1917 Pulitzer Prize-winner is widely regarded as one of the most outstanding studies — and first unbiased history — of the Civil War. "very attractive volume." — American Historical Review. Notes. 2 maps. Introduction.

Slavery and the Civil War

Civil War Films for Teachers and Historians discusses teaching the Civil War through film. The book is comprised of four chapters that examine various topics surrounding effective methods in teaching the Civil War through the use of film. Topics in this book include the appropriate method for incorporating film into the curriculum, relevant legal issues surrounding film use, educational benefits of film use, and a brief history of the Civil War on film. The heart of the book includes a detailed filmography of nearly 100 movies that pertain to the Civil War. In addition, the book includes a detailed interview with James McPherson, the Pulitzer Prize winning author of *Battle Cry Freedom: The Civil War Era*.

The Pictorial Field Book of the Civil War in the United States of

America

History of the Civil War, 1861-1865

Civil War Films for Teachers and Historians

Complemented by maps and photographs, a comprehensive overview of America's hallowed Civil War battlefields offers detailed descriptions of the landmarks, attractions, history, and more of such locales as Gettysburg, Antietam, Shiloh, Vicksburg, Cold Harbor, and Chickamauga, among others. Original. 75,000 first printing.

AT ANCHOR: A STORY OF OUR CIVIL WAR.

Concept-Based Curriculum and Instruction for the Thinking Classroom

Building Vocabulary from Word Roots provides a systematic approach to teaching

vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 11 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

Recollections of the Civil War

Describes conditions for the civilians in both North and South during and immediately after the war.

Lincoln's Last Days

Civil War Sisterhood

The Pictorial Field Book of the Civil War in the United States of America

"This book presents a constitutional history of the Civil War era by focusing on Justice Benjamin Robbins Curtis (1809-1874)." --pref.

The Confederate Soldier in the Civil War, 1861-1865

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Civil War in America

During the Civil War, thousands of wounded Union soldiers and Confederate prisoners convalesced in a general army hospital in rural Portsmouth Grove, Rhode Island. Because of its location on the periphery of the action, the hospital has remained a footnote to the dramatic sweep of Civil War literature. However, its history and the experiences of the doctors, nurses, patients and guards that gave it life provide a new perspective on the interaction between the army and society in wartime and on life in Civil War America. This in-depth account also explores the barbarities of medicine, daily routine in a general army hospital, the role of citizens in providing aid, the later adventures of former patients and staff, and the final resting places of those who died on the grounds.

Rhode Island's Civil War Hospital

Civil War Memories is a collection of nineteen stories of the Civil War written in the late 1800's, giving them a ring of authenticity. The voices are both Northern and Southern, male and female, angry and melancholy, serious and comic; but they all treat the Civil War as a watershed in American history and in the lives of those who lived through it.

Woman's Work in the Civil War

Lincoln's Last Days is a gripping account of one of the most dramatic nights in American history—of how one gunshot changed the country forever. Adapted from Bill O'Reilly's bestselling historical thriller, *Killing Lincoln*, this book will have young readers—and grown-ups too—hooked on history. In the spring of 1865, President Abraham Lincoln travels through Washington, D.C., after finally winning America's bloody Civil War. In the midst of celebrations, Lincoln is assassinated at Ford's Theatre by a famous actor named John Wilkes Booth. What follows is a thrilling chase, ending with a fiery shoot-out and swift justice for the perpetrators. With an unforgettable cast of characters, page-turning action, vivid detail, and art on every spread, *Lincoln's Last Days* is history that reads like a thriller. This is a very special book, irresistible on its own or as a compelling companion to *Killing Lincoln*.

Harper's Pictorial History of the Civil War

The Great Civil War of the Times of Charles I. and Cromwell

Among the more frequent and most devastating of conflicts, civil wars—from Yugoslavia to Congo—frequently reignite and even spill over into the international sphere. Given the inherent fragility of civil war peace agreements, innovative approaches must be taken to ensure the successful resolution of these conflicts.

Strengthening Peace in Post-Civil War States provides both analytical frameworks and a series of critical case studies demonstrating the effectiveness of a range of strategies for keeping the peace. Coeditors Matthew Hoddie and Caroline A. Hartzell here contend that lasting peace relies on aligning the self-interest of individuals and communities with the society-wide goal of ending war; if citizens and groups have a stake in peace, they will seek to maintain and defend it. The rest of the contributors explore two complementary approaches toward achieving this goal: restructuring domestic institutions and soft intervention. Some essays examine the first tactic, which involves reforming governments that failed to prevent war, while others discuss the second, an umbrella term for a number of non-military strategies for outside actors to assist in keeping the peace.

