From the Farm to the Table Olives

Financial Management in Agriculture

Farmer Nick and Farmer Charlie are olive guys. They are neighbor farmers who raise two different varieties of olives, Sevillano and Manzanillo. Farmer Nick worked in olive orchards all through high school, and Farmer Charlie started farming after he was an adult. Text with photographs of Farmer Nick and Farmer Charlie tell the story of how olives are grown. From the Farm to the Table series are books about agriculture designed for second and third grade readers. The text of each book highlights second grade vocabulary words. Kathy Coatney pens From the Farm to the Table series of non-fiction children's books about agriculture.

Books and Periodicals for Agricultural Education and Training in Africa

My Organic Farmer's Market Journal provides a place to document your finds at your local farmer's markets. Keep track of what and how much you purchased, the farmer or vendor contact info, and what you did with it. Did you cook with it? Or freeze, can or dehydrate it to preserve it? There's also room to write down your notes, thoughts or a special recipe you used too! Make the switch to local foods and seasonal eating this year. And document your journey in this take-a-long journal.

Doing Library Research

Farm Management

Farm Sermons by Charles Spurgeon Haddon, first published in 1882, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

International Books in Print

Doane's Farm Management Guide

Designed for the one-semester introductory course in farm management, this text introduces students to basic business management concepts and shows how these can be applied to the management of farms and ranches. This new edition updates information on agriculture and farm management.

Farm Sermons

Cumulative Book Index

A comprehensive introductory textbook for courses in farm management, with additional treatment of advanced topics for all agricultural economics and agribusiness majors. Develops the management concepts of planning, implementation, and control in the three important areas of farm management--production, marketing, and finance. Integrated with practical illustrations and computational procedures.

The Cumulative Book Index

El-Hi Textbooks in Print

Agribusiness Management uses four specific approaches to help readers develop and enhance their capabilities as agribusiness managers. First, this edition of the book offers a contemporary focus that reflects the issues that agribusiness managers face both today and are likely to face tomorrow. Specifically, food sector firms and larger agribusiness firms receive more attention in this edition, reflecting their increasing importance as employers of food and agribusiness program graduates. Second, the book presents conceptual material in a pragmatic way with illustrations and examples that will help the reader understand how a specific concept works in practice. Third, the book has a decision-making emphasis, providing contemporary tools that readers will find useful when making decisions in the contemporary business environment. Finally, Agribusiness Management offers a pertinent set of discussion questions and case studies that will allow the reader to apply the material covered in real-world situations.

Farm Management for Asia

Farm Management

The British National Bibliography

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

The Sheikh's Christmas Baby

This text is developed for the first course in Farm Management, typically taken by a junior/senior level student. Designed to introduce students to the key concepts on how to effectively manage a farm business, the seventh edition provides students with the basic information needed to measure management performance, financial progress, and the financial condition of the farm business.

Scientific and Technical Books in Print

A guide to the 5490 books in these fields in the 'Australian Books in Print' database as at June 1992, and out-of-print titles notified since December 1989, with titles indexed under 3617 subject headings.

Principles of Field Crop Production

Use of Computers for Farm Management, January 1986 - March 1989

Interest in economics is at an all-time high. Among the challenges facing the nation is an economy with rapidly rising unemployment, failures of major businesses and industries, and continued dependence on oil with its wildly fluctuating price. Americans are debating the proper role of the government in company bailouts, the effectiveness of tax cuts versus increased government spending to stimulate the economy, and potential effects of deflation. Economists have dealt with such questions for generations, but they have taken on new meaning and significance. Tackling these questions and encompassing analysis of traditional economic theory and topics as well as those that economists have only more recently

addressed, 21st Century Economics: A Reference Handbook is intended to meet the needs of several types of readers. Undergraduate students preparing for exams will find summaries of theory and models in key areas of micro and macroeconomics. Readers interested in learning about economic analysis of an issue as well students embarking on research projects will find introductions to relevant theory and empirical evidence. And economists seeking to learn about extensions of analysis into new areas or about new approaches will benefit from chapters that introduce cutting-edge topics. To make the book accessible to undergraduate students, models have been presented only in graphical format (minimal calculus) and empirical evidence has been summarized in ways that do not require much background in statistics or econometrics. It is thereby hoped that chapters will provide both crucial information and inspiration in a non-threatening, highly readable format.

Agriculture Teachers Directory and Handbook

Their passionate affair ended in heartbreak when he left without warning. When he returns unexpectedly, can their heat melt away the hurt of the past? Kashif Shadid has always craved adventure. With one last chance to win the Iditarod dog sled race before assuming his role as Sheikh, he's returned to the Alaskan wilderness to train at a legendary sled dog farm. But returning means coming face to face with Kristy Cohen, the woman who captured his attention years ago. He's thrilled once again by her icy beauty, but her farm is facing financial ruin. Kashif's eager to take control, however, getting her to agree with his plans may be a challenge. Kristy Cohen works hard to keep her sled dog farm afloat while raising her young daughter. Faced with declining revenues and a changing climate, Kristy's struggling, but she's not willing to turn her back on her business model. When Kashif Shadid shows up out of the blue pushing her to make changes, Kristy's response is as cold as the Alaskan snow. She fell for tall, handsome Kashif once before. After four years without a word from him, she won't be making that mistake again. This time, Kristy's guarding more than just her heart. With her farm and her daughter to consider, can she ever risk taking a chance on Kashif again?
