Hollywood Scandals

This book includes the author's interesting scientific finding that reverses the present research conclusion about how to traditionally inhibit the tumor growth and her own experiments and testimonies on parasitic fungi. This book is written for healthy families who wish to consciously stay healthy or take care of patients; for unhealthy families and patients who are

diagnosed with autoimmune diseases or who struggle with their unknown illnesses; for litigants who were forced to abandon their houses due to mold invasions; for healthcare providers who failed to find a cause of patients' illnesses; and for personal injury or medical malpractice lawyers who are representing ill clients who are struggling with "The Most Common, The Most Deadly" fungal infections. This book is introduced as a landmark to inspire people including cancer patients and healthcare providers about the anciently misdiagnosed illness "Cancer," which is caused by parasitic fungi, is misdiagnosed as flu or a cold in the beginning, and is erroneously treated with wrong medications in the middle of the progress only to discover that the cancer is treated by antifungal medications in the end. This book is intended to educate readers about parasitic fungi that mutate fungal genes to survive in the hosts yielding cancerous cells and that the parasitic fungi are the cause of autoimmune diseases. The main goal of this book is to help children and families who are left behind without treatments under the guise of a false psychological theory "Munchausen Syndrome By Proxy (faking illness)." This book is intended to enlighten readers about risks of parasitic fungi that destruct health, homes, offices, schools, hospitals, and further family relationships, and that construct expensive lawsuits, social distrusts, unnecessary public and medical expenses and secondary victims. This book is aimed at past, present, and future patients who are programmed to fail to get a medical help for early cancer test and treatment under the present insurance policies, immunity laws, and medical malpractice laws that govern millions of

health insurance policyholders, healthcare providers, and government-funded medical facilities. The author discusses why GMO (Genetically Modified Organism) Vitamins cause antifungal and antibiotic resistances and why GMO Vitamins may initiate or exacerbate autoimmune diseases. This book discusses "causes and effects" and "possible treatments" of autoimmune diseases that are caused by an untreated fungal infection. This book explains why the early signs of autoimmune diseases are neglected either by patients or by healthcare providers, how autoimmune diseases are initiated by a fungal mutation, why the autoimmune diseases respond to antifungal agents, and how curable diseases turn to incurable diseases. This book explains why fungal disruptions in human metabolisms result in "the various names of illnesses" in the beginning and "autoimmune diseases" in the end. This book suggests that a high level of LDL Cholesterol (known as bad Cholesterol) of patients may be a consequence of chronic and acute fungal infections and the LDL Cholesterol may be a fungal sterol that was horizontally transferred from the parasitic fungi that mutate their genes in the hosts to survive from the hosts' antibodies. This book explains how harmful acids are produced when parasitic fungi are hosted by humans and animals, how alcohol (fungal urine) and tobaccos may chemically make more Ergosterol or Lanosterol in the hosts and how patients can repair their damaged cells. This book explains how cancer tumors and cysts can be treated and how female patients can resume their menopause and become pregnant. This book is not a substitute of a medical diagnosis or a prescription to treat their illness.

Coyote Blue

Could you murder your plastic surgeon if your facelift surgery didn't turn out the way you hoped it would? What if a number of women who went to the same doctor all ended up looking very similar after their surgeries? Someone in the wealthy Palm Springs area murdered the plastic surgeon, but who? Was it one of his former patients, disappointed with the result of her facelift? An associate, jealous of the doctor's success, and who wanted more money so he could buy a bigger yacht? His administrative assistant, who had spent the last twenty years of her life hopelessly in love with the doctor? His wife, because he'd decided to divorce her? With so many persons of interest, what's needed in this case is a psychic, and fortunately the police detective's sister-in-law, Laura, is one of the best. Join Police Detective Jeff Combs, his wife, Marty, who happened to be in the process of appraising the doctor's antique Shaker furniture collection when he was murdered, and Laura, as they try to determine who killed the doctor.

