The Confident Woman

Your life's calling is too important to let toxic people take it away. In *When to Walk Away*, Gary Thomas--bestselling author of *Sacred Marriage*--draws from biblical and modern stories to equip you with practical insights to handle toxic people in your life and live true to your God-given purpose. As Christians, we often feel the guilt and responsibility of meeting the needs of unhealthy people in our lives. Whether a sibling, parent, spouse, coworker, or friend, toxic people frequently seek to frustrate our life's calling. While you're seeking first God's kingdom, they're seeking first to distract your focus and delay your work. Instead of attempting the impossible task of mollifying toxic people, it's time we dedicate our energy to the only worthwhile effort: completing the work God has given us by investing in reliable people. It's only when we learn to say no to bad patterns that we can say yes to the good work God has planned for us. Bestselling author of *Sacred Marriage*, Gary Thomas looks at biblical examples from the lives of Jesus, Paul, and Nehemiah. Drawing from years serving as a pastor, Thomas shares modern stories and practical examples for dealing with the toxic people in our lives. Each chapter includes insightful takeaways that you can apply right away. You'll discover how to: Learn the difference between difficult people and toxic people Find refuge in God when you feel under attack Discern when to walk away from a toxic situation Keep a tender heart even in unhealthy relationships Grow your inner strength and invest in reliable people We can't let others steal our joy or our mission. It's time to strengthen our defense, learn to set healthy boundaries, and focus on our God-given purpose. It's time to know *When to Walk Away*.

What Happens When Women Say Yes to God

Lead small groups through astounding growth with principles from the best-selling books *How People Grow* and *Boundaries*. No matter what need brings a group of people together—from marriage enrichment to divorce recovery, from grief recovery to spiritual formation—members are part of a small group because they want to grow. This book by psychologists Henry Cloud and John Townsend provides small-group leaders with valuable guidance and information on how they can help their groups to grow spiritually, emotionally, and relationally. With insights from their best-selling book *How People Grow*, Cloud and Townsend show how God's plan for growth is made up of three key elements: grace plus truth plus time. When groups embrace those elements, they find God's grace and forgiveness and learn how to handle their imperfections without shame as they model God's love and support to one another. In addition to describing what makes small groups work, *Leading Small Groups That Help People Grow* explains the roles and responsibilities of both leaders and group members. Employing tenets from the book *How People Grow*, this book equips leaders to understand the ins and outs of how to promote growth, and using principles from their best-selling book *Boundaries*, they show how to identify and find solutions for common problems such as boredom, noncompliance, passivity, aggression, narcissism, spiritualization, over-neediness, over-giving, and nonstop talking.

The Dark Side of Technology

We learn in childhood to hide from pain, and often continue hiding our hurt from God and others in adulthood. Here Townsend presents a scriptural approach to help us identify these unhealthy withdrawal patterns and find healing, freedom and security in connected, grace-filled relationships. Includes discussion guide.

People Fuel

An easy-to-use workbook allows readers to more effectively work through the boundaries concepts in their dating life.

Dangerous Surrender

Boundaries in Dating offers illuminating insights for romance that can help you grow in freedom, honesty, and self-control as you pursue a healthy dating relationship that will lead to a healthy marriage. Dating can be fun, but it's not easy. Meeting people is just one concern. Once you've met someone, then what? What do you build? Nothing, a simple friendship, or more? How do you set smart limits on physical involvement? Financial involvement? Individual responsibilities? Respected counselors, popular radio hosts, and bestselling authors Henry Cloud and John Townsend apply the principles described in their Gold Medallion Award-winning *Boundaries* to matters of love and romance. Helping you bridge the pitfalls of dating, *Boundaries in Dating* unfolds a wise, biblical path to developing self-control, freedom, and intimacy in the dating

process. *Boundaries in Dating* will help you to think, solve problems, and enjoy the journey of dating, increasing your abilities to find and commit to a marriage partner. Full of insightful, true-life examples, this much-needed book includes such topics as: Recognizing and choosing quality over perfection in a dating partner How to ensure that honest friendship is one vital component in a relationship Preserving friendships by separating between platonic relationships and romantic interest Moving past denial to deal with real relational problems in a realistic and hopeful way . . . and much more! Plus, check out *Boundaries* family collection of books dedicated to key areas of life - marriage, raising kids, parenting teens, and leadership. Workbooks and Spanish editions are also available.

