Oracle E-Business, 3rd Edition- 2010-01-01

If you've taken a look at this documentation CD you will have noticed that the Technical Reference Manuals (TRM's) are not there. This is because Oracle is now maintaining the technical reference manuals online. Presently you can access the Oracle E-Business Suite at this site: <http://etrm.oracle.com>. Once accessing this site you will be redirected to Metalink where you will need to specify a user name and password.

Oracle Applications - Wikipedia

The Oracle E-Business Suite provides a set of financial applications used internationally in businesses. Oracle Corporation groups these applications into "suites", which it defines as sets of common, integrated applications designed to execute specific business processes. Oracle Financials refers to the closely related financial modules such as:
