The Mane Squeeze

A pair of shape-shifting Alpha males get their romantic comeuppance in two paranormal romances--Miss Congeniality by Shelly Laurenston, as a handsome shape-shifter rescues Professor Irene Conridge from her enemies, and Cynthia Eden's Wicked Ways, in which the hero helps gorgeous Miranda Shaw escape a killer vampire. Original.

Hot and Badgered

He's big, burly, and way smarter than your average shapeshifting bear. He's also about to get trapped by own his game. . . Lou Crushek is a reasonable, mellow, easygoing kind of guy. But once someone starts killing the scumbags he works so hard to bust, that really gets under his fur. Especially when that someone is a curvy she-tiger with a skill set that's turning Crush's lone-bear world upside down--and bringing his passion out of hibernation. . . As a member of an elite feline protection unit, Marcella Malone has no problem body-dropping anyone who hunts her kind. But Crush is proving one major pain in her gorgeous tail. The only reason she's joined forces with him is to track down the wealthy human who's got her entire species in his ruthless sights. It sure isn't because Crush's stubborn and contrary attitude is rubbing Cella in all the right ways. . . "Laurenston's characters shine with wit and depth." --Publishers Weekly on *Belong to the Night*

Rumor Has It

"Hot and humorous." --USAToday.com It's not every day that a beautiful naked woman falls out of the sky and lands face-first on grizzly shifter Berg Dunn's hotel balcony. Definitely they don't usually hop up and demand his best gun. Berg gives the lady a grizzly-sized t-shirt and his cell phone, too, just on style points. And then she's gone, taking his XXXL heart with her. By the time he figures out she's a honey badger shifter, it's too late. Honey badgers are survivors. Brutal, vicious, ill-tempered survivors. Or maybe Charlie Taylor-MacKilligan is just pissed that

her useless father is trying to get them all killed again, and won't even tell her how. Protecting her little sisters has always been her job, and she's not about to let some pesky giant grizzly protection specialist with a network of every shifter in Manhattan get in her way. Wait. He's trying to help? Why would he want to do that? He's cute enough that she just might let him tag along--that is, if he can keep up

Moti Mahal's Tandoori Trail

When a prophesy brings war to the Land of the Black Hills, Keeley Smythe must join forces with a clan of mountain warriors who are really centaurs in a thrilling new fantasy romance series from New York Times bestselling author G.A. Aiken. The Old King Is Dead With the demise of the Old King, there's a prophesy that a queen will ascend to the throne of the Black Hills. Bad news for the king's sons, who are prepared to defend their birthright against all comers. But for blacksmith Keeley Smythe, war is great for business. Until it looks like the chosen queen will be Beatrix, her younger sister. Now it's all Keeley can do to protect her family from the enraged royals. Luckily, Keeley doesn't have to fight alone. Because thundering to her aid comes a clan of kilt-wearing mountain warriors called the Amichai. Not the most socially adept group, but soldiers have never bothered Keeley, and rough, gruff Caid, actually seems to respect her. A good thing because the fierce warrior will be by her side for a much longer ride than any prophesy ever envisioned Praise for The Dragon Who Loved Me "A chest thumping, mead-hall rocking,

enemy slaying brawl of a good book." --All Things Urban Fantasy "Aiken aces another one." --RT Book Reviews, 4 Stars

Big Bad Bite

Eggie Ray Smith may be a wolf and a killer, but he's one of the good guys in this sizzling novella by New York Times bestselling author Shelly Laurenston . . . LIKE A WOLF WITH A BONE Quiet little Darla Lewis doesn't know what to think when the most-feared member of the South's rowdiest wolf pack kidnaps her. Does he want to protect her or kill her? It could be either! Everyone knows about Egbert Ray Smith and how dangerous he is. Every pack avoids him, and the U.S. military uses him as their own killing machine. And Darla is just a nice girl who likes to bake and occasionally follow the Grateful Dead around. She doesn't have time for this sort of foolishness. And yet . . . there is something about Eggie Ray. He just doesn't seem as bad as everyone says. In fact, the more she gets to know him, the cuddlier he seems. Something her overprotective family is not going to be happy to hear . . . Praise for the Novels of Shelly Laurenston "Hot and humorous." —USAToday.com "Shelly Laurenston's shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud." —The Philadelphia Inquirer "A little bit of everything . . . humor, passion, and suspense with a touch of paranormal." —FreshFiction

