The Soul's Mark: Found

In this spiritual masterpiece — a classic of Christian literature and mysticism — the author addresses pride, avarice, envy, and other human imperfections, describing methods of conversion through prayer, submission, and purification.

The Dark Night of the Soul

Now in paperback: a distinguished psychiatrist, spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep, authentic, healthy spirituality. Gerald G. May, MD, one of the great spiritual teachers and writers of our time, argues that the dark 'shadow' side of the true spiritual life has been trivialised and neglected to our serious detriment. Superficial and naively upbeat spirituality does not heal and enrich the soul. Nor does the other tendency to relegate deep spiritual growth to only mystics and saints. Only the honest, sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as 'the dark night of the soul' can lead to true spiritual wholeness. May emphasises that the dark night is not necessarily a time of suffering and near despair, but a time of deep transition, a search for new orientation when things are clouded and full of mystery. The dark gives depth, dimension and fullness to the spiritual life.

Soul Keeping

What if there was a person who was created just for you, and only you? What if there was someone out there who could satisfy ALL your needs, wants, and desires as your Perfect Partner? Would you call this person "The One?" We call them your Twin Flame, and this book will show you how to find, identify, and keep this person in your life, for life. Your Twin Flame was designed for you as your Ultimate Lover, who is destined to spend lifetime after lifetime with you in deep, passionate, everlasting love. They are your perfect companion in life as a lover, partner, friend, ally, and everything else you desire. You know them by the feeling you have for

that special someone in your heart, and who you know is out there. It's time to bring your Twin Flame from "out there," into your life. This book is designed to show you how, and what to do when you are united with your Twin Flame.

Dark Nights of the Soul

Why doesn't Batman just kill the Joker and end everyone's misery? Can we hold the Joker morally responsible for his actions? Is Batman better than Superman? If everyone followed Batman's example, would Gotham be a better place? What is the Tao of the Bat? Batman is one of the most complex characters ever to appear in comic books, graphic novels, and on the big screen. What philosophical trials does this superhero confront in order to keep Gotham safe? Combing through seventy years of comic books, television shows, and movies, *Batman and Philosophy* explores how the Dark Knight grapples with ethical conundrums, moral responsibility, his identity crisis, the moral weight he carries to avenge his murdered parents, and much more. How does this caped crusader measure up against the teachings of Plato, Aristotle, Kant, Kierkegaard, and Lao Tzu?

The Battle and Victory of the Soul

What Are You Missing? Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. Even though Pete was pastor of a rapidly growing church, he did what most people do: avoid conflict in the name of Christianity ignore his anger, sadness, and fear use God to run from God live without boundaries Eventually God awakened him to a biblical integration of emotional health, a profound relationship with Jesus, and the historical practices of contemplative spirituality. It created nothing short of a spiritual revolution, utterly transforming him and his church. In this best-selling book Pete outlines his journey and the signs of emotionally unhealthy spirituality. Then he provides seven biblical, reality-tested ways to break through to the revolutionary life Christ meant for you. Emotionally Healthy Spirituality is presently used in more than twenty-six countries to equip churches in a deep, beneath-the-surface spiritual formation paradigm that truly transforms lives.

Save the Cat

All Christians experience dark nights times when everything seems to be going wrong with them. Some wallow in despair, others learn in darkness. St. John explains the four benefits of the dark night: 1. Delight of peace. 2. Habitual remembrance and thought of God. 3. Cleanness and purity of soul. Practice of the virtues. 4. Practice of the virtues

Soul Healing Solace: Affirmations to Renew Your Heart, Mind and Spirit

The country of Alkairyn has been stained by the growing touch of a blight. Named the Shadow because of its darkness, its strength is only possible because the soul of the earth has fractured. Unaware of the power she carries, half elf Akairya is forced to flee her home city as it is destroyed by the Shadow's children, Roraks,

and dragons who have embraced the poison. Through the push of fate, Akairya comes across a dragonling, and together they stumble on a journey that will shatter their perception of spiritual identity and morality, and eventually prepare them for the battle against the highest power of the Shadow; the Shadow Lord. Though they have many questions, one burns the harshest. Will they succeed?

