Bread of Angels

Frederick Douglass knew where he was born but not when. He knew his grandmother but not his father. And as a young child, there were other questions, such as Why am I a slave? Answers to those questions might have eluded him but Douglass did know for certain that learning to read and to write would be the first step in his quest for freedom and his fight for equality. Told from first-person perspective, this picture-book biography draws from the real-life experiences of a young Frederick Douglass and his attempts to learn how to read and write. Author Shana Keller (Ticktock Banneker's Clock) personalizes the text for young readers, using some of Douglass's own words. The lyrical title comes from how Douglass "paid" other children to teach him.

Can You Drink the Cup?

A solitary artisan. A legacy of bread-baking. And one secret that could collapse her entire identity. Liesl McNamara's life can be described in one word: bread. From her earliest memory, her mother and grandmother passed down the mystery of baking and the importance of this deceptively simple food. And now, as the owner of Wild Rise bake house, Liesl spends every day up to her elbows in dough, nourishing and perfecting her craft. But the simple life she has cultivated is becoming quite complicated. Her head baker brings his troubled grandson into the bakeshop as an apprentice. Her waitress submits Liesl's recipes to a popular cable cooking show. And the man who delivers her flour—a single father with strange culinary habits—seems determined to win Liesl's affection. When Wild Rise is featured on television, her quiet existence appears a thing of the past. And then a phone call from a woman claiming to be her half-sister forces Liesl to confront long-hidden secrets in her family's past. With her precious heritage crumbling around her, the baker must make a choice: allow herself to be buried in detachment and remorse, or take a leap of faith into a new life. Filled with both spiritual and literal nourishment, Stones for Bread provides a feast for the senses from award-winning author Christa Parrish. "A quietly beautiful tale about learning how to accept the past and how to let go of the parts that tie you down." —RT Book Reviews, 4.5

Bread for the Journey

Spirituality needs fresh meaning. Even the disciplines of the Spirit have gotten covered with dust and lay unused by Christians. It is time for spirituality to get fresh meaning in our world and with God's people. In *Out of the House of Bread* author Preston Yancey leads us in a new direction of spirituality through the symbolism and experience of the spiritual disciplines made plain by the baking of bread. The benefits of this book of devotion include: Finding a nearness to the holiness of God. Feeling and experiencing the forgiveness of God. And learning again the disciplines of celebration, confession, and conversion. Each chapter pairs a spiritual discipline or practice with a baking discipline. You will encounter ancient practices such as the prayer of examen, lectio divina, intercessory prayer, icons, and stillness. Yancey shows how, like in Brother Lawrence's kitchen in *The Practice of the Presence of God*, that when you lift up your hands to God and pray, God will show up right there in the midst of your work and livelihood while you bake. *Out of the House of Bread* is a glorious celebration of the sacraments and the seasons of God, meant as reminders and symbols to take us to God in worship. An appendix, about gluten-free and vegan bread and the spirituality involved, will close off the book.

Unchanging Faith in a Changing World

When beloved author Henri Nouwen set out to record this daybook of totally new reflections, he suddenly found himself on "a true spiritual adventure." For in these 366 original, interlocking morsels of daily wisdom, Nouwen provides both sustenance and a trail for us to follow, as he unveils, to his own surprise, his personal map of faith. From the delicate interplay of human experience to the surrender to Christ and the embrace of Christian community, that journey of Christian spirituality is explored and celebrated here in each eloquent, thought-provoking passage, "The table is one of the most intimate places in our lives. It is there that we give ourselves to one another. When we say, 'Take some more, let me serve you another plate, let me pour you another glass, don't be shy, enjoy it,' we say a lot more than our words express. We invite our friends to become part of our lives. We want them to be nurtured by the same food and drink that nurture us. We desire communion. Every breakfast, lunch, or dinner can become a time of growing communion with one another." Intimately personal and inspiring, *Bread for the Journey* is a daily feast of fresh insight into the challenges and deep joys of a life lived in close communion with God. Nouwen is a wise, loving companion who invites us along as he finds joy in the community of loss, true freedom in forgiveness of others, and hope in surprising places. We all long to experience a sense of inner wholeness and guidance, but today's notions of healing and recovery too often keep us focused on our brokenness, on our deficiencies rather than our strengths. Wayne Muller's luminous new book gently guides us to the place where we are already perfect, already blessed with the wisdom we need to live a life of meaning, purpose and grace. He starts, as do so many spiritual teachers, with simple questions: Who am I? What do I love? How shall I live, knowing I will die? What is my gift to the family of the earth? He then takes us deeper, exploring each question through transformative true stories. We meet men and women--Wayne's neighbors, friends, patients--who have discovered love, courage, and kindness even in the midst of sorrow and loss. And through them we glimpse that relentless spark of spiritual magic that burns within each of us. Woven throughout are contemplations, daily practices, poems, and teachings from the great wisdom teachings. Page by page, we become more awake to the joy and mystery of this precious human life, and to the unique gifts every one of us has to offer the world.

I hope you enjoy, and I hope one day it becomes a part of your testimony as it is mine. I wish everyone Peace, Love, and Prosperity. The Bible says where two or more are gathered God is in the midst. I stand in agreement with you all.

God Cares More About How You Eat than What You Eat Christians should have their heads on straight about food—but too often our eating is complicated by burdens and rules, by diets and dependencies. So how can we keep a spiritually healthy view of what we eat? Should Christians stop eating white sugar? Does the Bible ask us to go paleo? Most questions about food aren't really about nutrition but about how we understand God. In *Broken Bread*, Christian Book Award-winner Tilly Dillehay challenges us to abandon the concept of good and bad foods and instead offers a way to... celebrate food without obsession make healthy choices without bondage to rules feed our families without feeling frazzled find satisfaction without using food as an emotional crutch This isn't another diet book. You won't find any system or plan for eating but rather a joyful call to develop a vision of Christ that informs the way you eat. Take delight in food again, and discover a feast for today that whispers of the eternal feast to come.

