"Pilots, flight crew, and aviation maintenance technicians are required to keep current with the latest civil aviation directives from the Federal Aviation Administration (FAA). This series presents the pertinent information gathered from the Federal Aviation Regulations (FAR) and the full Aeronautical Information Manual (AIM), Flight Crew (FC), or Aviation Maintenance Technicians (AMT). All regulations that have changed since the last release are precisely marked and indexed to provide a clear listing of subject matter and to refer pilots and staff to the correct paragraph or regulation number. The FAR sections are reproduced in reset type for easier reading, and the AIM features detailed, full-color graphics. In addition, a suggested study list of regulations and AIM paragraphs is provided, along with a helpful list of FAA, National Transportation
