Objective PET Student's Book Without Answers with CD-ROM

"Advanced Everyday English is designed in very much the same mode as the first book (Practical Everyday English with audio CD) in that all of the examples will contain vocabulary and expressions you have studied on earlier pages. You will also find many words from the first book, which will give you an opportunity to revise the material. In this second book there is more of what one might call "serious" vocabulary, but there are plenty of phrasal verbs and idioms as well. The book will be of particular benefit to those readers with an advanced level of English who wish to become (or who already are) interpreters, translators or teachers of English, or who simply want to be able to speak and understand English at a very

high level. In addition, people who need to read English language journals or converse in English on a daily basis, either in business or for pleasure, will find it very useful."--Publisher's description.

CPE Practice Tests

Exam Essentials is our major British English exam preparation series combining exam preparation, practice, and tips for the revised Cambridge English exams. This effective combination of testing and teaching has proved a popular formula with teachers and students. The first two practice tests in each book are 'walk-through' tests. Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam. Additional step-by-step support for the Writing paper is offered in all the tests. All of the tests are written by experts in the field, which means that students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams. Candidates internationally find the Speaking test very challenging. To help them deal with this, each Practice Test book comes with a DVD-ROM which includes a bespoke video showing a complete Speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it. The DVD-ROM also features worksheets to use with the interview and all the Listening test files.

These five practice tests closely replicate the Cambridge Certificate in Advanced English in both content and presentation, therefore providing realistic exam practice at the level of the CAE. This new edition incorporates all the changes made to the CAE examination (1999 and 2000), offering practice in the new exam formats. In addition to these changes, numerous revisions have been made to ensure that these tests accurately reflect the current exam. (The authors are closely involved with the CAE and as such have in-depth knowledge of all the papers. (Each of the texts in Papers 1 and 3 comes from a different source, giving students experience in dealing with a wide variety of reading material. (Photocopiable answer sheets enable students to practise transferring their answers from the test paper, reducing the risk of making mistakes under pressure in the actual exam. (Genuine examination conditions are simulated for Paper 4 Listening through the inclusion of instructions, pauses and repeats on the cassettes. (Full colour photographs and illustrations are included for Paper 5 Speaking. (All five tests have been piloted with groups of students preparing for the CAE. The With Answers edition contains information on marking and sample student answers to the Paper 2 Part 1 writing tasks, in addition to a full key and scripts of the recorded material.

The book provides systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate

Examination for December 2008 or any other examinations at the same level. The book is divided into two parts: Part A consists of ten complete listening tests. The recordings are based on authentic listening material and make use of various accents and sound effects. Part B consists of ten speaking tests and covers a wide variety of topics such as holidays, entertainment, etc. Each Speaking Test is preceded by a Preparing for the Speaking Test section. In this section, students are familiarised with the essential language (vocabulary, useful expressions, discourse markers, etc) and ideas necessary for the test itself. Students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources. There are also two additional Speaking Tests at the end of the book to prepare students to meet the requirements of the exam. Class Audio CDs include instructions, pauses and repeats, creating genuine exam conditions.