My Commander

Even the king of the beasts can find himself unexpectedly tamed by the right woman. . . Weddings have the strangest effect on people. Exhibit 1: Sissy Mae waking up in Mitch Shaw's bed the morning after her brother Bobby Ray's nuptials. Exhibit 2: the gunmen trying to kill Mitch. Exhibit 3: Sissy Mae escorting a bleeding yet sexy lion shifter to her Tennessee Pack's turf for safe keeping. It doesn't help that Mitch's appraising gaze makes her feel like the most desirable creature on earth. . . Mitch is an undercover cop about to testify against some dangerous ex-associates. Even more worrisome, he's harboring hot, X-rated fantasies about one fast-talking little canine--and he has to deal with every male in Sissy Mae's Pack sniffing around her in a way that makes his hackles rise. Mitch has his pride, and he intends to show Sissy Mae that when a lion sets out to make you his mate, the only thing to do is purr, roll over, and enjoy one hell of a ride. . . "Laurenston's latest couple is unabashedly sexual, which makes their emotional battle of wills all the more enjoyable."
--Romantic Times

The Mane Event

When the topic of grandchildren comes up during a weekly sewing circle the matriarchs of the founding families seek out the witch Elder to scry to see if their sons have mates. They are shocked to discover that many of their son's mates are out in the world and are human! Fearing that their future daughter in laws will end up dead before being claimed and providing them with grandchildren to spoil, they convince their own

mates that something must be done. After gathering all of the warriors together in a fake award ceremony the witch Elder casts a spell to pull the warrior's mates to them, whether they want it or not. Aiden McKenzie is adamant that he doesn't need a mate and that she would only get in the way. He doesn't have time to coddle a female. He likes his world run with military precision. Little does he realize, Fate is sending him his mate first! He meets his destined mate Meryn Evans and things go downhill from there. She is the embodiment of chaos. In the first twenty-four hours she kicks, screams and knocks her bear shifting mate unconscious. Eventually they discover that life before finding each other may have been good, but life afterwards is perfect, even if it involves super soaker battles and accidentally discharging hand grenades. Unfortunately the joy of their mating is overshadowed when Aiden and Meryn find themselves embroiled in a missing persons case assigned to Aiden by the Lycaonian Council. By assisting Aiden, Meryn finds herself the focus of a demented killer. Can Aiden and the elite warriors from the Alpha Unit keep Meryn safe? Or did Fate bring her to Lycaonia to die?

Howl for It

Some men just have more to offer. Like hard-muscled, shape-shifting Bo Novikov--part polar bear, part lion, pure alpha. . . Ten years after Blayne Thorpe first encountered Bo Novikov, she still can't get the smooth-talking shifter out of her head. Now he's shadowing her in New York--all seven-plus feet of him--determined to protect her from stalkers who want to use her in shifter dogfights. Even if he has to drag her off to an isolated Maine town where the only neighbors are other bears almost as crazy as he is. . . Let sleeping dogs lie. Bo knows it's good advice, but he can't leave Blayne be. Blame it on her sweet sexiness--or his hunch that there's more to this little wolfdog than meets the eye. Blayne has depths he hasn't yet begun to fathom--much as he'd like to. She may insist Bo's nothing but a pain in her delectable behind, but polar bears have patience in spades. Soon she'll realize how good they can be together. And when she does, animal instinct tells him it'll be worth the wait. . . The Unyielding

"Laurenston is the queen of paranormal romances that mix over-the-top humor, eccentric characters and sexy, crazy plots to produce addictive stories you won't want to put down." --RT Book Reviews No one would ever accuse Jace Berisha of having an easy life--considering her husband you know killed her. But that was then! Now she fights for mighty Viking gods with the spectacular and vicious Crows. But things are turning very bad, very quickly because a vengeful, ancient goddess has come into the world with just one thing on her mind--ending it. And the only way they can hope to stop her is if the Crows join forces with their one-time enemies, the Protectors. A Viking Clan created to do nothing but kill every Crow they see.

