Texas

Texas! It is an evocative word that brings to mind images of cowboys and Indians, Mexican vaqueros and mustangs, endless prairies and the Alamoand today, astronauts and high tech industries, with pickup trucks and policemen on horseback reflected in glass skyscrapers. The history and mythology of Texas span many centuries and cultures: from the Tejas Indians that the Spanish conquistador Vasquez de Coronado encountered on the High Plainsto the Tejanos of South Texasto the Texians of the fledgling republicto the Texans of today. This richness, the layered historical panorama of past and present Texas, is the subject of the Portable Handbook of Texas.

The Reader's Companion to American History

The Best Bike Rides "TM" series offers moderate to serious tours for the avid cyclist with the same profile details as Short Bike Rides "TM" -- including maps, directions, and pit-stop information.

Texas Test Prep, Grade 3

The story of Texas is the story of struggle and triumph in a land of extremes. It is a story of drought and flood, invasion and war, boom and bust, and of the myriad peoples who, over centuries of conflict, gave rise to a place that has helped shape the identity of the United States and the destiny of the world. “I couldn’t believe Texas was real,” the painter Georgia O’Keeffe remembered of her first encounter with the Lone Star State. It was, for her, “the same big wonderful thing that oceans and the highest mountains are.” *Big Wonderful Thing* invites us to walk in the footsteps of ancient as well as modern people along the path of Texas’s evolution. Blending action and atmosphere with impeccable research, New York Times best-selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas, including Spanish explorers, American filibusters, Comanche warriors, wildcatters, Tejano activists, and spellbinding artists—all of them taking their part in the creation of a place that became not just a nation, not just a state, but an indelible idea. Written in fast-paced prose, rich with personal observation and a passionate sense of place, *Big Wonderful Thing* calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War. Like those volumes it is a big book about a big subject, a book that dares to tell the whole glorious, gruesome, epically sprawling story of Texas.

Lonely Planet Texas

By the time of the Civil War, the railroads had advanced to allow the movement of large numbers of troops even though railways had not yet matured into a truly integrated transportation system. Gaps between lines, incompatible track gauges, and other vexing impediments remained in both the North and South. As John E. Clark explains in this compelling study, the skill with which Union and Confederate war leaders met those problems and utilized the rail system to its fullest potential was an essential ingredient for ultimate victory.

The Gettysburg Address

Test with success using Texas Test Prep! This book features essential test practice in reading, math, and language for students in grade 3 and provides the most comprehensive strategies for effective TAKS test preparation. Today, more than ever, students need to be equipped with the skills required for school achievement and success on proficiency tests. The book includes suggestions for parents and teachers, answer keys, progress charts, self-assessment exercises, and scoring rubrics. This 168-page book aligns with state and national standards, is perfect for use at home or in school, and is favored

by parents, homeschoolers, and teachers.

Great Civil War Projects

Railroads in the Civil War

Although the New Mexico Territory was far distant from the main theaters of war, it was engulfed in the same violence and bloodshed as the rest of the nation. The Civil War in New Mexico was fought in the deserts and mountains of the huge territory, which was mostly wilderness, amid the continuing ancient wars against the wild Indian tribes waged by both sides. The armies were small, but the stakes were high: control of the Southwest. Retired lieutenant colonel and Civil War historian Dr. Walter Earl Pittman presents this concise history of New Mexico during the Civil War years from the Confederate invasion of 1861 to the Battles of Valverde and Glorieta to the end of the war.

The Portable Handbook of Texas

Custer at the Alamo

Mini Vacations, USA

Ryal (Royal, Riley) Woodall was born in 1828 in Johnston Co., North Carolina and married Mary Dollahite in DeSota County, Mississippi in 1849. They moved to Harmony Hill, Panola Co., Texas. He fought in the Civil War, and died in 1865.

