The Bone Bed

Four books in the #1 New York Times bestselling series by the author of *Flesh and Blood* featuring Kay Scarpetta--"an awesome force in the field of forensic science." (New York Times Book Review) Includes *The Last Precinct*, *Predator*, *Blow Fly*, and *Book of the Dead*.

Scarpetta

From the author who virtually invented the forensic thriller comes this much-anticipated omnibus volume that features her first two novels, "Postmortem" and "Body of Evidence," that introduced Virginia Chief Medical Examiner Kay Scarpetta to the book-reading world.

The Scarpetta Factor

Kay Scarpetta and her colleague Pete Marino investigate the case of a man killed by a shotgun blast to the chest, while a woman is trapped in an abandoned house in the South after being kidnapped by an unknown captor, and on Cape Cod, Kay's niece Lucy Farinelli begins to suspect that she has made a terrible mistake. 1,200,000 first printing.

Quantum

The world's bestselling crime writer Patricia Cornwell presents an extraordinary novel in which Kay Scarpetta is confronted with a case that could ruin her professionally-and personally.

Point of Origin

In a world where magic thrives in secret city corners, a group of magicians embark on a road trip-and it's the "no-love-interest", found family adventure you've been searching for. Sixteen-year-old Blythe is one of seven Guardians: magicians powerful enough to cause worldwide panic with a snap of their fingers. But Blythe spends her days pouring latte art at her family's coffee shop, so why should she care about having apocalyptic abilities? She's given a reason when magician anarchists crash into said coffee shop and kidnap her family. Heartbroken but determined, Blythe knows she can't save them alone. A war is brewing between two magician governments and tensions are too high. So, she packs up her family's bright yellow Volkswagen, puts on a playlist, and embarks on a road trip across the United States to enlist the help of six strangers whose abilities are unparalleled-the other Guardians. *The Black Veins 2020 Anniversary Edition, with cover by Shazleen Khan

The Scarpetta Collection Volume I

Leaving Virginia in search of peace and quiet, Dr. Kay Scarpetta journeys to Florida, where a series of baffling murders entangles her in an international conspiracy that confronts her with the most unexpected circumstance of her life. Reprint.

Patricia Cornwell FIVE SCARPETTA NOVELS

Patricia Cornwell delivers the newest engrossing thriller in her high-stakes series starring medical examiner Dr. Kay Scarpetta. *Depraved Heart*: "Void of social duty and fatally bent on mischief." —*Mayes v. People*, 806 Ill. 306 (1883) Dr. Kay Scarpetta is working a suspicious death scene in Cambridge, Massachusetts when an emergency alert sounds on her phone. A video link lands in her text messages and seems to be from her computer genius niece Lucy. But how can it be? It's clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she begins to learn frightening secrets about her niece, whom she has loved and raised like a daughter. That film clip and then others sent soon after raise dangerous legal implications that increasingly isolate Scarpetta and leave her confused, worried, and not knowing where to turn. She doesn't know whom she can tell—not her FBI husband Benton Wesley or her investigative partner Pete Marino. Not even Lucy. In this new novel, Cornwell launches these unforgettable characters on an intensely psychological odyssey that includes the mysterious death of a Hollywood mogul's daughter, aircraft wreckage on the bottom of the sea in the Bermuda Triangle, a grisly gift left in the back of a crime scene truck, and videos from the past that threaten to destroy Scarpetta's entire world and everyone she loves. The diabolical presence behind what unfolds seems obvious—but strangely, not to the FBI. Certainly that's the message they send when they raid Lucy's estate and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring chief medical

examiner Dr. Kay Scarpetta, Cornwell will captivate readers with the shocking twists, high-wire tension, and cutting-edge forensic detail that she is famous for, proving yet again why she's the world's #1 bestselling crime writer.

Food to Die for

Relocating to Charleston after a particularly grueling case, Dr. Kay Scarpetta opens a private forensic pathology practice but is quickly targeted by local politics and a covert saboteur before a series of violent deaths bring her skills into high view. 1,500,000 first printing. BOMC, Lit Guild, Doubleday, & Mystery Guild Main.

