Mayhew's Practical Book-keeping Embracing Single and Double Entry, Commercial Calculations, and the Philosophy and Morals of Business

Academic Writing Now: A Brief Guide for Busy Students is a rhetoric designed to cover the basics of a college writing course in a concise, student-friendly format. Anything inessential to the business of college writing has been excluded. Each chapter concentrates on a crucial element of composing an academic essay and is capable of being read in a single sitting. The book is loaded with “timesaver tips,” ideas for making the most of the student’s time, along with occasional warnings to avoid common errors made by student writers. Each short chapter concludes with questions and suggestions designed to trigger class discussion.

To clarify how writing across the curriculum improves learning across the curriculum, this book provides an overview of the current state of writing instruction at the secondary and college levels as it applies to teaching in the content areas. Each chapter contains practical ideas for using writing in the classroom, along with a discussion of the theories on which these ideas are based. In keeping with the hands-on nature of the book, workshop materials are provided at the end of every chapter, including invitations to write journals, workshop exercises, handouts and worksheets, and teacher and student responses to workshop experiences. Chapter topics are arranged in the same order as they might be discussed at an interdisciplinary writing workshop, though each

stands as a relatively independent essay.

Gas Industry

The Solicitors' Journal and Reporter

A heartwarming dog story like no other: Tuesday, a lovable golden retriever, changes a former soldier's life forever. A highly decorated captain in the U.S. Army, Luis Montalván never backed down from a challenge during his two tours of duty in Iraq. After returning home from combat, however, his physical wounds and crippling post-traumatic stress disorder began to take their toll. He wondered if he would ever recover. Then Luis met Tuesday, a sensitive golden retriever trained to assist the disabled. Tuesday had lived among prisoners and at a home for troubled boys, and he found it difficult to trust in or connect with a human being--until Luis. Until Tuesday is the story of how two wounded warriors, who had given so much and suffered the consequences, found salvation in each other. It is a story about war and peace, injury and recovery, psychological wounds and spiritual restoration. But more than that, it is a story about the love between a man and dog, and how, together, they healed each other's souls.

Gas Age

Journal

Journal of the Society of Arts

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives. Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life.

Where To Download Double Entry Journal For Tuesdays With Morrie

Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.
