by Kim Holden. The Other Side Playlist. Once again, music drove this story. Songs that made me fall in love with music as a teenager in the late 80s, as well as current songs that inspired my daily life while I was writing the story. Review: Bright Side by Kim Holden - Vilma Iris | Lifestyle

Perhaps the unofficial motto of this book is "Do Epic" and Kim Holden did just that with her debut novel, Bright Side. Epic storytelling. Epic characters. And yes, epic tears by the end. This story, with its bright orange wrapper, packs so many feels. It's a story about love and loss, about friendship and hope.