Slavery to Integration

New Mexico and the Civil War

Preserving Early Texas History

In late 1833 Mexico began to have serious fears that its northeastern territory in Texas would be lost to North American colonists. To determine the actual state of affairs, Mexico sent Col. Juan N. Almonte to Texas on an inspection -- the last conducted by a high-ranking Mexican official before revolution separated Texas from Mexico. Upon his return to the Mexican capital in November 1834, Almonte wrote a secret report of the measures necessary to avoid the loss of Texas -- a report that has been unknown to scholars or the general public. Here it is presented in English for the first time, along with more than fifty letters that Almonte wrote during his inspection. This documentation offers crucial new insights on Texas affairs and will change the way historians regard Mexico's attitudes toward the foreign colonists and their revolution of 1835-1836. When Santa Anna marched an army north to crush the Texas rebellion, Almonte was by his side as a special adviser. He kept a journal, lost at the Battle of San Jacinto, which is presented here with full annotation. Almonte's role in the 1836 campaign is examined, as well as his subsequent activities that relate to Texas. Through Almonte's Texas we gain an overdue appreciation of this man who played a leading role in the history of Texas and Mexico. As James E. Crisp said in his review of this work: "This is a fascinating, revelatory, and highly satisfying book for anyone interested in the real meat of the story of the Texas Revolution -- in all its political, military and diplomatic dimensions. The editors have put Almonte in the center of this story of Texas in the 1830s and 40s, and that's exactly where he belongs. Bravo!"

The Louisiana Planter and Sugar Manufacturer

The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.

Guns of the Civil War

The Governors of Texas

Winner of the Ray Allen Billington Prize and the Phillis Wheatley Book Award "An American 'Odyssey,' the larger-than-life story of a man who travels far in the wake of war and gets by on his adaptability and gift for gab." —Wall Street Journal A black child born on the US-Mexico border in the twilight of slavery, William Ellis inhabited a world divided along ambiguous racial lines. Adopting the name Guillermo Eliseo, he passed as Mexican, transcending racial lines to become fabulously wealthy as a Wall Street banker, diplomat, and owner of scores of mines and haciendas south of the border. In *The Strange Career of William Ellis*, prize-winning historian Karl Jacoby weaves an astonishing tale of cunning and scandal, offering fresh insights on the history of the Reconstruction era, the US-Mexico border, and the abiding riddle of race in America.

Texas Politics Today

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Cattleman

From the unbridled lands of East Texas, tenacious men with diverse backgrounds came together to form the Twenty-Second Texas Infantry. Also known as Hubbard's regiment, families synonymous with the Texas Revolution joined the ranks of politicians, attorneys, farmers, and teachers. Many championed Southern values whereas some campaigned for Northern agendas. Yet, most were Texan by choice and they sought to defend their homes. The regiment's stories of triumph and sorrow intertwined with American history as the men drudged across the unforgiving lands west of the Mississippi River. They fought in the bloody encounters of Fort DeRussy, Mansfield, Pleasant Hill, and Jenkins' Ferry as life-threatening diseases complicated their service. Their ambitious marches forever tied them to the story of Texas during the Civil War.

The West Texas Historical Association Year Book

Knowing his people face a bleak future on the reservations, Chief Sitting Bull prays to the Great Spirit for a different path. The Great Spirits answer is to send General George Custer and the Seventh Cavalry 40 years into the past, where they join Davy Crockett to defend the Alamo against Mexican forces under the command of General Antonio Lpez de Santa Anna. Custer believes defending the Alamo may be his greatest moment of glory, but he soon learns that this war for Texas independence will prove far more complicated.

The Best Bike Rides in Texas

From rural towns to mid-size cities to urban metropolises and in every region of the state, more than sixty historic hotels welcome overnight lodgers in Texas. After traveling at least 20,000 miles to visit these unique accommodations first-hand, author Liz Carmack has written the essential guide for anyone looking for out-of-the-ordinary lodging or travel destinations. Historic Hotels of Texas includes detailed profiles of sixty-four hotels that are at least fifty years old, have been in operation as places of lodging for the majority of their existence, and are still open today. Ranging from stagecoach inns and railroad hotels to resort and community-built lodging, some facilities have retained the flavor of their origins; others have become sleek commercial establishments or have been transformed into trendy, boutique locations. Anticipating the diverse interests of travelers, Carmack offers advice in her introduction to help readers choose hotels according to taste and occasion. Whether you're looking for a romantic getaway, booking a fishing trip, planning a ghost hunting excursion, or going on a cycling tour, Historic Hotels of Texas offers the perfect lodging option to complement your interests. In her description for each hotel, Carmack includes fascinating historical nuggets and focuses on special characteristics that create the unique ambience so often found in these living tributes to the past. An "Essentials" sidebar includes contacts for reservations, room rates, payment methods, parking, and pet accommodations as well as details about amenities and facilities. The author notes the hotel's historic registration status and also offers a tip or two from her experiences. Together, the information summaries and insider tips give readers the details they need to choose the hotels that best suit their tastes and to make the most of their visits. Historic Hotels of Texas is indispensable for travelers interested in both a good night's sleep and the culture and history of the great state of Texas.

