Twice

When my mother named me Ophelia, she thought she was being literary. She didn't realize she was being tragic. On the surface, Annie Powers's life in a wealthy Floridian suburb is happy and idyllic. Her husband, Gray, loves her fiercely; together, they dote on their beautiful young daughter, Victory. But the bubble surrounding Annie is pricked when she senses that the demons of her past have resurfaced and, to her horror, are now creeping up on her. These are demons she can't fully recall because of a highly dissociative state that allowed her to forget the tragic and violent episodes of her earlier life as Ophelia March and to start over, under the loving and protective eye of Gray, as Annie Powers. Disturbing events—the appearance of a familiar dark figure on the beach, the mysterious murder of her psychologist—trigger strange and confusing memories for Annie, who realizes she has to quickly piece them together before her past comes to claim her future and her daughter. From the Hardcover edition.

She spends her days as a stay-at-home mom, having put aside her career as a hard-hitting journalist to care for her infant daughter. But when another brutal murderer who escaped justice is found dead, Rain is unexpectedly drawn into the case. Eerie similarities to the murder of her friends’ abductor force Rain to revisit memories she’s worked hard to leave behind. Is there a vigilante at work? Who is the next target? Why can’t Rain just let it go? Introducing one of the most compelling and original killers in crime fiction today, Lisa Unger takes readers deep inside the minds of both perpetrator and victim, blurring the lines between right and wrong, crime and justice, and showing that sometimes people deserve what comes to them.

Gone Too Long

Tampa Bay joins Miami in representing the (alleged) Sunshine State in the Noir Series arena. "At last, the popular Akashic Noir series has adopted the Tampa Bay area. The notion of elevating place to the status of a character in a story, a frequent topic in writers workshops, works to maximum effect. The descriptive forays are full of observations that can only be gleaned by living here." --Tampa Bay Times "A new collection of noir fiction features all sorts of miscreants finding their way through this part of Florida." --Ocala Star Banner "[A] lively collection of superior short stories." --South Florida Sun Sentinel "For too long readers have connected Florida Noir with the admittedly fascinating locales of Miami-Dade County, thanks to a slew of talented and popular writers no doubt, but there's another major metropolitan area on the Gulf Coast that's every bit Miami's equal for bizarre noir. Tampa Bay gets a much-deserved turn in the spotlight with this new collection in the Akashic series, edited by Colette Bancroft and featuring some stellar contributions from writers out of the greater Tampa diaspora, including Michael Connelly, Tim Dorsey, Sarah Gerard, Ace Atkins, and Lori Roy." --CrimeReads, One of the Most Anticipated Crime Books of 2020 "Books can transport us to faraway, exotic places we've never seen, but they can also show us new angles of familiar places we thought we knew. Places closer to home like Hyde Park, Tierra Verde, Davis Islands, Palma Ceia, Clearwater Beach, Pass-a-Grille, Indian Rocks Beach, Westshore, St. Petersburg's 34th Street, Gibsonton, Lake Maggiore, Pinellas Park, Largo, Safety Harbor and Rattlesnake. Those are the local settings--yes, Rattlesnake is a real place!--for the 15 stories collected in Tampa Bay Noir, an anthology of new crime fiction due out in August." --Creative Pinellas "Anyone who lives in the Tampa Bay area knows there are stories of intrigue here, just waiting to be told." --The Gabber "Every classic mystery-fiction theme is represented here--murder, fraud, love, sex, money--and, overall, the writing is top quality. Lovers of short crime fiction should eat this one up." --Booklist "Fifteen tales that reveal the dark side of sunny Tampa Bay." --Kirkus Reviews Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct location within the geographic area of the book. Brand-new stories by: Michael Connelly, Lori Roy, Ace Atkins, Karen Brown, Tim Dorsey, Lisa Unger, Sterling Watson, Luis Castillo, Sarah Gerard, Danny López, Ladee Hubbard, Gale Massey, Yuly Restrepo Garcés, Eliot Schrefer, and Colette Bancroft. From the introduction by Colette Bancroft: Ask most people what the Tampa Bay area is famous for, and they might mention sparkling beaches and sleek urban centers and contented retirees strolling the golf courses year-round. But it's always had a dark side. Just look at its signature event: a giant pirate parade. Not only does Gasparilla honor the buccaneer traditions of theft, debauchery, and violence; its namesake pirate captain, José Gaspar, is a fake who probably never existed. And if there's any variety of crime baked into Florida's history, it's fraud. From the indigenous residents who supposedly conned Spanish explorers seeking the Fountain of Youth through the rolling cycles of real estate scams that have shaped the Sunshine State for the last century or so, the place is a grifter's native habitat.

Heartbroken

Isabel Raine thought she had everything—a successful career, a supportive family, and a happy marriage to the man she loved. Then one ordinary morning, her husband, Marcus, picks up his briefcase, kisses her good-bye, and simply vanishes. That day, all her calls to him go straight to voice mail; the messages she leaves at his office go unreturned, too. Panicking after finally receiving a call from his cell phone in which all she can hear is a man’s terrified cry, Isabel calls the police. But they aren’t interested. Men leave, they tell her. They leave all the time. Desperate to find her husband, Isabel races to his

office. But instead of finding him, she finds herself in the middle of an FBI raid. Hours later, she awakens in the hospital with a severe concussion and a homicide detective by her bedside waiting to question her about Marcus Raine—the real Marcus Raine. Now the only thing Isabel knows for sure is that her husband of five years is gone. Where is he and who is he are questions no one seems able to answer. But Isabel will not rest until she discovers the truth about the man she loves, even if it means risking everything—including her own life. Bestselling author Lisa Unger takes us on a nightmarish journey from bustling, glamorous New York City to the murky, twisted streets of Prague, seeking the answer to one bone-chilling question: What if the man you love, the one sleeping beside you, is a stranger?