Boundaries in Dating

As a leader, your decisions are critical. They have a significant effect on you and everyone around you. But the effective leader needs to have more than just logic, facts, and financials to help make the best choices. Leaders also must access their own intuition, that gut feeling inside. Dr. John Townsend knows that a leader's internal world—the world of intuition, creativity, emotion, and spirituality—is just as important as the external world of data and best practices. Who you are on the inside determines your success as a leader even more than the things you do or the things you know. “You were designed with both an external world and an inner world,” Townsend says, “and they work well together. Accessing both of these areas will take a little knowledge and a little work, but it will help you be the leader you want to be.” In *Leading from Your Gut*, you'll learn how leaders excel not just through external competencies and skills but by drawing on their internal world and personal experience. You'll explore how to harness the power of your values, thoughts, emotions, and relationships to better meet the complex demands of leadership. As you apply Townsend's principles, you will see great results in your leadership. But more importantly, you'll experience the kind of personal transformation that will enable you to lead as a whole person. *Leading from Your Gut* will help emerging and veteran leaders alike to hone their intuition and become the leader they were meant to be.

Boundaries Workbook

Following the author as she travels the globe to see firsthand how AIDS is destroying men, women, and children, a powerful book captures her passion and determination to make a difference as she exchanges her agenda for God's--and dares others to do the same.

Changes That Heal

Too many of us have invested ourselves into relationships that left us deeply wounded. We've been abandoned or taken

advantage of, and left with little to show for what we've given. We've lost our sense of security and personal value in the process. And what's worse, we tend to either repeat the same mistakes of judgment over and over . . . Or else lock the doors of our hearts entirely and throw away the key. Why do we choose the wrong people to get involved with? Is it possible to change? And if so, where does one begin? Drs. Henry Cloud and John Townsend offer solid guidance for making safe choices in relationships, from friendships to romance. They help identify the nurturing people we all need in our lives, as well as ones we need to learn to avoid. *Safe People* will help you to recognize 20 traits of relationally untrustworthy people. Discover what makes some people relationally safe, and how to avoid unhealthy entanglements. You'll learn about things within yourself that jeopardize your relational security. And you'll find out what to do and what not to do to develop a balanced, healthy approach to relationships.

Unlocking Your Family Patterns

Do you long for a true friend? "Isn't that what we all want? To be seen, in all our glory, for better or worse, the good, the bad, and the ugly and still be embraced?" If only such friendships were easy to find. And keep. For Lisa Whelchel and millions of others, friendship is a challenge. The vulnerability, trust, balance, grace, and time required to develop and maintain strong friendships do not come easily. Growing up as an actress in Hollywood, there were few people Lisa could trust, and even fewer to guide her. By the time she reached adulthood, she had learned to be self-sufficient. She was strong, she was "safe," and she was lonely. One day, Lisa found that "the desire to experience connection was stronger than the desire to be safe." She determined right then to finally understand friendship: how to create one, sustain it, and experience the sheer joy of having it. But it wasn't easy. Since then, she has traveled the ups and downs of friendship, learning about herself, others, and the kinds of friendship God designed. A speaker, teacher, and compelling storyteller, Lisa writes from her heart and her head, sharing her story and helping women understand how to cope with the strengths and weaknesses of friendship, and basing all her advice on the foundation of our ultimate relationship with the Savior.

The Law of Happiness

The Dark Side of Technology is aimed at a mass market of intelligent people who are concerned about human progress, interested or amused by many of the unexpected consequences of technological advance, and probably unaware of the dangers which we are accruing for ourselves. Although the book spans a very wide spectrum of ideas, no previous scientific knowledge is required. Other books have focussed on different topic areas, but none have previously presented the generality of the patterns across medicine to agriculture, electronics, communications, a global economy and a burgeoning population. Technology invariably advances faster than our understanding of side effects, or our realisation that we have become vulnerable to natural events that could eliminate advanced nations, nor that mutagenic changes may not

be apparent for one or two generations. This is therefore both an alarm call and a guide to survival.