Spin

The thirteenth book in the Kay Scarpetta series, from No. 1 bestselling author Patricia Cornwell. 'America's most chilling writer of crime fiction' The Times Since Postmortem garnered critical acclaim and a record-breaking five awards for a first crime novel, the Scarpetta novels have often been imitated, but never bettered. Against her own judgement and the advice of Benton Wesley and her niece, Lucy, Scarpetta agrees to return to Virginia as a consultant pathologist on a case involving the death of a fourteen-year-old girl. Accompanied by Pete Marino she finds the once familiar territory of her morgue and her department much changed, and the new Chief Medical Examiner treats her with disdain despite the obvious fact that he is in desperate need of her expertise. But professional as ever, she re-examines the evidence and proves the girl was murdered. She also finds trace evidence which matches that found on an accident victim and at the scene where one of Lucy's operatives was attacked. It is not only a forensic puzzle, but opens up the probability that someone is after those closest to Scarpetta. Visit the author's website at www.patriciacornwell.com

Black Notice

A #1 New York Times Bestseller. From America's bestselling crime writer, an electrifying new thriller - with a twist. A Massachusetts district attorney planning to run for governor uses a new crime initiative as a showcase. Called At Risk, it's motto is "Any crime, any time." She's looking for a way to employ cutting edge DNA technology, and she believes she's found the perfect subject in an unsolved twenty-year-old murder in Tennessee. But her state investigator is not so sure, and soon violence intervenes, and the implications are very, very bad indeed.

Hornet's Nest

The decomposed remains of a stowaway lead Dr. Kay Scarpetta on an international search to Interpol's headquarters in

Lyon, France—and on a mission that will pull her in two opposite directions: toward protecting her career or toward the truth.

Port Mortuary

Patricia Cronwell supera toda expectativa: se añade el doble aliciente que supone un cambio de escenario y la descripción de un momento de inflexión en la vida de Kay Scarpetta. Kay es víctima del juego sucio de un desconocido que pretende arruinar su carrera. Los restos del cuerpo de un hombre hallados en un contenedor de un barco procedente de Bélgica son sorprendentes: los rayos X revelan cicatrices profundas y en su ropa aparecen unos pelos extraños, semejantes a los de un animal. Una serie de coincidencias con las pruebas obtenidas en Francia, en el examen de otros cuerpos, la guiará hasta el cuartel general de la Interpol en Lyon.

Dust

Dr. Kay Scarpetta matches wits with a sadistic killer who infiltrates the FBI's top-secret artificial intelligence system and closes in on Scarpetta herself.

From Potter's Field

Kay Scarpetta finds herself pitted against a possible bioterrorist in this suspense-filled read from #1 New York Times bestselling author Patricia Cornwell. When a woman turns up dismembered in a landfill, Scarpetta initially suspects the work of a serial killer she’s been tracking. But her investigation turns far more dangerous when she realizes the victim’s skin is covered in an unusual rash—and Scarpetta herself may have just been exposed to a deadly virus.

Black Notice

Ruth Bell Graham is known as the wife of evangelist Billy Graham. It was Ruth who influenced Billy, as his most trusted life-partner. In *Ruth, a Portrait*, we meet this fascinating and remarkable woman. Brimming with anecdotes, this is a breathtaking journey, with stops at many of this century's epoch-making events. The childhood years of the future Mrs. Billy Graham were spent light-years away--in the China of the 1920s and 1930s. The daughter of medical missionaries, she and her family were caught in a crucible of unspeakable hardship; in addition to pestilence and plague, there was the unstable political and military turmoil surrounding the Nationalist government, the Communists, and the Japanese invaders. These hazardous realities shaped Ruth Bell and her family, a family inured to difficulties, but buoyed up by their deep belief in God's abiding will. Virtually raised by the Grahams, the author is a repository of Ruth Bell Graham's stories and has seen firsthand the spirit of this courageous woman. Patricia Cornwell not only gives readers a full, rounded, and intimate portrait of Ruth Bell Graham, but also insight into the life of the Graham family and particularly Billy Graham.

Isle of Dogs

The clues to a series of remorseless killings go up in smoke—and only Kay Scarpetta can find them in this #1 New York Times bestseller from Patricia Cornwell. “Sears its way into the psyche...Ablaze with Cornwell’s finest, scariest writing.”—Atlanta Journal Constitution The devastating fire tore through the horse farm, destroying everything it touched. Picking through the wreckage, Dr. Kay Scarpetta uncovers human remains—the work of an audacious and wily killer who uses fire to mask his brutal murders. And when Scarpetta learns that her old nemesis, Carrie Grethen, has escaped from a hospital for the criminally insane and is somehow involved, the investigation becomes personal. Tragedy strikes close to home. And Scarpetta must match Grethen’s every move with one of her own to douse the inferno of evil that threatens everyone around her... Includes an Introduction by the Author From the Paperback edition.

Cause of Death

"On the eve of a top-secret space mission, Captain Calli Chase--a NASA pilot, quantum physicist, and cybercrime investigator-- detects a problem in the tunnels below a NASA research center. She discovers dried blood, a missing security badge, a suspicious suicide. This series of disturbing clues point to Calli's twin sister Carme, who's been missing for days. Desperate to avoid disaster and clear her sister's name, Captain Chase races to find answers to her twin's erratic conduct. But time is running out, and she realizes that failure means catastrophe--for both the space program but for the safety of the entire nation"--Back cover.