Good Omens

The night and popular music have long served to energise one another, such that they appear inextricably bound together as trope and topos. This history of reciprocity has produced a range of resonant and compelling imaginaries, conjured up through countless songs and spaces dedicated to musical life after dark. *Nocturnes: Popular Music and the Night* is one of the first volumes to examine the relationship between night and popular music. Its scope is interdisciplinary and geographically diverse. The contributors gathered here explore how the problems, promises, and paradoxes of the night and music play off of one another to produce spaces of solace and sanctuary as well as underpinning strategies designed to police, surveil and control movements and bodies. This edited collection is a welcome addition to debates and discussions about the cultures of the night and how popular music plays a continuing role in shaping them.

Dark Souls Game Guide

St. John of the Cross has been called "the most sublime of all Spanish mystics," and his spiritual masterwork, *Dark Night of the Soul*, stands as one of the greatest contributions to the literature of mysticism.

Dark Nights of the Soul

In this, companion volume to his worldwide bestseller, *Care of the Soul*, Thomas Moore offers a way of living in this new and confusing century. Drawing on faiths front all over the world, as well as from his own vast well of knowledge and personal experience, Moore shows its how religion can be used to embrace others, rather than exclude them. He helps its become comfortable with our doubts, and reveals a, liberating truth -- it is in the dark corners of the soul that trite faith is born. Intimate and provocative, Moore writes with the compassion of a parent and the wisdom of a trite teacher.

The Dark Night of the Soul

2019 WINNER: WRITER'S DIGEST SELF-PUBLISHED EBOOK AWARDS, CATEGORY NONFICTION The first edition ebook won first place in a Writer's Digest contest. This new edition, whether in ebook or paperback, contains the material of the award-winning book plus additional material: a dedication, foreword, acknowledgements, and a bonus essay I'm calling "The One Thing: The 5,000 Most Important Words I Have Ever Written (So Far)." Dark nights of the soul happen at the intersection of faith and depression. In 2000, I was diagnosed with clinical depression. I had been living with a depressed brain my whole life and didn't know it. How many more people are walking around sad, irritable, and cynical, and don't

even know why? Or maybe they have a reason, but it hits them harder than most people. How many more feel this underlying sorrow and think it's normal? How many more think they can't be (or shouldn't be) depressed, because a personal relationship with Jesus is supposed to make you immune to it? I started a blog in 2015. In this book, I've collected the posts that speak to recovery from depression. The book includes: - A look inside the mind of someone with clinical depression - 4 Principles for Recovery (that came from hard experience) - Understanding the voice of the depressed brain (and how to fight back) - 22 scientifically proven ways to help cope with and alleviate depression - How faith and religion can either help or hurt your recovery - Resources for finding professional help. Recovery is one day at a time. After twenty years of one day at a time, I can say a happy and fulfilling life is possible, even if your depressed brain colors everything in gray.

Dark Nights of the Soul

In this profound and intelligent book, Fiona Robertson acts as companion and guide through the dark night of the soul or spiritual emergency. Capturing the essence of the dark night journey with compassion and clarity, she has created an evocative, inspiring work to give succour to all those who are touched by the dark night.