Hiding from Love

In this life-changing book, you'll learn ten pathways of success that will help you redirect your mistakes and make way for success – physically, personally, and spiritually. Everyone makes mistakes, big and small. Sometimes our mistakes take us down the wrong path and send us spiraling into destructive life patterns, and sometimes we learn a lesson and never make the same mistake again. But how? How do we recognize our destructive patterns, make new choices, and then follow through? In *Never Go Back*, bestselling author Dr. Henry Cloud shares ten doorways to success – and once we walk through these new pathways, we never go back again. His proven method – based on grace, not guilt – outlines ten common life patterns that sabotage success and lays out clear, concrete steps you can take to overcome them. You'll see your relationships flourish, your personal life enhanced, and your faith strengthened. Dr. Cloud's powerful message reveals doorways to understanding – once you enter them, you will get from where you were to where you want to be. With a winning combination of eternal principles, spiritual wisdom, and modern scientific data, *Never Go Back* will put your heart in the right place with yourself and with God.

Handling Difficult People

All growth is spiritual growth. Authors Drs. Cloud and Townsend unlock age-old keys to growth from Scripture to help people resolve issues of relationships, maturity, emotional problems, and overall spiritual growth. They shatter popular misconceptions about how God operates and show that growth is not about self-actualization, but about God's sanctification. In this theological foundation to their best-selling book *Boundaries*, they discuss:

- What the essential processes are that make people grow
- How those processes fit into a biblical understanding of spiritual growth and theology
- How spiritual growth and real-life issues are one and the same
- What the responsibilities are of pastors, counselors, and others who assist people in growing—and what your own responsibilities are in your personal growth

Who's Pushing Your Buttons?

The best-selling book *God Will Make a Way* by Drs. Cloud and Townsend clearly illustrates the often-surprising ways God shows up and addresses our problems in ways we never dreamed possible. This new companion workbook goes even

deeper to help readers thrive relationally, emotionally, and spiritually--especially in difficult times.

The One-Life Solution

Full of practical tips and how-tos, this book will help you make your relationships better, deepen your intimacy with people you care for, and cultivate more love, understanding, and respect between you and others. Successful people confront well. They know that setting healthy boundaries improves relationships and can solve important problems. They have discovered that uncomfortable situations can be avoided or resolved through direct conversation. But most of us don't know how to have difficult conversations, and we see confrontation as scary or adversarial. Authors Henry Cloud and John Townsend take the principles from their award-winning and bestselling book, *Boundaries*, and apply them to a variety of the most common difficult situations and relationships in order to: Show how healthy confrontation can improve relationships Present the essentials of a good boundary-setting conversation Provide tips on preparing for the conversation Show how to tell people what you want, stop bad behavior, and deal with counterattack Give actual examples of conversations to have with your spouse, your date, your kids, your coworker, your parents, and more! This book is a practical handbook on positive confrontation that will help you finally have that difficult conversation you've been avoiding. Includes a discussion guide.

Our Mothers, Ourselves

Discusses the creation of healthy boundaries and reinforced consequences to help children develop a sense of accountability for their own lives.

Rescue Your Love Life

Full of stories, clinical advice, and accessible takeaways, *People Fuel* outlines the twenty-two relational nutrients we all need to cultivate good relationships that provide energy, focus, and the support you need to succeed. We all need more energy, the vitality that helps us stay motivated, focused and productive in life. We know we receive energy from good nutrition, along with working out, adequate sleep and maintaining positivity. But there is another major source for the energy we need: having the right kinds of relationships with others. Not the ones that drain us, but the ones that refuel us. In his new book, Dr. John Townsend, psychologist, leadership expert and coauthor of the New York Times bestselling *Boundaries*, shows you how we need the fuel of "Relational Nutrients" from others, and, in turn we can then provide them to others. Our bodies require physical nutrients to stay healthy. If we don't take enough iron, we can develop anemia. Too little calcium can lead to bone disease. In the same way, John identifies the key Relational Nutrients that we need. As we experience these critical elements from others, we grow mentally and emotionally more sharp and healthy. And as we give

these elements back, others benefit as well. Finally, Dr. Townsend details the specific types of people who can either be energy sources or energy drains, and gives concrete steps to help you cultivate relationships with those who will help you be all you were meant to be. The person who taught you how to have boundaries now helps you to experience the best from those people you have allowed into your boundaries.