The Farm

From USA TODAY bestselling author and seven time Amazon All Star author, another page-turning cozy murder mystery! What would you do if your sister's husband of twelve hours, Clark, was considered a suspect by the police in connection with his rich Uncle Vinny's murder? And the rich uncle just happened to be a member of the Mob? DeeDee has no choice but to enlist the help of her boyfriend Jake, a private investigator, as well as Al, Uncle Vinny's scary bodyguard, to help her find the murderer and clear Clark's name. It could have been a number of people, but which one? Was it Uncle Vinny's cousin or his wife? Uncle Vinny had a lot of money, and although he hadn't come by it legally, the color was still green. Or the rogue cop whose father had ended the prostitution rings in Seattle, but was certain Uncle Vinny was the person who had resurrected them. He couldn't prove it, but he wanted them stopped. Or perhaps Clark's business colleague who was jealous of Clark's recent promotion? Maybe it was the wedding planner who resented everything Uncle Vinny was giving the newlyweds, particularly the house on Queen Anne Hill. Or even Clark himself? After all, Uncle Vinny gave a toast at the wedding declaring

him to be the sole heir of his substantial fortune. As always, plenty of food, recipes and dogs in this, the third book of the bestselling Northwest series. Enjoy!

Murder in Seattle

Two policeman, Robert Warnock and Damon Wolfe are ousted from the force when they urinate against an Indian temple. Experiencing hardship, they devise a plot to kidnap the elderly wife of George Pope, a recent lottery winner. The criminals find themselves up against Indian vigilantes, a persistent private investigator, and the son of George, gangster Frank Pope. A desperate, botched kidnap attempt makes for compulsive reading. Another scintillating read from the author of *Forever and Ever!*

Murder and the Monkey Band

What happens when the very beautiful and sexy Maria Brooks, now Elena Johnson, a woman hiding out in Provence from the California legal authorities, meets Jordan Kramer, a handsome art theft detective from Los Angeles? He's looking for stolen California paintings reportedly for sale in Provence. She's trying to stay under the radar. Both share a love for food and wine. Will Jordan find Pierre, the French chef who's suspected of being the art thief? And who are the young Afghan girls hiding out in his parents' barn? If you liked Dianne Harman's award-winning first novel, *Blue Coyote Motel*, you're going to love *Coyote in Provence*. Great food, art, and romantic suspense at its best! *Blue Coyote Motel*, the first book in the

Coyote Series, was a quarterfinalist in Amazon's Breakthrough Novel Award contest and a Goodreads Psychological Thriller of the Month. Coyote in Provence continues the story of Maria, the captivating character in the trilogy.

Portrait of Guilt

Never in a million years did I think it would be Ian Parker who saved me I know I should stay away from Ian Parker. But when my drug-dealing stepdad kicks me out, I have nowhere to go. Squatting in an abandoned shed on Ian's grandpa's farm seems like as good a plan as any. Ian finds me there, of course, and he insists on me moving into his spare room. I should say no, but the appeal of a roof and a warm bed is too much. Not to mention Ian's brown eyes and strong arms. We're nothing alike, but the spark between us is undeniable. My life is finally looking up. Until I call the cops on my stepdad and unintentionally get my pregnant mom arrested. Now I have to sacrifice my dreams to take care of my mom's baby. She's the only family I have left. Meanwhile, Ian's band is taking off; his dreams are coming true. Ian is my one chance at love. I just hope he doesn't become the one chance that got away.

The Blue Coyote

Tea Party Teddy is a political tell-all novel about Sacramento, California politics - the public corruption, infidelity, and greed. Teddy, a newly elected Assemblyman, is elected because of his hateful anti-immigration platform. When he gets to Sacramento, he struggles with the temptations that ultimate power affords. His world slowly unravels as he succumbs to the power of his office. The ultimate irony occurs when his wife becomes romantically involved with the founder of the Republicans for Latinos. This is the book Sacramento politicians said shouldn't be written. Although the characters are fictional, the events and places are well-known to Dianne Harman, wife of a former California State Assemblyman and Senator. She is the author of Blue Coyote Motel, a quarter

finalist in the Amazon Breakthrough Novel Award contest, and a Goodreads Psychological Thriller Book of the Month.

Season of the Witch

Salon founder David Talbot chronicles the cultural history of San Francisco and from the late 1960s to the early 1980s when figures such as Harvey Milk, Janis Joplin, Jim Jones, and Bill Walsh helped usher from backwater city to thriving metropolis.