Civil War Road Trip, Volume I: A Guide to Northern Virginia, Maryland & Pennsylvania, 1861-1863: First Manassas to Gettysburg

The new, amazingly detailed, and thorough guide from the author of The Complete Civil War Road Trip Guide. Although the Civil War was fought across America, the most captivating events for history buffs seem to be those that occurred in the relatively small region surrounding the two wartime capitals, Washington, DC, and Richmond, Virginia. In The Civil War Road Trip: A Guide to Northern Virginia,

Maryland, and Pennsylvania, author Michael Weeks takes you on complete tours of every major military campaign in the region during the first two years of the war, from First Manassas in 1861 to Gettysburg in 1863. Weeks has visited every site included here, learning their vibrant stories and driving thousands of miles to bring readers the most accurate information. Detailed directions and maps for your own road trip, along with a blow-by-blow history of each campaign, will guide you to and through some of the war's most critical battlegrounds, including Fredericksburg, Antietam, and the Shenandoah Valley. Travel tips, historic lodging places, and further sources of information are also included. Fully up to date and thoroughly researched, this guidebook is indispensable for travelers interested in America's history.

Alabama and the Civil War: A History & Guide

The History of the Rebellion and Civil-war in Ireland

Civil War Road Trip, Volume II: A Guide to Virginia & Maryland, 1863-1865

U.S. History

The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the

speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.

Drawn with the Sword

A resource compiled by a panel of expert advisors and arranged by topic covers all aspects of the Civil War and is augmented by dozens of maps, more than 100 photos and informative tables and lists. Reprint.

Slavery by Another Name

Alabama's role in the Civil War cannot be understated. Union raids into northern Alabama, the huge manufacturing infrastructure in central Alabama and the Battle of Mobile Bay all played significant parts. A number of important Civil War figures also called Alabama home. Major General Joseph Wheeler was one of the most remarkable Confederate cavalry commanders in the west. John "the Gallant" Pelham earned the nickname for his bravery during the Battle of Fredericksburg. John Semmes commanded two of the most famous commerce raiders of the war--the CSS Sumter and the CSS Alabama. Author Robert C. Jones examines the

people and places in Alabama that shaped the Civil War.

Civil War

If You Lived at the Time of the Civil War

Justice Curtis in the Civil War Era

Sketches of the heroism of individual women of the Union reveal the strong contributions of northern women to the Civil War.

The Library of Congress Civil War Desk Reference

History of the Great Civil War, 1642-1649: 1647-1649

Civil War Memories

This indispensable guide combines proven curriculum design with teaching methods that encourage students to learn concepts as well as content and skills for deep understanding across all subject areas.

HISTORY OF THE AMERICAN CIVIL WAR.

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

History of the Great Civil War, 1642-1649

Provides directions and maps for touring the sites of the Civil War's main

campaigns in Virginia and Maryland from 1863 to 1865.

Strengthening Peace in Post-Civil War States

Jeff Shaara's Civil War Battlefields

Tried by War

The author of the Pulitzer Prize-winning *Battle Cry of Freedom* shares a collection of thought-provoking essays on the Civil War, discussing the leaders of the era, the international impact of the war, slavery, the problems with the modern study of history, and other topics. UP.

United States History Grades 6-8

The Gettysburg Address

The Lost Cause

The Pulitzer Prize-winning author reveals how Lincoln won the Civil War and invented the role of commander in chief as we know it. As we celebrate the bicentennial of Lincoln's birth, this study by preeminent, bestselling Civil War historian James M. McPherson provides a rare, fresh take on one of the most enigmatic figures in American history. *Tried by War* offers a revelatory (and timely) portrait of leadership during the greatest crisis our nation has ever endured. Suspenseful and inspiring, this is the story of how Lincoln, with almost no previous military experience before entering the White House, assumed the powers associated with the role of commander in chief, and through his strategic insight and will to fight changed the course of the war and saved the Union. From the Trade Paperback edition.

Battles and Leaders of the Civil War

A study that challenges established scholarship on the history of women's public activism.