Thankfully, Protector Ski Eriksen is a peace loving kind of guy. Because the woman he is desperately trying to get close to is the beautiful and not-very-chatty Jace. Battling Nordic clans? Unkillable goddesses? Jace's mean-spirited dog? None of these things would ever get in the way of a true Viking! "If you enjoy outrageous scenarios, witty banter, and hilariously over-the-top characters, look no further than Shelly Laurenston's Call of Crows series."—SmexyBooks, Best Books of the Year

In a Badger Way

"If you enjoy nonstop laughter, snark, and witty banter. . .look no further!" --Smexy Books Animal magnetism has a whole new meaning. . . Some things are so worth waiting for. Like the moment when Jessica Ward "accidentally" bumps into heartthrob Bobby Ray Smith and shows him just how far she's come since high school. Back then, Jess turned to jelly any time Smitty got near her. Some things haven't changed. Except now Jess is a success on her own terms. And she can enjoy a romp--or twenty--with a big, bad wolf and walk away. Easy. The sexy, polished CEO who hires Smitty's security firm might be a million miles from the lovable geek he knew, but her kiss, her touch, is every bit as hot as he imagined. Jess was never the kind to ask for help, and she doesn't want it now--but someone is targeting her Pack. And Smitty's not going to turn tail and run. Not before proving that their sheet-scorching animal lust is only the start of something even wilder. . . Bite Me

“Hot and humorous.” —USAToday.com Petite, kind, brilliant, and young, Stevie is nothing like the usual women bodyguard Shen Li is interested in. Even more surprising, the youngest of the lethal, ball-busting, and beautiful MacKilligan sisters is terrified of bears. But she’s not terrified of pandas. She loves pandas. Which means that whether Shen wants her to or not, she simply won’t stop cuddling him. He isn’t some stuffed Giant Panda, ya know! He is a Giant Panda shifter. He deserves respect and personal space. Something that little hybrid is completely ignoring. But Stevie has a way of finding trouble. Like going undercover to take down a scientist experimenting on other shifters. For what, Shen doesn’t want to know, but they’d better find out. And fast. Stevie might be the least violent of the honey badger sisters, but she’s the most dangerous to Shen’s peace of mind. Because she has absolutely no idea how much trouble they’re in . . . or just how damn adorable she is.

A Vindication of the Rights of Woman

"Hot shape-shifters and even hotter passion." --New York Times bestselling author Gena Showalter Livy Kowalski has no time for idiots. When you shapeshift into a honey badger, getting through life's irritants is a finely honed skill. Until she gets stuck housing her nutso cousin and dealing with her dad's untimely and unexplained demise. That's where Vic Barinov comes in--or his house does. Vic can't step outside without coming back to find Livy devouring his honey stash

and getting the TV remote sticky. It gets his animal instincts all riled up. But he'll have to woo her at high speed: all hell is breaking loose, and Livy is leading the charge. . .

Savoring the Seasons with Our Best Bites

Wanna know where the real wild things are. . .and what they like to do there? *Belong To The Night The Wolf, The Witch, And Her Lack Of Wardrobe* by Shelly Laurenston Jamie Meacham has enough trouble controlling her supernatural abilities. There's no time for lust, or for Tully Smith, even with his smoldering amber eyes. But Tully's grappling with his own animal instincts as a powerful shifter-wolf, trying to protect all his territory. . . *In The Dark* by Cynthia Eden FBI agent and leopard shifter Sadie James' undead ex, Liam, still arouses her deepest desires. By teaming up with Liam, Sadie has a better chance of tracking the brutal rogue shifter who is terrorizing Miami, but as passion consumes them, she stands to lose more than just her heart. *City Of The Dead* by Sherrill Quinn Dori Falcon is a witch with a plan: get to New Orleans, locate her missing brother, and recover a mysterious and powerful amulet. Her plan never included falling for sexy Cajun cop Jake Boudreau;but without his help, she may never find the key to her family's survival.