The Dark Night of the Soul

This revised edition of The Collected Works of St. John of the Cross was produced to mark the fourth centenary of the death of St. John of the Cross (1542–1591). The result is an English translation of his writings that preserves the authentic meaning of the great mystic's writings, presents them as clearly as possible, and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor. Included in The Collected Works are St. John's poetry, The Ascent of Mount Carmel, The Dark Night, The Spiritual Canticle, and The Living Flame of Love, as well as his extant letters and other counsels. More Information: In addition to the respective page listings in the contents, this new edition features gray page tabs that separate the individual works, enabling the reader to more easily locate a desired section of the book. Complementing St. John's writings are a comprehensive General Introduction for the entire work, as well as brief, enlightening introductions for each specific work, explaining theme and structure. These are enhanced by new and expanded footnotes, a glossary of terms, and general and scriptural indices. About the Translators Kieran Kavanaugh, O.C.D. Father Kieran, a native of Milwaukee, Wisconsin, made his profession as a Discalced Carmelite in 1947. He has held several important positions within the order, including prior, formation director, and provincial councilor. A founding member of the Institute of Carmelite Studies, he subsequently served as its chair, as well as publisher of ICS Publications. Father Kieran's major contributions in the field of Carmelite studies are his translations from the Spanish of the works of St. Teresa of Jesus and St. John of the Cross, in collaboration with Father Otilio Rodriguez. He also was the English translator of God Speaks in the Night: The Life, Times and Teaching of St. John of the Cross, a pictorial biography of St. John of the Cross commemorating the 400th anniversary of his death, published in several languages. In addition to translations, Father Kieran is also the author of two ICS Publications' study editions of the works of St. Teresa, and has written several other books on St. Teresa and

St. John of the Cross. Father Kieran has lectured and written widely on the teaching of both of these Carmelite saints. He is a member of the Discalced Carmelite community in Washington, D.C. Otilio Rodriguez, O.C.D. Father Otilio was born in Mantinos, Palencia, Spain, and was a Carmelite for more than fifty years. He was provincial of the Burgos province several times and also served as rector of the Discalced Carmelites' international pontifical theological faculty, the Teresianum, in Rome. Father Otilio was one of the founders of the Institutum Historicum Teresianum and was a member of the Institute of Carmelite Studies. Both internationally and throughout the United States he gave retreats and lectures on Carmelite history and spirituality and wrote extensively on Carmelite subjects. Father Otilio died in Rome in 1994.

Soul to Soul (RUSH, Inc. Book 2)

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick."—Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

The Rime of the Ancient Mariner

Dark Night of the Soul

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-directing, fragile, indestructible, controversial, expensive dimension of your existence. Jesus said it's worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won't be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.

Nocturnes: Popular Music and the Night

The Dark Night of the Soul is deeply excruciating, yet hauntingly beautiful spiritual

transformational process. It is what the experts call a partial ego death. During this process, you will feel devastated, isolated, and confused. You won't be able to relate to anyone- not even yourself. It's not a depression, it's an amazing spiritual rite of passage that your soul chose prior to incarnation, in order to ascend into higher levels of consciousness. The entire premise of the Dark Night is to strip you of everything that you know and so that you can re-align with your true brilliant divine essence. That's it. Simply put, to just show you the incredible being that you are and that there is no separation. There is only love and oneness. This journal is absolutely very personal to me and I wanted to be able to help people who are going through this. It's literally the most difficult time (most likely) that you will ever endure, but I promise the rewards when you transcend it make every painful moment worth it. The Dark Night is usually triggered a big emotional event. For me, it was when my mother died. Thirteen months later, after I gave up trying to 'be someone', trying to 'do anything' trying in any respect, my Dark Night ended. I was done, done, done, done, done. I was 'done' dozens of times before but this was the big 'done'. I didn't care about anything anymore. I was just going to 'be'. I woke up the next morning with the darkness gone, and only light permeated me. I was ecstatic and filled with so much love and joy. Love for life, love for the process, and most importantly- love for myself. That morning, the poem just entered my head and I grabbed a pen and wrote it down. It very accurately describes the immense agonizing inner turmoil of the Dark Night, and it also presents you with the keys to transcend it. It is my greatest dream that this journal will help ease your pain and help you through this leg of your ascension process more easily. This journal addresses the 'big questions' and helps track your emotions. The Dark Night will get you to connect with, bring light and loving awareness to, and heal any shadows. It will tear away your reality and the constructs of your own belief system. It will literally bring you to your knees and to the brink of your own existence. It will rip away your conditioning and leave you in the darkness to find your own inner light. It's so beautiful. You will have the most amazing connection back to yourself and source afterward that you could possibly ever imagine. Trust that there is a higher purpose to this. Your soul is ready. You can do it! You will be so joyful when you do. Also, life is meant to be enjoyed. The Dark Night gets you to relax and enjoy more as well. You will be wanting to treat yourself so kindly and have so much fun. There are trained professionals who specialize in the Dark Night of the Soul that you can seek out. This is the Dark Night of the Soul that St. John of the Cross, Jesus, and Mother Theresa went through.

