spotlight. Celebrity Detox is Rosie's story of the years after she walked away from her top-rated TV show in 2002, and her reasons for going back on the air in 2006.

### **Celebrity Detox Rosie Odonnell**

Celebrity Detox is Rosie's story of the years after she walked away from her top-rated TV show in 2002, and her reasons for going back on the air in 2006. In it, she takes you inside the world of talk show TV, speaking candidly about the conflicts and challenges she faced as cohost on ABC's The View.

### **Celebrity Detox - The Rantings of A Deranged Mind! | Celeb**

Rosie O'Donnell was not that lucky. The death of her mother was the birth of her broken heart and the pain of that loss lives on in constant adjustment throughout her life. Courageously she shares the journey of that loss and the yearning for her Mom and the fear of abandonment and betrayal by women who trigger the memory of that relationship.

This is an unprecedented book by an unprecedented Star! Just like Rosie O'Donnell, "Celebrity Detox" is candid, humorous at times, compassionate, clever, and incredibly thought-provoking. If you think you know everything about Ro, you will be surprised after reading this.

### **Book Review: 'Celebrity Detox' by Rosie O'Donnell**

From 2017 to 2019, she starred on the Showtime comedy series SMILF . In addition to comedy, film, and television, O'Donnell has also been a magazine editor, celebrity blogger, and author of several memoirs, including Find Me (2002) and Celebrity Detox (2007).

### **Celebrity Detox (The Fame Game) by Rosie O'Donnell ISBN 13**

Celebrity Detox: The Fame Game is the second memoir written by comedian, actress, and talk show host Rosie O'Donnell. Focusing on her departure from The Rosie O'Donnell Show and later The View, O'Donnell expresses the struggles associated with the almost drug-like concept of fame. The book especially touches on the rift between O'Donnell and Barbara Walters that occurred after O'Donnell publicly

— Rosie O'Donnell, *Celebrity Detox*. tags: yellow. 4 likes. Like “Sometimes, when people speak, I cease listening to their words and zoom in instead on the cadence, and it can seem lovely, and at other times absurd, all this verbiage, these seemingly random consonants clattering on the string that is sound.”

## **Rosie O'Donnell - Wikipedia**

When Rosie talked about her life and not done through the blogs it was pretty interesting. I think the theme of celebrity detox isn't what I would have wanted to read about. I think if she had taken another approach to telling her life story to date it would have been good. Maybe it was therapeutic for her but not interesting to me.