Lady Long Rider

Ric Van Holtz is more than he seems, nothing you

expect--and everything you want. . . When it comes to following her instincts, former Marine Dee-Ann Smith never holds back. And this deadly member of a shifter protection group will do anything to prove one of her own kind is having hybrids captured for dogfights. Trouble is, her too-cute, rich-boy boss Ric Van Holtz is making it real hard for Dee to keep her heart safe. He's wanted the fiercely independent she-wolf from day one, but he never expected their teamwork to be so explosive. Now is his last chance to show Dee what she needs isn't some in-your-face Alpha male--but a wily, resourceful wolf who'll always have her back in a fight. . .and between the sheets. The Undoing

Logan is muscular, graceful, and deadly. A gift of pure sex appeal wrapped with a golden bow. I already don't trust men and Logan's arrival at my Blood Center may put me out of a job. None of that seems to matter when his smile stuns me, his kisses crank me to broil, and his bites rocket me to heaven (fangy bites, which, if I weren't grounded in science, would make me think ampire-Vay). One thing's for sure—Logan's got secrets. Troubles with a long-lost household, a mysterious enemy going by the corny vampire name Lord Ruthven and an even more mysterious ally with a voice like a dark cave called the Ancient One. Between my past and all those

secrets I can't trust Logan, no matter how many times he says "Liese, I love you"—but if I don't trust him, it may cost me my life. When He Was Bad

USA Today Bestseller An Amazon Best Book of the Year Selection "When it comes to combining offbeat humor and mayhem, it is tough to beat Laurenston." —RT Book Reviews She's the woman he's been hired to kidnap. But ZeZé Vargas has other ideas . . . like getting them both out of this nightmare alive. Just one problem. She's crazy. Certifiably. Because while he's plotting their escape, the petite Asian beauty is plotting something much more deadly . . . Max "Kill It Again" MacKilligan has no idea what one of her own is doing with all these criminal humans until she realizes that Zé has no idea who or what he is. Or exactly how much power he truly has. But Max is more than happy to bring this handsome jaguar shifter into her world and show him everything he's been missing out on. A move that might be the dumbest thing she's ever done once she realizes how far her enemies will go to wipe her out. Too bad for them Zé is willing to do whatever it takes to keep her alive . . . and honey badgers are just so damn hard to kill!

Pack Challenge

A feline shifter finds a man who makes her roar in a novel by the New York Times-bestselling author who has “a gift with words and humor” (USA Today). Growing up on the tough Philly streets, Gwen O'Neill knows how to fend for herself. But what is she supposed to do with a nice suburban Jersey boy who has a tendency to turn into a massive Grizzly? Despite his menacing growl and four-inch claws, Gwen finds Lachlan "Lock" MacRyrie cute and really sweet. He actually watches out for her, and unlike the rest of her out-of-control family, manages not to morbidly embarrass her. Too bad cats don't believe in forever. At nearly seven feet tall, Lock is used to people responding to him in two ways: screaming or running away. Gwen--half lioness, half tigress, all kick-ass--does neither. She's sexy beyond belief and smart as hell, but she's so busy protecting her family and friends that she's forgetting about her own safety. Lock probably shouldn't get involved, but he can't simply walk away. Not when Gwen means absolutely everything to him. “With a sharp eye for detail, Laurenston manages to combine Animal Planet and The Sopranos with bonus life-altering roller derby. Fans of the series will enjoy this latest

addition.”—Publishers Weekly Praise for Shelly Laurenston's novels "Bear Meets Girl is hilarious, sexy fun."--Heroes and Heartbreakers "Fast-paced action and smoking hot love scenes." --RT Book Reviews Top Pick on Wolf with Benefits