Travels in Elysium

Like millions of other kids, Jim grew up wanting to be a superhero. Unlike most of his contemporaries, however, Jim actually had the goods: a plethora of super powers that would have been the envy of any meta on the planet. But when his tryout with the Alpha League - the world's premiere group of supers - goes disastrously wrong, Jim basically becomes an outcast. Two years later, Jim is still bitter about what happened to him. However, he soon finds himself the centerpiece in an odd turn of events that gives him a second chance at his dream. But nothing is as easy as it sounds, as Jim soon discovers. Among other things, he's made an enemy of a prospective super teammate, he's being stalked by an unknown pursuer, and a shadowy cabal bent on world domination has identified him as the only obstacle to their plans. It's a lot for one super to handle, even with a smorgasbord of abilities. But if saving the world were easy, everyone would do it... teen & young adult, science fiction & fantasy, coming of age, superhero, paranormal & urban, magic, romance

Tea Party Teddy

A metaphysical mystery set on the Aegean island of Santorini. Trading rural England for the dream job of archaeologist's apprentice on the scarred volcanic island of Santorini, 22 year old Nicholas Pedrosa is about to blunder into an ancient mystery that will threaten his liberty, his life, even his most fundamental concepts of reality. A death that may have been murder An island that blew apart with the force of 100,000 atomic bombs A civilisation prised out of the ash, its exquisite frescoes bearing a haunting resemblance to Plato's lost island paradise, Atlantis And inexplicable events entwining past and

present with bewildering intensity Can this ancient conundrum be understood before it engulfs them all? 'This extraordinary novel, part murder mystery, part metaphysical thriller, kept me guessing until the very last page. The intellectual duel between the troubled hero and his ruthless mentor is mesmerising. William Azuski's treatment of the Atlantis legend is completely original and I have rarely read a novel with such a strong sense of place. The bizarre landscapes of Santorini and the daily lives of its people, both ancient and modern, are vividly evoked. Anyone who enjoys the work of Umberto Eco, Orhan Pamuk or Carlos Ruiz Zafon should try this book.' - Geraldine Harris, author, Egyptologist, and a member of the Faculty of Oriental Studies at the University of Oxford.

The Resonance of Unseen Things

A chance encounter with a handsome banker in a Greenwich Village jazz bar on New Year's Eve 1938 catapults witty Wall Street secretary Katey Kontent into the upper echelons of New York society, where she befriends a shy multi-millionaire, an Upper East Side ne'er-do-well and a single-minded widow. A first novel. Reprint.

Juggling Kittens

The Resonance of Unseen Things offers an ethnographic meditation on the “uncanny” persistence and cultural freight of conspiracy theory. The project is a reading of conspiracy theory as an

index of a certain strain of late 20th-century American despondency and malaise, especially as understood by people experiencing downward social mobility. Written by a cultural anthropologist with a literary background, this deeply interdisciplinary book focuses on the enduring American preoccupation with captivity in a rapidly transforming world. Captivity is a trope that appears in both ordinary and fantastic iterations here, and Susan Lepselter shows how multiple troubled histories—of race, class, gender, and power—become compressed into stories of uncanny memory. “We really don’t have anything like this in terms of a focused, sympathetic, open-minded ethnographic study of UFO experiencers. . . . The author’s semiotic approach to the paranormal is immensely productive, positive, and, above all, resonant with what actually happens in history.” —Jeffrey J. Kripal, J. Newton Rayzor Professor of Religion, Rice University “Lepselter relates a weave of intimate alien sensibilities in out-off-the-way places which are surprisingly, profoundly, close to home. Readers can expect to share her experience of contact with complex logics of feeling, and to do so in a contemporary America they may have thought they understood.” —Debbora Battaglia, Mount Holyoke College “An original and beautifully written study of contemporary American cultural poetics. . . . The book convincingly brings into relief the anxieties of those at the margins of American economic and civic life, their perceptions of state power, and the narrative continuities that bond them to histories of violence and expansion in the American West.” —Deirdre de la Cruz, University of Michigan

Coyote in Provence

From New York Times and USA Today Bestselling author Gemma Halliday Tina Bender is the gossip columnist at the infamous L.A. Informer tabloid. She knows everything about everyone who's anyone. And she's not afraid to print it. That is, until she receives a threatening note, promising, "If you don't stop writing about me, you're dead." Now her managing editor, Felix Dunn (from the High Heels Mysteries), has her teaming with a built bodyguard, a bubbly blonde, and an alcoholic obituary writer to uncover just which juicy piece of Hollywood gossip is worth killing over.