The Strange Career of William Ellis: The Texas Slave Who Became a Mexican Millionaire

From periscopes to homemade paper, uniforms to telegraphs, Great Civil War Projects You Can Build Yourself explores the Civil War era through hands-on building projects and activities using common household and craft store items. Detailed step-by-step instructions, diagrams, and templates for creating 25 Civil War projects, combined with historical background, facts and anecdotes, and biographies and trivia, give kids a hands-on way to experience the fascinating history of one of the most important eras in American history.

Texas Trade Review and Industrial Record

An A-to-Z historical encyclopedia of US people, places, and events, with nearly 1,000 entries “all equally well written, crisp, and entertaining” (Library Journal). From the origins of its native peoples to its complex identity in modern times, this unique alphabetical reference covers the political, economic, cultural, and social history of America. A fact-filled treasure trove for history buffs, The Reader’s Companion is sponsored by the Society of American Historians, an organization dedicated to promoting literary excellence in the writing of biography and history. Under the editorship of the eminent historians John A. Garraty and Eric Foner, a large and distinguished group of scholars, biographers, and journalists—nearly four hundred contemporary authorities—illuminate the critical events, issues, and individuals that have shaped our past. Readers will find everything from a chronological account of immigration; individual entries on the Bull Moose Party and the Know-Nothings as well as an article on third parties in American politics; pieces on specific religious groups, leaders, and movements and a larger-scale overview of religion in America. Interweaving traditional political and economic topics with the spectrum of America’s social and cultural legacies—everything from marriage to medicine, crime to baseball, fashion to literature—the Companion is certain to engage the curiosity, interests, and passions of every reader, and also provides an excellent research tool for students and teachers.

Sires and Sons

My passion for writing is based on both my parents’ love of early South Texas and northern Mexico history. My father was quite good at sharing oral history stories and for that reason I dedicate this book to him. Equally important, my mother, Maria de la Luz Sánchez Uribe de López was also gifted in recalling the stories she heard as a child. In both Spanish and

English, she had tremendous communication abilities in vividly remembering stories about our ancestors.

The History of the Woodall, Dollahite, Miles, Kuykendall Families in East Texas

Black Americans arrived in West Texas in the early sixteenth century and nearly five centuries later continue to contribute to the region that shares so many characteristics with the western United States. Despite that distinguishing feature, no published study covers the lives of African Americans in West Texas. This volume, *Slavery to Integration: Black Americans in West Texas*, seeks to fill that gap. *Slavery to Integration* consists of twelve articles depicting the basic themes and topics of the black American experience in West Texas. Drawing articles from the *West Texas Historical Association Year Book*, the editors, Bruce A. Glasrud, Paul H. Carlson, and Tai D. Kreidler, selected well-written and enjoyable articles on the basis of chronology, topic, readability, scholarship, and interest. They include such topics as slavery, black cattlemen, buffalo soldiers, race relations, urban centers, education, desegregation, and integration. Read individually, each article explores an important aspect of African American history in West Texas and, read in aggregate, they cover black West Texas history broadly.

Theater of a Separate War

Texas Highways

Short biographies with photos of all the governors of Texas during its French, Spanish, and Mexican periods, its interval as a Republic, and its statehood.

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971

Though its most famous battles were waged in the East at Antietam, Gettysburg, and throughout Virginia, the Civil War was clearly a conflict that raged across a continent. From cotton-rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico, the trans-Mississippi theater was site of major clashes from the war's earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865. In this comprehensive military history of the war west of the Mississippi River, Thomas W. Cutrer shows that the theater's distance from events in the East does not diminish its importance to the unfolding of the larger struggle. Theater of a Separate War details the battles between North and South in these far-flung regions, assessing the complex political and military strategies on both sides. While providing the definitive history of the rise and fall of the South's armies in the far West, Cutrer shows, even if the region's influence on the Confederacy's cause waned, its role persisted well beyond the fall of Richmond and Lee's surrender to Grant. In this masterful study, Cutrer offers a fresh perspective on an often overlooked aspect of Civil War history.

A Pictorial History of Texas, from the Earliest Visits of European Adventurers, to A.D. 1885

Two dynastic lines of pioneers, the Kings and the Woodses, led by three generations of intrepid women, brave wars, criminals, nature and the Klan to survive on the Texas plains. Reprint. NYT.
