From the immensely popular blogger behind Little House Living comes a motivational homemaking book, inspired by Laura Ingalls Wilder's Little House on the Prairie, featuring creative, fun ways to live your life simply and frugally—perfect for fans of Ree Drummond's The Pioneer Woman. Shortly after getting married, Merissa Alink and her husband found themselves with nothing in their pantry but a package of spaghetti and some breadcrumbs. Their life had hit rock bottom, and it was only after a touching act of charity that they were able to get on their feet again. Inspired by this gesture of kindness as well as the beloved Little House on the Prairie books, Merissa found that a life of self-sufficiency and simplicity could be charming and blissful. She set out to live an entirely made-from-scratch life, the “Little House” way, and as a result, she slashed her household budget by nearly half—saving thousands of dollars a year. She started to write about homesteading, homemaking, and cooking from scratch, and over the next few years developed the recipes and DIY projects that would one day become part of her now beloved website, LittleHouseLiving.com. As whole foods became staples of the family diet, Merissa realized the dangers of putting overly processed ingredients not only into our bodies, but on or near them as well. In addition to countless delicious, home-cooked meals, she developed natural, easy-to-make recipes for everything from sunscreen to taco seasoning mix, lemon poppy hand scrub to furniture polish. With their simple ingredients, these recipes are allergen friendly and many are gluten-free. With over 130 practical, simple DIY recipes, gorgeous full-color photographs, and Merissa's trademark charm in personal stories and tips, Little House Living is the epitome of heartland warmth and prairie inspiration.

In this inspiring book, Jackson Galaxy, star of Animal Planet's hit television show My Cat from Hell, tells the story of the cat who saved his life and set him on the path to becoming America's Cat Daddy. When Benny arrived in his life, Galaxy was a down-and-out rock musician with not much more going on than a part-time job at an animal shelter and a drug problem. Benny's previous owner brought the cat to the shelter in a cardboard box to give him up. He had seen better days - his pelvis had just been shattered by the wheels of a car, and his owner insisted he'd been 'unbondable' from day one. Nothing could have been further from the truth. An inspiring account of two broken beings who fixed each other, Cat Daddy is laced throughout with Galaxy's amazing 'Cat Mojo' advice for understanding what cats need most from us humans in order to live happier, healthier lives. 'A joy . . . Sometimes the biggest stories are actually the smallest ones - one man, one cat, and a quiet love that was large enough to save them both.' Gwen Cooper, author of the New York Times bestseller Homer's Odyssey and Love Saves the Day 'This book is no ordinary cat memoir, nor is it an ordinary cat advice book. It is an inspirational tour de force that offers an intimate glimpse of Jackson, the man, and Jackson, the Cat Daddy.' Part of the Legend Classics series  
As Gregor Samsa awoke one morning from uneasy dreams he found himself transformed in his bed into a gigantic insect. The Metamorphosis - the masterpiece of Franz Kafka - was first published in 1915 and is one of the seminal works of fiction of the twentieth century. The novel is cited as a key influence for many of today's leading authors; as Auden wrote: "Kafka is important to us because his predicament is the predicament of modern man".  
Traveling salesman, Gregor Samsa, wakes to find himself transformed into a large, monstrous insect-like creature. The cause of Gregor's transformation is never revealed, and as he attempts to adjust to his new condition he becomes a burden to his parents and sister, who are repelled by the horrible, verminous creature Gregor has become. A harrowing, yet strangely

comic, meditation on human feelings of inadequacy, guilt, and isolation, The Metamorphosis has taken its place as one of the most widely read and influential works of twentieth-century fiction. Reported in 2013 as the marketing channel that "delivers the best ROI for customer acquisition and retention" by Target Marketing's Seventh Annual Media Usage Forecast survey of B2C, direct mail is surprisingly outdated and under-represented on the marketing bookshelves for small business owners — authors Simpson and Kennedy change that.

Millionaire-maker Dan S. Kennedy and direct mail marketing specialist Craig Simpson urge small business owners to drive the momentum built via social media and other marketing avenues into the mailboxes of their target consumers. Unlike other direct mail marketing books on the shelf that specialize in one aspect of preparing a campaign such as copywriting or design, this comprehensive solution covers all — the organizational, technical, and creative including designing, budgeting, tracking, and assessing effectiveness. Also covered is how direct mail can be used in today's online marketing funnels. Benefiting from the authors' combined 30 years in direct marketing, business owners are given the guidelines for what works and what doesn't, illustrated by real-life business campaigns that show step-by-step how to build a results-producing promotional campaign that pushes the envelope for new business and sales.