Dark Night of the Soul

Night lasts a thousand hours. Forty sleeps--an endless desert of time when no one cares what happens to you until day. Helene has given up. Only concern for her sister's grave medical condition tethers her to the world she dreams of escaping through death. If only she could bring herself to end it. Caught out at night getting medicine for her sister, Helene is captured and taken as a slave for Gabriel, the mysterious ruler of the city. "Helene, I will take your struggle away. I will bring you back to life."

Batman and Philosophy

Explains how to use times of challenge, disappointment, illness, and dissatisfaction

as an opportunity to explore the soul's deepest needs in order to provide healing and a new understanding of the meaning of life.

The Dark Night of the Soul

Ready for your spirit to feel whole again? These daily meditations provide trauma survivors with a daily experience of the emotional and spiritual healing that our soul wants for us. Based on years of counseling and spiritual coaching of survivors of all types of traumas, the authors invite readers to a daily healing and empowering connection to their soul and conscious contact with their Higher Power. Peace is an inside job. Deep within you is an indestructible soul whose voice and divine spark can speak the wisdom you need and prove the light to illuminate even the dark places and shadowy paths of your life journey. For many survivors of trauma and abuse, the emotional and spiritual wounds of your trauma can drown out the small, still voice of your soul and block your view of its light. But the dark night of trauma is no match for the inner light of your soul.

Soul Light for the Dark Night

in the World of the mentally and physically handicapped THE MYSTERIES OF AFRICA AND THE VATICAN PRO ECCLESIA CODE A PERSPECTIVE OF THE CHALLENGES OF HUMAN DISABILITIES IN THE 21st CENTURY THE BRIGHT DARK NIGHTS OF THE SOUL

Higher Thoughts

For many years I struggled to find real, lasting joy. Whenever I achieved a goal that I believed would bring me happiness I would find that the happiness I sought had moved somewhere else: to the next job, the next college degree, the next completed project, the next success. Never the current one. It was a discouraging way to live, and my dissatisfaction fueled a desire for change. Through books, mentors, good friends and spiritual guidance I learned how to transform my beliefs and thoughts and reshape the emotions and actions that determine my results and create the reality in which I live. I've experienced greater peace, fulfillment and success as I've worked to internalize these life-giving truths. I am excited to share them with you, and I hope they will bless your life as they've blessed mine.

Night Cycles

In Dark Night of the Soul, Saint John of the Cross presents for us a portrait painted from his own experience of one who advances successfully through the struggles of the spiritual life. The dark night that St John describes is not abandonment by God but special consideration from Him for those who desire to purify and perfect their souls. With a soul purified from earthly attachments, we can advance through the much quoted but oft misunderstood dark night of the souls into unity with God. By accepting the desolation and difficulty of this process, the soul cooperates with God and opens itself to receiving and revealing more perfectly God's glory. Be not afraid--Dark Night of the Soul, though austere and exacting in its instructions for holy living, is laced with St. John's charity and kindness, his love of all things

beautiful and sacred--including you.

