Clan and Crown

Searching for a safe haven for her child sends a woman into the arms of the enemy and in the path of a revolt. All Iris Jenson wants is a safe place to raise her autistic six-year-old son Thomas. She thinks she's found it on Haven, an Earther colony located within the Kalquorian Empire's borders. Making a fresh start under the watchful eyes of Earth's former enemy has its challenges, but it also possesses opportunities to live free of fear, something Iris hasn't had in a long time. Love is an added surprise when Haven's governor Dramok Ospar and his clanmates Nobek Jol and Imdiko Rivek enter the young widow and child's lives. Trouble is brewing on Haven Colony, however. Insurgent Earthers want to free themselves of Kalquor's influence, and Kalquor itself is on the brink of a revolt, led by the shadowy figure known only as the Basma. Then a violent ghost from Iris' past reappears and threatens to snatch Thomas from those who love him. Ospar's clan races against time to save Haven from a bloody rebellion and an innocent child from the grasp of a monster.

The drug Delir is sweeping the Kalquorian Empire, leaving madness and death in its wake. Investigator Dramok Gelan has already lost his enforcer partner in a deadly shootout because of the case. With no clues or suspects, he despairs of putting an end to the epidemic. Then a familiar face enters the picture: new partner and former lover Nobek Wynhod. Wynhod never forgot the Dramok he loved seven years ago, and his assignment as Gelan's enforcer is no accident. However, Delir doesn't kill just its users; those who get in the way of its contagion die too. With the addition of a savvy criminal psychologist and a lucky break, Gelan gets too close to the truth. Imdiko Krijero is a brilliant psychologist with insight into the criminal mind. Gelan and Wynhod pierce the man's awkward facade to discover their perfect third but Krijero's broken heart from a past affair keeps them at arm's length. Can the pair convince this reluctant partner to give love a second chance? And can they save Krijero when Delir's evil mastermind discovers the psych knows his identity? This book is the prequel to Clans of Kalquor 5: Alien Slave. Contains elements of BDSM, including physical discipline, anal play/intercourse, bondage, Dom/sub play, forced seduction, multiple sexual partners and homoerotic situations (m/m/m).

Losing the one man he loved convinced Piras he would never have a chance at happiness. He is too different from the other members of the Dramok breed to attract a Nobek warrior and Imdiko nurturer to his clan. Unwilling to pretend to be someone he is not, he faces a lonely future. Nobek destroyer captain Kila's one night with Piras was a shocking revelation. Yet he can't stop thinking of the temperamental Dramok admiral he has grown to respect. A dangerous mission in the midst of Kalquor's civil war throws them together once more, and Kila must decide if Piras's needs are an obstacle or an incredible gift. Meanwhile, he has the added headache of an obstinate Imdiko chief engineer undermining his orders at every turn. Lokmi's dual breed designation of Imdiko and Dramok has caused him problems in work and personal relationships. While he coddles his ship's engines, his need to control puts him at odds with commanding Dramoks and fierce Nobeks. Dealing with hothead Admiral Piras and overbearing Captain Kila is everything Lokmi hates until he discovers his unique qualities fit their needs. Could it be that he isn't fated to walk through life alone? Three outsiders fight to save themselves, each other, and the Kalquorian Empire. Contains BDSM situations

Fighting murderous enemies. Battling each other. It's the perfect recipe for romance, Kalquorian-style. On the surface, young Dramok Ospar has it all: money, prestige, power. Yet what he dreams of most is outside his grasp. His drive to prove himself has left him lonely, with no one to turn to except the Nobek bodyguard who is decidedly unimpressed with his accomplishments. Oh, and there's the matter of the local crime syndicate trying to kill him too. Nobek Jol faces his worst security assignment ever: guarding the most irritating Dramok to draw breath. It's not that Ospar isn't handsome, intelligent, brave, and charitable. It's just that he'd be so much better gagged into silence. Temple of Life priest Imdiko Rivek wishes for inner peace and total enlightenment. He knows he won't find it in the lethal world Ospar and Jol inhabit. However, fighting the allure of the pair to achieve perfect tranquility is proving to be more difficult than he could have imagined plus the fact that their enemies think he's the perfect target to bring Ospar and Jol to heel.

Shalia's Diary

This edited collection highlights international research on domestic homicides and death reviews which are a rapidly growing intervention/prevention initiative in various countries. Chapters focus on: the impetus for the international development of such initiatives, the identification of risk factors and recommendations for improving systemic responses, the uptake and impact of these recommendations and, finally, the social and public policy implications of outcomes for developed and developing countries. Despite rapid growth, the current state of research and knowledge about domestic violence death review initiatives is limited, fragmented, and primarily descriptive, largely comprising annual public reports. The authors of this book bridge this significant gap by analysing the wide range of models currently in development and operation. A bold and important examination, this work will have a powerful impact on policy makers and scholars of social science theory, women's studies, and domestic violence.