Preparing for ministry involves more than the acquisition of certain skills. The shape of a disciple's soul as he or she embarks on this journey is as important if not more so than learning how to exegete a text or engage in pastoral care. Ministry is not easy, and the preparation for this form of Christian discipleship is open to a variety of temptations, not least of which is a kind of despair over the paucity of one's own resources, or worse, the illusion that one is better off relying on one's own talents and virtues. What is needed is bread for this journey, not necessarily exhortations to work harder, but words of encouragement and grace that bear witness to the surprising reality that ministry is, in fact, a joyful gift. These notes from a dean, who sought to help his students discover that joy in their study and preparation, bear witness to the One, whose life provides bread for every journey, especially for the journey of pastoral ministry.

Determination and serendipitous acquaintances—along with her father's precious dye—help her become one of the city's preeminent merchants. But fear lingers in every shadow, until Lydia meets the apostle Paul and hears his message of hope, becoming his first European convert. Bread for the Journey

For Peter Reinhart there is no clear line between bread making and soul making. In this engaging memoir, he traces the many paths he's traveled on his journey toward becoming a spiritual adult. Drawing upon both his humility as a seeker and his authority as an internationally known master baker, he relates the twelve stages of bread making to initiations of the soul that progressively lead one to a richer, more spiritual life. With humor and wit, he recounts his struggle to forge a link between the timeless principles of the Judeo-Christian tradition and other world religions. Ever the pilgrim, he tells movingly of his own search for an inner priesthood, a search that led him to twenty-five years of seminary training and charitable work among an eastern orthodox service order; it was here that he discovered his talent and passion for the innately spiritual craft of bread baking. *Bread Upon the Waters* draws upon a rich life, one devoted to caring for others and to matters of the soul above all else. And woven throughout are inventive recipes drawing upon the ritualistic tradition of the bread baker-food for the body and meditations for the spirit.

Four Scraps of Bread

Born in Hungary in 1927, Magda Hollander-Lafon was among the 437,000 Jews deported from Hungary between May and July 1944. Magda, her mother, and her younger sister survived a three-day deportation to Auschwitz-Birkenau; there, she was considered fit for work and so spared, while her mother and sister were sent straight to their deaths. Hollander-Lafon recalls an experience she had in Birkenau: "A dying woman gestured to me: as she opened her hand to reveal four scraps of moldy bread, she said to me in a barely audible voice, 'Take it. You are young. You must live to be a witness to what is happening here. You must tell people so that this never happens again in the world.' I took those four scraps of bread and ate them in front of her. In her look I read both kindness and release. I was very young and did not understand what this act meant, or the responsibility that it represented." Years later, the memory of that woman's act came to the fore, and Magda Hollander-Lafon could be silent no longer. In her words, she wrote her book not to obey the duty of remembering but in loyalty to the memory of those women and men who disappeared before her eyes. Her story is not a simple memoir or chronology of events. Instead, through a series of short chapters, she invites us to reflect on what she has endured. Often centered on one person or place, the scenes of brutality and horror she describes are intermixed with reflections of a more meditative cast. *Four Scraps of Bread* is both historical and deeply evocative, melancholic, and at times poetic in nature. Following the text is a "Historical Note" with a chronology of the author's life that complements her kaleidoscopic style. After liberation and a period in transit camps, she arrived in Belgium, where she remained. Eventually, she chose to be baptized a Christian and pursued a career as a child psychologist. The author records a journey through extreme suffering and loss that led to radiant personal growth and a life of meaning. As she states: "Today I do not feel like a victim of the Holocaust but a witness reconciled with myself." Her ability to confront her experiences and free herself from her trauma allowed her to embrace a life of hope and peace. Her account is, finally, an exhortation to us all to discover life-giving joy.

Being Bread

Bien Cuit introduces a new but decidedly old-fashioned approach to bread baking to the cookbook shelf. In the ovens of his Brooklyn bakery, Chef Zachary Golper bakes loaves that have quickly won over New York's top restaurants and bread enthusiasts around the country. His secret: long, low-temperature fermentation, which allows the bread to develop deep, complex flavours and a thick, mahogany-coloured crust - what the French call bien cuit, or 'well baked'. Golper recreates classic breads for the home baker along with an assortment of innovative 'gastronomic breads'.

Bread on the Table

Winner of the 2014 Guild of Food Writers Award for Cookery Book of the Year. James Morton was surely the people's favourite to win 2012's Great British Bake Off series - with his Fairisle jumpers and eccentric showstoppers, this soft-spoken Scottish medical student won the viewers' hearts if not the trophy. James's real passion is bread-making. He is fascinated by the science of it, the taste of it, the making of it. And in Brilliant Bread he communicates that passion to everyone, demystifying the often daunting process of "proper" bread making. James uses supermarket flour and instant yeast - you can save money by making your own bread. You don't even have to knead! It just takes a bit of patience and a few simple techniques. Using step by step photos, James guides the reader through the how-to of dough making and shaping, with recipes ranging from basic loaves through flatbreads, sourdoughs, sweet doughs, buns, doughnuts, focaccia and pretzels. Inspiring and simple to follow, with James's no-nonsense advice and tips, this book will mean you never buy another sliced white loaf again.