Emotionally Healthy Spirituality

Reading St. John of the Cross's Dark Night can be daunting; living the dark experience of purification it describes can be much more so. The description of the dark nights (yes, there is more than one!) which St. John presents seems so stark and painful that one might be tempted to just close the book and stop reading. On top of that, both the process St. John describes and the language he uses can be confusing and intimidating. The language of 16th-century scholasticism is not easily understood by 21st-century readers living in a completely different culture and context. Perhaps even more challenging is that fact that our modern lives, filled with the non-stop clutter of social media and technology, as well as comfort and ease, do not prepare most of us well to honestly look into our own depths to see who we are and who we are intended to become as fully alive human beings. Fortunately we now have this helpful book to guide us to that full life which St. John invites us to in The Dark Night. Father Marc Foley here combines his own theological and psychological background, as well as his experience as a spiritual guide, to help modern readers understand the experiences, challenges, and graced events of the purifying nights of sense and spirit. In addition to exploring certain key terms that John uses in Spanish and their meaning in the saint's time and today, Father Marc includes pertinent selections from a wide range of writers, ancient to modern, that illustrate the themes he covers. Each chapter concludes with insightful questions for personal reflection or group discussion. The book has a comprehensive index.

Heart, Soul and More

The remote Scottish Highlands hold a deadly secret in this gripping supernatural thriller. When the onset of multiple sclerosis blinds photographer Mike Fletcher, his world is torn apart. Losing everything he holds dear, he heads to the Scottish wilderness to take stock and re-assess his life. But the wild has other plans in store for him. On Fletcher's first night, a freak lightning storm unearths a bizarre symbol in the building next to his croft. The symbol appears to be painted in blood, and the blood is still wet. After a local fisherman tells him the property is on a site renowned for witchcraft, Fletcher becomes uneasy, thinking his self-imposed isolation was not such a great idea. Calling on the help of an expert in the supernatural, Nathen Turner, the photographer tries to unravel the mystery and put his growing feelings of fear to rest. But, when Turner arrives at the croft, he finds Fletcher missing - simply vanished into the night. Sensing an ancient evil is at work, Turner believes some horror has been let loose on the moor, and that the consequences will be deadly unless he can find a way to stop it. Set in Whitby and the Scottish Highlands, Dark Nights of the Soul is an entertaining look at life and superstition in our remotest areas. Praise for Andrew Langley and the Nathen Turner supernatural thrillers: "Gripping and original, with unforgettable characters a frighteningly good read." - Jack Magnus for US Review Site, Readers' Favorite, awarded a 5 star review. "An enjoyably scary romp." - The BookLife Prize in Fiction. "Page-turning - I love these books." - Louise Harnby, The Book Reviewers. "Atmospheric and entertaining thriller, told with style and humour." - Karol Griffiths, Hollywood script editor. About the Author: Andrew Langley started writing

professionally over thirty years ago to accompany his work as a photojournalist. In a wide-ranging career that has seen him travel the world, his work has featured in national newspapers, a number of books and on television. With the onset of multiple sclerosis, Andrew now lives a more sedentary lifestyle, creating his new adventures on paper. *Dark Nights of the Soul* is his second Nathen Turner thriller. The first novel, *Mirror on the Soul*, was published in 2015. To discover more about the books, and read news, reviews and extracts, visit the author's website: www.andrewlangleigh.co.uk

The Dark Night of the Soul Journal

Awakening a Woman's Soul explores the modern-day woman's battle with soul hunger. Soul hunger is a deep inner longing for things to change. Our souls are calling for a shift from living a life based on how we should be and what we should do, to how we are meant to be and who we are meant to become.