Boundaries with Kids

The phenomenal bestseller, *The Secret*, tapped into a spiritual hunger present in our society, revealing the Law of Attraction as a way to improve your life and find harmony with universal energies. Dr. Cloud builds on these ideas by offering a positive Christian interpretation of the thinking found in that book. By comparing ideas and concepts in *The Secret* with biblical scripture, he points readers to the Creator of the universe as the source of all power, offering twenty spiritual truths that hold within them the secrets of happiness, relationships and purpose. Yet even among those who claim a Christian faith, these truths often lie dormant and untapped within the soul. *The Secret Things of God* will help readers unlock the secret treasures God has for them, and gives guidance on how to activate these truths in our lives.

Making Small Groups Work

Using new scientific research and ancient biblical truths, reveals how to close the happiness gap and attain personal joy.

The Secret Things of God

Let's face it, hard as we try, none of us can avoid contact with difficult people in life. Some people just seem to make life hard for everyone, causing conflict and stress wherever they are. Often they aren't even aware of their effect on others around them, including you! Bestselling author and noted relationship expert, Dr. John Townsend, will help you better understand what makes "button pushers" act the way they do - and why it is so easy for you to allow them to bring out the worst feelings and reactions in you. He challenges you to take personal responsibility and stop responding to difficult people in ways that just don't work! He then offers a whole new repertoire of responses, including specific guidance on healthier attitudes, self-control, and verbal scripts, which will allow you to interact and negotiate with "crazy-makers" on a brand new level. No, you can't always avoid difficult people, but in learning to relate with them more effectively, you'll discover that you are becoming more and more the person God has created you to be.

Necessary Endings

Dr. Cloud can help you: contain self-destructive behavior define yourself and know who you are set limits when needed communicate effectively improve your performance at the office and outside it

Never Go Back (eBook)

End Pain. Foster Personal and Professional Growth. Live Better. While endings are a natural part of business and life, we often experience them with a sense of hesitation, sadness, resignation, or regret. But consultant, psychologist, and bestselling author Dr. Henry Cloud sees endings differently. He argues that our personal and professional lives can only improve to the degree that we can see endings as a necessary and strategic step to something better. If we cannot see endings in a positive light and execute them well, he asserts, the "better" will never come either in business growth or our personal lives. In this insightful and deeply empathetic book, Dr. Cloud demonstrates that, when executed well, "necessary endings" allow us to proactively correct the bad and the broken in our lives in order to make room for the professional and personal growth we seek. However, when endings are avoided or handled poorly—as is too often the case—good opportunities may be lost, and misery repeated. Drawing on years of experience as an executive coach and a psychologist, Dr. Cloud offers a mixture of advice and case studies to help readers know when to have realistic hope and when to execute a necessary ending in a business, or with an individual; identify which employees, projects, activities, and relationships are worth nurturing and which are not; overcome people's resistance to change and create change that works; create urgency and an action plan for what's important; stop wasting resources needed for the things that really matter. Knowing when and how to let go when something, or someone, isn't working—a personal relationship, a job, or a business venture—is essential for happiness and success. *Necessary Endings* gives readers the tools they need to say good-bye and move on.

Boundaries in Marriage

A down-to-earth plan to help us recover from the wounds of the past and grow more and more into the image of God. Many of us struggle with anxiety, loneliness, and feelings of inadequacy. We know that God created us in his image, but how can we be loving when we feel burned out? How can we be free when we struggle with addiction? Will we ever enjoy the complete healing God promises? Combining his professional expertise and personal experience, renowned psychologist Dr. Henry Cloud guides us through four basic ways to become joy-filled, mature followers of Christ: Connect more deeply with others Separate from others in healthy ways Understand the good and the bad in ourselves and others Grow into greater emotional and spiritual maturity With fascinating case studies and helpful techniques we can start using immediately, Changes That Heal reminds us that God promises to complete his good work in us. Workbook and Spanish edition also available.

It's Not My Fault

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.
