane truly understands her longing for freedom. Unknown to her, one girl secretly shares her defiance. Livia Cosmo, the Orphan Ainess, may live on a sky island surrounded by wealth and privilege, but she is just as restricted as Lex. Rigid discipline governs her every movement, as she learns the art of becoming a Proper Young Woman, the belle of the Emergence Ball, ready to be picked for “cohabitation” by the finest of the Proper Young Men. Her future is assured, until an intriguing encounter with a young man named Kane changes everything. For that is when Lex’s and Livia’s destinies collide.... Approached by an old enemy to help save Kane from mortal danger, Lex sacrifices her Special Ops career to find him in the Islands among the clouds. Her search, high above in the beautiful spires of the City of Indra, brings her instead to the airgirl Livia. Lex and Livia should have nothing in common, and yet they share a kindred yearning for escape from the strict rules that bind them and a mystifying identical mark. Brought together by danger, they set out to find Kane, but what they discover is even stranger than either dreams.
