We Are the Wildcats

“Goodwillie captures the rapturous soul of a bygone Brooklyn: the songs, the sex, the bars, the youth! And then the churn of relentless change, the broken hearts, the crushing realities. But it is the searing burn of discovery that makes Kings County a true and continual delight.” —Joshua Ferris, author of *Then We Came to the End* It's the early 2000s and like generations of ambitious young people before her, Audrey Benton arrives in New York City on a bus from nowhere. Broke but resourceful, she soon finds a home for herself amid the burgeoning music scene in Williamsburg, Brooklyn. But the city's freedom comes with risks, and Audrey makes compromises to survive. As she becomes a minor celebrity in indie rock

circles, she finds an unlikely match in Theo Gorski, a shy but idealistic mill-town kid who's struggling to establish himself in the still-patrician world of books. But then an old acquaintance of Audrey's disappears under mysterious circumstances, sparking a series of escalating crises that force the couple to confront a dangerous secret from her past. From the raucous heights of Occupy Wall Street to the comical lows of the publishing industry, from million-dollar art auctions to Bushwick drug dens, Kings County captures New York City at a moment of cultural reckoning. Grappling with the resonant issues and themes of our time—sex and violence, art and commerce, friendship and family—it is an epic coming-of-age tale about love, consequences, bravery, and fighting for one's place in an ever-changing world.

And while things go from bad to worse in the world, Hell continues to be hell—especially when Betsy's new parole program becomes about as complicated as you'd expect. Afterburn & Aftershock: Afterburn / Aftershock

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When

Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust - and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defences and the intensity of their relationship grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. Hopeless is a novel that will leave you breathless, entranced, and remembering your own first love. Praise for Colleen
