BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. With his groundbreaking New York Times bestseller *The Sword of Shannara* and its acclaimed sequels, Terry Brooks brought a new audience to epic fantasy. Then he gave the genre a darkly compelling contemporary twist in his trilogy of the *Word and the Void*. Last year, in *Armageddon's Children*, Brooks undertook the stunning chronicle that united two unique worlds. Now that story of clashing forces of darkness and light, of Shannara's beginnings and the human race's possible end, marches forward into an unforgettable second volume full of mystery, magic, and momentous events. Across the ruined landscape that is America—hopelessly poisoned, plague-ridden, burned, and besieged by demon armies bent on exterminating all mortal life—two pilgrims have been summoned to serve the embattled cause of good. Logan Tom has journeyed to desolate Seattle to protect a ragged band of street urchins and the being known as “the gypsy morph,” who is both mortal and magical, and destined to save mankind unless he is destroyed. Likewise, Angel Perez has her own quest, one that will take her from the wreckage of Los Angeles to a distant, secret place untouched by the horrors of the nationwide blight—a place where the race of Elves has dwelled since before man existed. But close behind these lone Knights of the Word swarm the ravaging forces of the Void. As the menacing thunder of war drums heralds the arrival of the demons and their brutal minions in Seattle, the young survivors who call themselves the Ghosts are forced to brave the dangerous world of gangs, mutants, and worse to escape the invasion. And Logan Tom must infiltrate a refugee compound to rescue Hawk, the leader of the street urchins, who has yet to learn the truth about who and what he is. Meanwhile, Angel Perez has joined an equally urgent mission: to find the Ellcrys, a fabled talisman crucial to protecting the Elven realm against an influx of unspeakable evil from the dread dimension known as the Forbidding. But Angel and her Elf allies must beware—for a demon spy, with a monstrous creature at its command, walks among them. As the legions of darkness draw the noose tighter, and the time of confrontation draws near, those chosen to defend the soul of the world must draw their battle lines and prepare to fight with,

and for, their lives. If they fail, humanity falls.

The Supernaturalist

The first novel of the Black Wings urban fantasy series, by Christina Henry, author of *Alice* and *Lost Boy*. As an Agent of Death, Madeline Black is responsible for escorting the souls of the dearly departed to the afterlife. It's a 24/7 job with a lousy benefits package. Maddy's position may come with magical abilities and an impressive wingspan, but it doesn't pay the bills. And then, there are her infuriating boss, tenant woes, and a cranky, popcorn-loving gargoyle to contend with. Things start looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. Powers that place her directly between the light of Heaven, and the fires of Hell...

Vampires Dead Ahead

Winner of the L.A. Times Ray Bradbury Prize Finalist for the 2019 National Book Award The New York Times Bestseller Named a Best Book of 2019 by The Wall Street Journal, TIME, NPR, GQ, Vogue, and The Washington Post "A fantasy world as well-realized as anything Tolkien made." --Neil Gaiman "Gripping, action-packed. The literary equivalent of a Marvel Comics universe." --Michiko Kakutani, The New York Times The epic novel, an African Game of Thrones, from the Man Booker Prize-winning author of A Brief History of Seven Killings In the stunning first novel in Marlon James's Dark Star trilogy, myth, fantasy, and history come together to explore what happens when a mercenary is hired to find a missing child. Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. Engaged to track down a mysterious boy who disappeared three years earlier, Tracker breaks his own rule of always working alone when he finds himself part of a group that comes together to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-

animal known as Leopard. As Tracker follows the boy's scent--from one ancient city to another; into dense forests and across deep rivers--he and the band are set upon by creatures intent on destroying them. As he struggles to survive, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep Tracker from finding him? And perhaps the most important questions of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a novel unlike anything that's come before it: a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, *Black Leopard, Red Wolf* is both surprising and profound as it explores the fundamentals of truth, the limits of power, and our need to understand them both.

Taboo

#1 New York Times bestseller Kresley Cole introduces *The Dacians: Realm of Blood and Mist*, a new paranormal series following the royal bloodline of Dacia, a vampire kingdom hidden within the Lore of the Immortals After Dark. *Shadow's Claim* features Prince Trehan, a ruthless master assassin who will do anything to possess Bettina, his beautiful sorceress mate, even compete for her hand in a blood-sport tournament—to the death. **HE WON'T BE DENIED** Trehan Daciano, known as the Prince of Shadows, has spent his life serving his people—striking in the night, quietly executing any threat to their realm. The coldly disciplined swordsman has never desired anything for himself—until he beholds Bettina, the sheltered ward of two of the Lore's most fearsome villains. **SHE'S BOUND TO ANOTHER** Desperate to earn her guardians' approval after a life-shattering mistake, young Bettina has no choice but to marry whichever suitor prevails—even though she's lost her heart to another. Yet one lethal competitor, a mysterious cloaked swordsman, invades her dreams, tempting her with forbidden pleasure. **A BATTLE FOR HER BODY AND SOUL** Even if Trehan can survive the punishing contests to claim her as his wife, the true battle for Bettina's heart is yet to come. And unleashing a millennium's worth of savage need will either frighten his Bride away—or stoke Bettina's own desires to a fever pitch. . . .
