Writers are just like everyone else—except for one big difference. Most people go through life experiencing daily thoughts and feelings, noticing and observing the world around them. But writers record these thoughts and observations. They react. And they need a special place to record those reactions. Perfect for classrooms, *A Writer's Notebook* gives budding writers a place to keep track of all the little things they notice every day. Young writers will love these useful tips for how to use notes and

jottings to create stories and poems of their own.

From the critically acclaimed author of *Waiting for Normal* and *All Rise for the Honorable Perry T. Cook*, Leslie Connor, comes a deeply poignant and beautifully crafted story about self-reliance, redemption, and hope. Mason Buttle is the biggest, sweatiest kid in his grade, and everyone knows he can barely read or write. Mason's learning disabilities are compounded by grief. Fifteen months ago, Mason's best friend, Benny Kilmartin, turned up dead in the Buttle family's orchard. An investigation drags on, and Mason, honest as the day is long, can't understand why Lieutenant Baird won't believe the story Mason has told about that day. Both Mason and his new friend, tiny Calvin Chumsky, are relentlessly bullied by the other boys in their neighborhood, so they create an underground haven for themselves. When Calvin goes missing, Mason finds himself in trouble again. He's desperate to figure out what happened to Calvin and, eventually, Benny. But will anyone believe him? Twelve-year-old Grace and her feline best friend, Midnight, have a secret: Midnight is a ghost. But then again, so are the rest of Graces' friends. Since she's the only person in hundreds of years with the ability to see them, the many ghosts of Tansy have flocked to Grace since birth. She doesn't mind. She prefers the company of the dead to that of the cliquy kids at school. Grace is happy with her strange life, until one day, the ghosts tell her about the secret her town has hidden for centuries. There's a reason there are more ghosts than living people in Tansy. Three-hundred years ago, a lonely witch cast a spell that mistakenly trapped the

soul of every person to ever set foot in the tiny town. So when the spirits beg her to find a way to break the curse, Grace is eager to help. As she searches for answers, Grace makes discoveries about the secret her family hid for generations and a world of magic hidden in her own backyard. Grace soon realizes that if she succeeds in breaking the curse, she'll lose Midnight and all of her ghost friends, but if she fails, everyone living in Tansy will face the same fate. Can Grace break the curse before it's too late?