Frankenstein

Enter a world of timeless seduction, of ancient intrigue and modern-day passion. Enter the dazzling world of Karen Marie Moning, whose acclaimed Highlander novels have captivated readers, spanning the continents and the centuries, bringing ancient Scotland vividly to life. In a novel brimming with time-travel adventure and sensual heat, the bestselling author of *The Dark Highlander* delivers a love story that will hold you in thrall—and a hero you will most certainly never forget. BEWARE: lethally seductive alpha male of immense strength, do not look at him. Do not touch him. Do not be tempted. Do not be seduced. With his long, black hair and dark, mesmerizing eyes, Adam Black is Trouble with a capital T. Immortal, arrogant, and intensely sensual, he is the consummate seducer, free to roam across time and continents in pursuit of his insatiable desires. That is, until a curse strips him of his immortality and makes him invisible, a cruel fate for so irresistible a man. With his very life at stake, Adam's only hope for survival is in the hands of the one woman who can actually see him. Enter law student Gabrielle O'Callaghan, who is cursed with the ability to see both worlds: Mortal and Faery. From the moment she lays eyes on this stunning male, Gabby

is certain of one thing: He could be her undoing. Thus begins a long, dangerous seduction. Because despite his powerful strength and unquenchable hungers, Adam refuses to take a woman by force. Instead, he will tease his way into Gabby's bed and make her want him just as he wants her. Now, no matter how hard Gabby tries to avoid him, Adam is everywhere, invisible to all but her—perched atop her office cubicle in too-tight jeans, whispering softly from behind the stacks of the law library, stealing her breath away with his knowing smile...all the while tempting her with the promise of unimaginable pleasure in his arms. But soon danger will intrude on this sensual dance. For as Adam's quest to regain his immortality plunges them into a world of timeless magic and the deadly politics of the Faery queen's court, the price of surrender could be their very lives. Unless they can thwart the conspiracy that threatens both mortal and Faery realms...and give them a shot at a destiny few mortals ever know: glorious, wondrous, endless love. From the Hardcover edition.

The Beast In Him

Mace Llewellyn. Brendon Shaw. Two tall, gorgeous, sexy alpha heroes who are 100% male—with a little something extra. Lion-shifters, to be exact, who can unleash every woman's animal side and still look good—make that spectacular—in a suit. . .and even better out of it. . . NYPD cop Desiree "Dez"

MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those too-sexy gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle. . . Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl—even one who runs with a Pack—can redefine herself. First order of business: find a mate, settle down, and stop using men for sex. Even big, gorgeous, lion shifter men like Brendon Shaw. But she needn't worry, because now that Brendon's set his sights on her, the predator in him is ready to pounce and never let go. . .

Bear Meets Girl

“As usual, Laurenston’s story is outrageously bawdy, her characters are unabashedly foul-mouthed and unrestrained, and her comedic timing is on point. The blend of screwball romance, mythological mayhem, and all-out action is as enjoyable as ever.”

—Publishers Weekly Stieg Engstrom, Angriest Viking Ever, has got big problems. The human Viking Clans of earth are in danger of being obliterated—along with the rest of the world—and the only one who may be able to save them is a super pain-in-the-ass Crow.

Most people annoy Stieg, but this is the one woman he really can’t stand . . . Erin Amsel loves being a Crow! Why wouldn’t she when the other Viking Clans are so hilariously arrogant and humorless? She’s not about to let all that come to an end! She just didn’t expect to be shoulder to shoulder in battle with Stieg. Then again, he’s so easy to torment—and also kind of cute. With the future of the world riding on them, Stieg knows he’ll have to put aside his desperate need to kiss the smirk right off Erin’s face. Wait.

What? He didn’t mean that—did he? No! They have one goal: To conquer the idiots. Because nothing bugs Stieg more than when idiots win. If only he can keep himself from suddenly acting like one . . . “No one does the weird and wacky better than Laurenston!”