Hot book, great author!" — President Donald J. Trump BUCKLE UP—2020 WILL BE THE POLITICAL RIDE OF YOUR LIFE! IN NOVEMBER TRUMP WILL SMASH THE LEFT AND WIN! "We love David Horowitz. He thinks Trump is gonna win in a landslide in November, and he gives reasons why in the book, and he says Republicans are gonna be singing 'Happy Days Are Here Again' once November comes and the election is over and the votes are counted." — Rush Limbaugh "He is one of the bravest guys. He found the real intent [of the Left] was to control America. He has never, ever sat down. A true national treasure." — Glenn Beck "If you're interested in debating deranged liberals with facts, you won't want to miss this latest book." — Donald Trump, Jr. "BLITZ is a MUST-read for those who want to better understand what is really happening in the 'idea war' for the soul of America." — Governor Mike Huckabee BLITZ reveals the attacks made against Trump have been the most brutal ever mounted against a sitting president of the United States. Blinded by deep-seated hatred of his person and his policies, the left even desperately tried to oust Trump in a failed impeachment bid. Horowitz shows that their very attacks—targeting a man whose mission has been to "Drain the Swamp" and "Make America Great Again" backfired, turning Trump himself into a near martyr while igniting the fervor of his "base." With the 2020 election upon us, New York Times bestselling author David Horowitz chronicles the brutal battles, bitter backlash, and leftwing lies Trump has faced as Democrats repeatedly try to sabotage his presidency. You'll discover the left's terrifying socialist and, in some cases, communist agendas as you've never seen them before. Trump's response? In the meantime, he's going to steamroll this opposition in November using the same playbook he has used to win before. In BLITZ you will find shocking revelations: The 9 biggest dangers to America the left poses—their agenda will blow your mind. Show me the money: naming the billionaires and fat cats really out to get Trump. How patriotism suddenly became "white nationalism" linking Trump to Hitler and the KKK. The growing secularism of the left and how the hate pushed against Christians will backfire. Why every effort to demonize Trump and his supporters is failing like crazy. Obama's

The Genius: how Trump's brilliant strategy has worked and will continue to work, making him president again in 2021! The effort to remove and destroy our duly elected President may be the greatest challenge America has faced since the Civil War, explains Horowitz. For the first time BLITZ exposes the left's strategy to take down Trump, and how Trump not only beat them at their own game, but how he's turning the tables on them to achieve a stunning reelection win come November. "An indispensable book—BLITZ— explaining why today's Democrats are so dangerous and why President Trump is their nemesis." — Mark R. Levin, New York Times bestselling author of Unfreedom of the Press "BLITZ is the latest must-read from Horowitz: insightful, hard-hitting, controversial, and uncompromising. Ignore him at your peril." — Peter Schweizer, New York Times bestselling author of Clinton Cash and Profiles in Corruption "This is the book your anti-Trump relatives and friends should read as clear a moral indictment of the anti-Trump left as has been written." — Dennis Prager, President of PragerU and New York Times bestselling author "Unparalleled insight into the current political climate, how we got here and what it means for 2020 elections." — Sean Spicer, Host of Spicer & Co., Newsmax TV "Horowitz understands the left's malevolent goals and how to stop them. With Justice Ruth Bader Ginsburg's sudden passing, control of the Supreme Court—and with it the fate of the Constitution—has become the deciding issue for many voters in the 2020 presidential election. And the stakes could not be higher. With a simple majority on the Supreme Court, the left will have the power to curtail or even abolish the freedoms that have made our country a beacon to the world. We are one vote away from losing the Republic that the Founders handed down to us. Our most precious constitutional rights hang by a thread. Senator Ted Cruz has spent his entire career on the front line of the war to protect our constitutional rights. And as a Supreme Court clerk, solicitor general of Texas, and private litigator, he played a key role in some of the most important legal cases of the past two decades. In One Vote Away, you will discover how often the high court decisions that affect your life have been decided by just one vote. One vote preserves your right to speak freely, to bear arms, and to exercise your faith. One vote will determine whether your children enjoy their full inheritance as American citizens. God may endow us with "certain unalienable rights," but whether we enjoy

them depends on nine judges—the “priests of the robe” who have the last say in our system of government. Drawing back the curtain of their temple, Senator Cruz reveals the struggles, arguments, and strife that have shaped the fate of those rights. No one who reads *One Vote Away* can ever again take a single seat on the Supreme Court for granted.