The Glass Castle

A stunning debut novel with an intriguing literary hook: written in part as a letter from a victim to her abductor. Sensitive, sharp, captivating! Gemma, 16, is on layover at Bangkok Airport, en route with her parents to a vacation in Vietnam. She steps away for just a second, to get a cup of coffee. Ty--rugged, tan, too old, oddly familiar--pays for Gemma's drink. And drugs it. They talk. Their hands touch. And before Gemma knows what's happening, Ty takes her. Steals her away. The unknowing object of a long obsession, Gemma has been kidnapped by her stalker and brought to the desolate Australian Outback. **STOLEN** is her gripping story of survival, of how she has to come to terms with her living nightmare--or die trying to fight it.

Tea Party Teddy's Legacy

For a quarter century, more than a million

readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott’s hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne’s father—also a writer—in the iconic passage that gives the book its title: “Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he’d had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother’s shoulder, and said, ‘Bird by bird, buddy. Just take it bird by bird.’” An essential volume for generations of writers young and old, *Bird by Bird* is a modern classic. This twenty-fifth anniversary edition will continue to spark creative minds for years to come.

1001 Books You Must Read Before You Die

Almost five hundred years ago, Ca-u-chi, a Cherokee town, was nestled in the foothills of the Blue Ridge Mountains along Pigeon River in present day western North Carolina. We know now it was real, since archaeologists uncovered its remains and historians find it recorded in 16th century Spanish journals. In the following story, details of Cauchi and Cherokee traditions are derived from these discoveries and writings. On the other hand, the people of Cauchi

depicted are fictitious, but there must have been ancestral Cherokee living there with names very similar to those used herein. Likewise, there may have been a boy born around 1520 in Cauchi with the name Ta-wo-di (Hawk) and he could have become a warrior and later town chief. With the arrival of Spanish conquistadors Hernando de Soto in 1540 and later Captain Juan Pardo in 1566 the indigenous peoples of southeast North America were challenged to accept these Outsiders - or fight them. Eventually, the Cherokee, Catawba, Creek, Choctaw and Chickasaw chose to fight and it is their intrepid resistance to these Spanish invasions that forever changed the course of history for North America and the yet to be United States of America. Tawodi and the Cherokee lived during this critical time, since imperial Spain was intent on taking these Indian lands for their pleasure, just as Spaniards had already conquered the Caribbean Islands, Mexico and Peru. After all, this was El Siglo de Oro de España, The Golden Century of Spain, decades before England's "Lost Colony" on Roanoke Island, North Carolina, and its Jamestowne settlement in Virginia and France's soon to be colonies in Canada. Tawodi ("Hawk") was raised the Cherokee Way in the Blue Ridge Mountains of present day western North Carolina. His life begins in the early 16th century as Imperial Spain attempts to annex southeast North America to its rapidly expanding New World empire. It will be these Spanish invasions that expose Tawodi, as warrior and town chief of Cauchi, to the armies of La Florida Governor Hernando de Soto and, twenty-five years later, to Spanish forts constructed across the Carolinas into Tennessee by soldiers of Captain Juan Pardo. After all,

this was el Siglo de Oro de España, the Golden Century of Spain, as conquistadors roamed freely throughout the Caribbean Islands and the Americas to the glory of Spain and the Catholic Church. When Spaniards arrived among the Cherokee, Catawba and Creek, these tribes were challenged to either accept the Outsiders - or fight. It is the Indians intrepid resistance to these Spanish invasions which produced a far-reaching twist to history that forever changed the future for North America and the yet to be United States of America.

I'm thrown into a world of private jets and stolen kisses. I'm falling fast but he lives in an utterly different world. Do I love him enough to become his slave? Danger waits for us in his home country, more than either of us can imagine. If I'm going to keep my man, I'm going to have to fight for him. Against the will of the royal family, in the glare of the media spotlight, I'm going to have to become his princess.