The Collected Works of Saint John of the Cross

St. John of the Cross, Spanish San Juan de la Cruz, original name Juan de Yepes y Álvarez, (born June 24, 1542, Fontiveros, Spain--died December 14, 1591, Ubeda; canonized 1726; feast day December 14), one of the greatest Christian mystics and Spanish poets, doctor of the church, reformer of Spanish monasticism, and cofounder of the contemplative order of Discalced Carmelites. John became a Carmelite monk at Medina del Campo, Spain, in 1563 and was ordained priest in 1567. St. Teresa of Ávila, the celebrated mystic, enlisted his help (1568) in her restoration of Carmelite life to its original observance of austerity. A year later, at Duruelo, he opened the first Discalced Carmelite monastery. Reform, however, caused friction within the order and led to his imprisonment, first in 1576 and again in 1577 at Toledo, where he wrote some of his finest poetry. Escaping in August 1578, he later won high office in the order, becoming vicar provincial of Andalusia from 1585 to 1587. Near the end of his life, the Discalced Carmelites were again troubled by dissension, and he withdrew to absolute solitude. John schematized the steps of mystical ascent--a self-communion that in quietude leads the individual from the inharmonious distractions of the world to the sublime peace of reunion between the soul and God. John's schematization combines a poetic sensitivity for the nuances of mystical experience with a theological and philosophical precision guided by his study of St. Thomas Aquinas. By virtue of his intense poems--"Cántico espiritual" ("The Spiritual Canticle"), "Noche oscura del alma" ("The Dark Night of the Soul"), and "Llama de amor viva" ("The Living Flame of Love")--he achieves preeminence in Spanish mystical literature, expressing the experience of the mystical union between the soul and Christ. In "Noche oscura," perhaps his best-known work, he describes the process by which the soul sheds its attachment to everything and eventually passes through a personal experience of Christ's Crucifixion to his glory. The lyric consists of eight stanzas "in which the soul sings of the fortunate adventure that it had in passing through the dark night of faith to union with the Beloved." Though John reaches peaks of lyricism, he also presents the reader with considerable difficulties because his approach is rigorously intellectual. The same word may recur twice within four lines of a poem with a different symbolism on each occasion. (britannica.com)

The Bright Dark Nights of the Soul

Akairya

This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat!

A Life at Work

When Amelia Caldwell tries to begin a new life, she discovers that her birthmark means more than it seems. She has been marked by a vampire's soul; not only does she hold his soul, she is also his soulmate. Mitchell Lange has been searching almost a century for his soulmate and is determined not to let Amelia go. Since Amelia has no intention of belonging to anyone, they both become trapped on an emotional rollercoaster. As Amelia searches for answers, she becomes caught in the middle of a deadly game of revenge and is forced to realize that you can't run from destiny.

Dark Night of the Soul

Dark Night of the Soul

RUSH, INC. is a lush playground for adults offering a variety of fantasy settings. Its unique linking system was developed for the purpose of matching two or more individuals--physically, emotionally, and sexually--for optimal compatibility. RACHEL OSLUND has the same hopes for her future most young women have: to fall in love, marry, and have children. But Rachel was brutally attacked as a child, the trauma leaving her unable to tolerate being touched. Now, at the age of twenty-three, she hopes to overcome this crippling disability by working with one of RUSH's foremost instructors, Dalton Cooper--the man with magical hands who weaves a beautiful spell with every adoring caress. MICHAEL VASSEK, easygoing and ready with a smile, is a man with many secrets. He revels in the variety of sexual partners RUSH's linking system provides, but none of them knows the man beneath the charm. No one suspects the demons gnawing at his soul . . . until he meets Rachel Oslund. With pale blonde curls tumbling down to her waist and eyes as blue as a Florida sky, he's enchanted . . . then shaken by the conversation they share. Suddenly wary, he draws back. But he watches her, unable to fight an attraction that ensnares him in a way nothing else has before, returning time and again until he'll do whatever it takes to make Rachel his. Warning: This book contains explicit sex and strong language.

The Dark Night: Psychological Experience and Spiritual Reality

Love a word associated with so many emotions at once. The poems in this book retell those emotions in various ways. The emotions felt when in love, heartbroken or just looking for love all in one book speaking a language to you that you will resonate with.

Twin Flames

Night Cycles is the story of spiritual loss and rebirth, drawn from author Beth Morey's experience of that desert place Saint John of the Cross called "the dark night of the soul." Morey beckons us along as she descends into the deep yet vividly beautiful realms of mystery and unknowing, shedding layers and stale beliefs before returning to the light with vital new life and knowledge. In the tradition of mystic poets including Mark Nepo, Mary Oliver, and Rainer Maria Rilke, these textured poems from a fresh voice nourish the seeker within us all.