Depraved Heart

"When it comes to the forensic sciences, nobody can touch Cornwell," says The New York Times Book Review. From the author of The Bone Bed and Flesh and Blood, his set offers five novels in the #1 New York Times bestselling series featuring Kay Scarpetta: Cause of Death; Unnatural Exposure; Point of Origin; Black Notice; and Trace.

Cruel and Unusual

The eleventh book in the Kay Scarpetta series, from No. 1 bestselling author Patricia Cornwell. 'America's most chilling writer of crime fiction' The Times Physically and psychologically bruised by her encounter with the killer Chandonne, Dr Kay Scarpetta has to leave her home in the hands of the police team investigating the attack. She finds shelter with an old friend, Anna Zenner, but it is not the haven of security she needs when she discovers that Anna has been sub-poenaed to appear before a Grand Jury which is investigating Scarpetta for murder. Kay knows she is being framed and she also knows

she can trust no-one. Meanwhile it appears that Chandonne killed a woman in New York before his murderous spree in Virginia, but when Scarpetta looks more closely into that case with the NY prosecutor Jaime Berger, proof of his guilt is far from certain - in fact she begins to believe that he may not be the perpetrator of any of the crimes he is accused of. As she follows the forensic trail to the real killer she gradually realises that someone has been spinning a web for years with the aim of entrapping her. Who is it, and why are they so desperate to be rid of her? Visit the author's own website on www.patricia-cornwell.com

Identidad Desconocida / Black Notice

When a fifth couple falls prey to a serial killer with a penchant for stalking and murdering young lovers parked in their cars, Chief Medical Examiner Kay Scarpetta attempts to examine the evidence in the face of mounting political pressure. Reprint.

Four Scarpetta Novels

They are dying, one by one: wealthy middle-aged women in an exclusive Connecticut suburb. Their murderer remains at large. Nora Chancel, wife of publishing scion Davey Chancel, fears she may be next. After all, her past has branded her a victim. . . . Then Davey tells Nora a surreal story about the Hellfire Club, where, years before, he met an obsessed fan of Chancel House's most successful book, *Night Journey*—a book that has a strange history of its own. . . . Suddenly terror engulfs Nora: She must defend herself against fantastic accusations even as a madman lies in wait. And when he springs, Nora will embark on a night journey that will put her fears to rest forever, dead or alive. . . .

Postmortem

Following the post-mortem of a stowaway which reveals neither cause of death nor identity, Dr Kay Scarpetta travels to Paris in search of information. In Paris she is given a secret mission - a mission which could ruin her career.

At Risk

In this provocative thriller, forensic expert Kay Scarpetta is surrounded by familiar faces, yet traveling down the unfamiliar road of fame. It is the week before Christmas. A tanking economy has prompted Dr. Kay Scarpetta—despite her busy schedule and her continuing work as the senior forensic analyst for CNN—to offer her services pro bono to New York City's Office of the Chief Medical Examiner. In no time at all, her increased visibility seems to precipitate a string of unexpected and unsettling events, culminating in an ominous package—possibly a bomb—showing up at the front desk of the

apartment building where she and her husband, Benton, live. Soon the apparent threat on Scarpetta's life finds her embroiled in a surreal plot that includes a famous actor accused of an unthinkable sex crime and the disappearance of a beautiful millionaire with whom her niece, Lucy, seems to have shared a secret past. Scarpetta's CNN producer wants her to launch a TV show called The Scarpetta Factor. Given the bizarre events already in play, she fears that her growing fame will generate the illusion that she has a "special factor," a mythical ability to solve all her cases. She wonders if she will end up like other TV personalities: her own stereotype.

The Body Farm

Collects recipes inspired by scenes from mystery novels involving Kay Scarpetta, including grilled marinated rib-eye steaks from "Postmortem," pollo al limone from "Potter's Field," and peanut butter-chocolate pie from "The Last Precinct."

Flesh and Blood

"Based on the USA Network television series created by Matt Nix."

The Last Precinct

Captain Calli Chase races against time to thwart a plot that leaves the fate of humanity hanging in the balance in this new thriller from international bestselling author Patricia Cornwell. In the aftermath of a NASA rocket launch gone terribly wrong, Captain Calli Chase comes face-to-face with her missing twin sister--as well as the startling truth of who they really are. Now, a top secret program put in motion years ago has spun out of control, and only Calli can redirect its course. Aided by cutting-edge technologies, the NASA investigator and scientist turned Space Force pilot sets out on a frantic search for the missing link between the sabotaged rocket launch and her predetermined destiny search that someone else seems very interested in stopping. From NASA to the Chase family farm, to the White House to distant orbits of space, Calli plays a high-stakes game of hide-and-seek with a cunning and ruthless adversary. One wrong move will unleash cataclysmic consequences reaching far beyond the boundaries of Earth. This heart-pounding Captain Chase thriller from Patricia Cornwell will leave readers desperate for more.