The Cold Blue Blood

Frannie and Larry Shoemaker love taking their grandchildren, Sabet and Joe, camping with them. But at Bluffs State Park, Frannie finds herself worrying

more than usual about their safety, and when another young girl disappears from the campground in broad daylight, her fears increase. The fun of a bike ride, a flea market, marshmallow guns, and a storyteller is quickly overshadowed. Accusations against Larry and her add to the cloud over their heads. Frannie begins to puzzle out the mystery: Are the itinerant road workers as much of a threat as Frannie thinks? What about the lone woman camper who also disappears? Or is the girl's deadbeat dad behind it all?

The Wreckage of Us

Tawodi

Mitch Berger, a top film critic with a major New York newspaper at a surprisingly young age, has become almost a recluse since his wife died one year ago. He spends his time secluded in his apartment or in the dark recesses of a screening room. Although he continues to dazzle moviegoers and the film elite with his criticisms, his editor and good friend is alarmed about him. As a scheme to pull him out of the doldrums of his grief, she gives him a non-film assignment - to do a color story on the wealthy and social homeowners on Connecticut's Gold Coast. It takes some doing, but in the end Mitch agrees. He is fortunate to find a cottage to rent on Big Sister, the absolute top-of-the-line private island outside the town of Dorset. His landlady, Dolly, is pleasant and friendly, but some of the other inhabitants of this small piece of land, although too well bred to come

right out and say it, are not happy to have Mitch, born of parents only one generation away from Eastern Europe and raised on the city's pavements, arrive in their back yard. But Dolly, whose husband has recently left her, needs the money, and at least she is more than gracious. The discovery of a body during a bout of optimistic gardening in Dolly's back yard brings on the other main player - Lieutenant Desiree Mitry, one of only three women on the Connecticut State Police major crimes squad, the youngest of the three, and the only black. A dedicated officer, she is the terror of everyone who doesn't really want to give a home to one of her stray cats. She is, as well, a closet artist and a complicated and beautiful woman, and she intrigues Mitch from the start in David Handler's *The Cold Blue Blood*.

Stolen

Cecil Boatwright-Jones was the epitome of a crotchety old man. So crotchety he was murdered. After all, when you're worth millions and you won't spend a dime on your run-down English manor or your family or anything else, maybe murder is the answer. But it's never acceptable. DeeDee and Jake wish they'd never left Seattle to accept a case in a small village in England. What started out as a wonderful excuse to spend some time in Europe quickly becomes a nightmare. Staying in a manor that has over one hundred rooms and a lot of secrets doesn't make for pleasant dreams. When everyone hates a man, finding people with a motive is not a problem. What is a problem is too many suspects with very good reasons.

to commit murder. DeeDee and Jake have another problem. If they don't find the murderer, there's a good chance they'll be the next victims. This is the 12th book in the Northwest Cozy Mystery Series by a two-time USA Today Bestselling Author.

Bird by Bird

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Mad Dog Justice

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that

existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Sirens

Maria and her husband, Jeffrey, a scientist fired from a prestigious laboratory, struggle to build a new life in a remote Southern California desert area as owners of the motel. Along with an anti-aging hormone, Jeffrey invents a "feel good" wonder drug to help Maria with her depression. As Jeffrey becomes insane, he begins to experiment with the wonder drug on six wayward travelers, including an alcoholic priest, a couple who own gold mines in Brazil, a depressed widow, a struggling salesman, and a Native American pediatrician.

Rules of Civility

Was it the environmental activist enamored with spotted owls, someone from the local Native

American tribe, Jeff's son, Jeff's wife, or his wife's lover? Join Kelly, the owner of Kelly's Koffee Shop, her boxer dog, Rebel, and her fiancé, Mike, the county sheriff, as they try and catch the person who killed Jeff Black. Well, it's not as if no one wanted Jeff dead. He had a lot of enemies. There were a lot of people who didn't want to see his property turned into a commercial hotel and spa. Finding suspects won't be hard to do, but finding out who killed him will be. No one would ever nominate Jeff for the "Most Popular Citizen Award." This is going to be a nightmare for Mike. I wonder how I can help him, Kelly thought. Murder at Jade Cove is another mouth-watering Cedar Bay Cozy Mystery with recipes included!

Kelly's Koffee Shop

Ellis Mazer is a soon-to-be father, a first year English teacher, and a directionless twenty-something entering the directionless 2000-somethings. But when Spencer--trailer trash with more ring worms than friends--stops coming to school, Ellis discovers that he may be the only person who even notices.