Awakening a Woman's Soul

Most coffee table books just sit there. If you're looking for a coffee table (or, let's be honest, a bathroom) book that not only looks pretty, but the contents of which is designed to be picked up, read, and immediately integrated with your everyday life, you've found the one. Higher Thoughts: Best of, Season One is a collection of 41 of the top essays from the top daily spirituality/creativity Medium.com publication, Higher Thoughts, hand-picked by the author, Jonas Ellison. Each essay is intended to elevate and focus the reader on their creative potential in life and work. In an era that leans predominantly to the practical side, Higher Thoughts provides a fresh contrast, focusing on the deeper questions about spirituality, creativity, love, fear, work, and life. Refreshingly whimsical and personal, this collection of essays will undoubtedly bring the reader to a higher state of mind in short order.

The Soul's Religion

"The Magic Doorway into the Divine" is both a fascinating chronicle of the life-altering mystical experience and profound healing that awakened Devrah to her true spiritual self, and set her on a path of exploration and expression far beyond anything she had ever experienced or imagined and also a thoroughly engaging, brilliantly enlightening guidebook for your own journey to spiritual freedom. It helps us take those challenges we all face - such as personal and financial losses; relationship issues; physical, mental, and emotional health concerns; spiritual emergencies - to a whole new level of consciousness bringing unconditional love, compassion, and joy to every part of our lives as we discover the Divine Spirit within.

Dialogue of St. Catherine of Siena

A job is never just a job. It is always connected to a deep and invisible process of finding meaning in life through work. In Thomas Moore's groundbreaking book Care

of the Soul, he wrote of “the great malady of the twentieth century...the loss of soul.” That bestselling work taught readers ways to cultivate depth, genuineness, and soulfulness in their everyday lives, and became a beloved classic. Now, in *A Life’s Work*, Moore turns to an aspect of our lives that looms large in our self-regard, an aspect by which we may even define ourselves—our work. The workplace, Moore knows, is a laboratory where matters of soul are worked out. *A Life’s Work* is about finding the right job, yes, and it is also about uncovering and becoming the person you were meant to be. Moore reveals the quest to find a life’s work in all its depth and mystery. All jobs, large and small, long-term and temporary, he writes, contribute to your life’s work. A particular job may be important because of the emotional rewards it offers or for the money. But beneath the surface, your labors are shaping your destiny for better or worse. If you ignore the deeper issues, you may not know the nature of your calling, and if you don’t do work that connects with your deep soul, you may always be dissatisfied, not only in your choice of work but in all other areas of life. Moore explores the often difficult process—the obstacles, blocks, and hardships of our own making—that we go through on our way to discovering our purpose, and reveals the joy that is our reward. He teaches us patience, models the necessary powers of reflection, and gives us the courage to keep going. *A Life’s Work* is a beautiful rumination, realistic and poignant, and a comforting and exhilarating guide to one of life’s biggest dilemmas and one of its greatest opportunities.

Dark Night of the Soul

Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of *The Battle and Victory of the Soul*, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. It's a spiritual wealth of hope and healing that may just bring new light to the darkest days.

Dark Night of the Soul

"The Dialogue of St. Catherine of Siena contains four of the 14th-century saint's most famous works. During periods of ecstasy, she dictated these often subtle and always insightful essays to her followers, speaking directly to other devout Christians, addressing their spiritual concerns and pitfalls with a loving, though strict compassion. Believers and students of religion will find this book, as eloquent as it is inspiring, accessible and thought-provoking. Italian affiliate of the Dominican Order CATHERINE OF SIENA (1347-1380) dedicated her life to Christ at an early age, declaring a lifelong commitment to virginity at age seven. She practiced severe mortifications of the flesh, including long periods of fasting where she ate only sacrament wafers. Most of her writings were in the form of letters, over 300 of which have survived. "