Ruth, A Portrait

Receiving a grisly communication in the wake of an eminent Canadian paleontologist's disappearance, Kay Scarpetta investigates the discovery of a body in Boston Harbor and clues about other unsolved cases, a situation that makes

Scarpetta wonder who she can trust.

The Black Veins (Anniversary Edition)

Dr. Kay Scarpetta is starting over with a unique private forensic pathology practice in Charleston, South Carolina. But in this thrilling #1 New York Times bestseller, her fresh start ushers in a string of murders more baffling—and terrifying—than any that have come before. *The Book of the Dead* is the morgue log, the ledger in which all cases are entered by hand. For Kay Scarpetta, however, it is about to acquire a new meaning. A sixteen-year-old tennis star, fresh from a tournament win in Charleston, is found nude and mutilated near Piazza Navona in Rome. The body of an abused young boy is dumped in a desolate marsh. A woman is ritualistically murdered in her multimillion-dollar beach home. Meanwhile, in New England, problems with a prominent patient at a Harvard-affiliated psychiatric hospital begin to hint at interconnections among the deaths that are as hard to imagine as they are horrible. Scarpetta has dealt with many brutal and unusual crimes before, but never has she seen a string of death like what she's facing now. Before she is through, that book of the dead will contain many names—and the pen may be poised to write her own.

Unnatural Exposure

The gritty, heroic life of big-city police is seen through the eyes of three leading crimefighters from Charlotte, North Carolina.

Blow Fly

Returning to Cambridge after witnessing one of the worst mass killings in U.S. history, an exhausted Scarpetta investigates the murder of a young graduate student who is subsequently linked to bizarre homicides in Washington, D.C., where Scarpetta's FBI agent husband is tracking down a serial killer. Reprint.

Trace

#1 New York Times bestselling author Patricia Cornwell's suspense fiction classic, featuring gutsy medical examiner Kay Scarpetta. A reclusive author, Beryl Madison finds no safe haven from months of menacing phone calls—or the tormented feeling that her every move is being watched. When the writer is found slain in her own home, Kay Scarpetta pieces together the intricate forensic evidence—while unwittingly edging closer to a killer waiting in the shadows.

The Fix

#1 New York Times bestselling author Patricia Cornwell returns with the remarkable twenty-fourth thriller in her popular high-stakes series starring medical examiner Dr. Kay Scarpetta. In the quiet of twilight, on an early autumn day, twenty-six-year-old Elisa Vandersteel is killed while riding her bicycle along the Charles River. It appears she was struck by lightning—except the weather is perfectly clear with not a cloud in sight. Dr. Kay Scarpetta, the Cambridge Forensic Center's director and chief, decides at the scene that this is no accidental Act of God. Her investigation becomes complicated when she begins receiving a flurry of bizarre poems from an anonymous cyberbully who calls himself Tailend Charlie. Though subsequent lab results support Scarpetta's conclusions, the threatening messages don't stop. When the tenth poem arrives exactly twenty-four hours after Elisa's death, Scarpetta begins to suspect the harasser is involved, and sounds the alarm to her investigative partner Pete Marino and her husband, FBI analyst Benton Wesley. She also enlists the help of her niece, Lucy. But to Scarpetta's surprise, tracking the slippery Tailend Charlie is nearly impossible, even for someone as brilliant as her niece. Also, Lucy can't explain how this anonymous nemesis could have access to private information. To make matters worse, a venomous media is whipping the public into a frenzy, questioning the seasoned forensics chief's judgment and "a quack cause of death on a par with spontaneous combustion."

Book of the Dead

Kay Scarpetta accepts an assignment in New York City, where she learns the story of Oscar Bane, an injured psychiatric patient who claims he was attacked by a stalker who was killing someone else at the time.

The Hellfire Club

Under cover of night in Richmond, Virginia, a human monster strikes, leaving a gruesome trail of stranglings that has paralyzed the city. Medical examiner Kay Scarpetta suspects the worst: a deliberate campaign by a brilliant serial killer whose signature offers precious few clues. With an unerring eye, she calls on the latest advances in forensic research to unmask the madman. But this investigation will test Kay like no other, because it's being sabotaged from within and someone wants her dead.

Body of Evidence

Angered over the governor's order on speed traps, the eccentric inhabitants of the Isle of Tangier, off the coast of Virginia, declare war on their own state, and it is up to Judy Hammer, the new superintendent of the state police, to stop the crisis.