When These Mountains Burn

Roddy Dolan, a surgeon, and Danny Burns, an accountant, are being hunted as prey. Someone is after them with lethal intentions but they don't know who or why. Whoever it is, and for whatever reason, they and their families are in the crosshairs of killers. Everything they know is unravelling. They must hide; send their families away; abandon their homes; and

leave their lives behind. The jaws of the vise grow tighter as the hunters close in. Roddy and Danny are not sure they can even trust each other. The police are not helping. In fact, they're asking all the wrong questions. The second book in the Mad Dog series, *Mad Dog Justice* is a harrowing tale of friendship, morality, betrayal, and dire consequences. "Mad Dog Justice, a tale of friendship, morality, and consequences, is pure Mark Rubinstein. It's smart, it's sophisticated, and it's scary as hell."--Scott Pratt, bestselling author of the Joe Dillard series "Mad Dog Justice speeds along with more turns than a Vespa cruising through traffic. It's a smart, twisting thriller that grows into the weightier issues of friendship, vengeance, and betrayal."--Andrew Gross, bestselling author of *No Way Back* and *Everything to Lose*

Holly and the Framed Friend: The Holly Lewis Mystery Series

"To the short list of genuinely great addiction memoirs we can now add *Sirens*, a searing and at times hilarious account of Mohr's lost years in the dive bars and gutters of San Francisco. Like Mary Karr and Jerry Stahl, there is no line Mohr won't cross, either in his erstwhile quest for self-immolation, or his fearless honesty in reporting back from that time. But what sets this book apart is Mohr's unwillingness to traffic in pat notions of redemption."—Ron Currie, Jr. "This isn't your average recovery memoir. Mohr's honesty in this book is astonishing and necessary, his candor about hitting bottom and relapsing deeply moving and important. It's a hell of a compelling read."—Cari

Luna Acclaimed novelist Joshua Mohr provides a captivating and complicated account of his years of substance abuse and culpability in his non-fiction debut. Employing the characterization and chimerical prose for which he has been lauded, Mohr traces his childhood swilling fuzzy navels as a latch-key kid, through his first failed marriage, parenthood, heart-surgery, and his everyday struggle against relapse. Joshua Mohr is the author of *Some Things that Meant the World to Me*, one of Oprah Magazine's Top 10 reads of 2009 and a San Francisco Chronicle bestseller; *Termite Parade*, an Editors' Choice pick at the New York Times Book Review; *Damascus*, called "Beat-poet cool" by the New York Times; and, most recently, *Fight Song* and *All This Life*. He recently moved with his family to Seattle, Washington.

Blue Coyote Motel

Acclaimed author and "remarkably gifted storyteller" (The Charlotte Observer) David Joy returns with a fierce and tender tale of a father, an addict, a lawman, and the explosive events that come to unite them. When his addict son gets in deep with his dealer, it takes everything Raymond Mathis has to bail him out of trouble one last time. Frustrated by the slow pace and limitations of the law, Raymond decides to take matters into his own hands. After a workplace accident left him out of a job and in pain, Denny Rattler has spent years chasing his next high. He supports his habit through careful theft, following strict rules that keep him under the radar and out of jail. But when faced with opportunities too easy to

resist, Denny makes two choices that change everything. For months, the DEA has been chasing the drug supply in the mountains to no avail, when a lead--just one word--sets one agent on a path to crack the case wide open . . . but he'll need help from the most unexpected quarter. As chance brings together these men from different sides of a relentless epidemic, each may come to find that his opportunity for redemption lies with the others.

The Lone Ranger and Tonto Fistfight in Heaven

Kelly pulled into the harbor parking lot next to the pier and noticed that Amber's car wasn't in its usual place and there was no sign of her. She was usually standing at the door of Kelly's Koffee Shop, waiting for Kelly to open up. Wonder what that's all about, she thought. The local residents of Cedar Bay come to Kelly's Koffee Shop for breakfast, lunch, and lots of gossip. Kelly serves it all up as she works to solve the murder of the high school Homecoming Queen. The townspeople can't believe what has happened in their sleepy little Oregon seaside town. She identifies five prime suspects, but which one did it? Follow Kelly, her boxer dog, Rebel, and her boyfriend, Mike, the county sheriff, as they try to determine who the killer is in a murder that's shocked the town.
