A single promise can change a life forever. We all make promises constantly. "Yes, I'll be there." "Sure, no problem!" But do we really mean what we are saying? What is the impact of a broken promise? And what happens to a life when a promise is honored? Because I said I would is the international social movement at the forefront of shifting how the world views commitment and accountability. With over 10.3 million Promise Cards distributed, this cause has played a unique role in changing lives around the world. Heartwarming, humorous, inspirational, and tragic—these stories will challenge readers to look deep within themselves and consider the importance of the promises they make. Through a collection of inspiring short stories and concise philosophical chapters, readers will gain the following:

- Practical life lessons from surprisingly raw stories of everyday people with incredible determination
- Useful advice on how to get better at keeping promises
- Inspiring perspectives that can be utilized in leadership and character development initiatives

One hundred percent of the author's proceeds go to because I said I would, a 501(c)(3) nonprofit organization that is bettering humanity through chapters of volunteers, character education in schools, accountability programs, and awareness campaigns with global reach.

Life Matters

New York Times bestseller Wall Street Journal bestseller USA Today bestseller Publishers Weekly bestseller Forbes "15 Best Business Books of the Year" People "Book of the Week" AARP Editor's Pick Translated into 34 languages and counting "Presence feels at once concrete and inspiring, simple but ambitious--above all, truly powerful." -- New York Times Book Review Have you ever left a nerve-racking challenge and immediately wished for a do over? Maybe after a job interview, a performance, or a difficult conversation? The very moments that require us to be genuine and commanding can instead cause us to feel phony and powerless. Too often we approach our lives' biggest hurdles with dread, execute them with anxiety, and leave them with regret. By accessing our personal power, we can achieve "presence," the state in which we stop worrying about the impression we're making on others and instead adjust the impression we've been making on ourselves. As Harvard professor Amy Cuddy's revolutionary book reveals, we don't need to embark on a grand spiritual quest or complete an inner transformation to harness the power of presence. Instead, we need to nudge ourselves, moment by moment, by tweaking our body language, behavior, and mind-set in our day-to-day lives. Amy Cuddy has galvanized tens of millions of viewers around the world with her TED talk about "power poses." Now she presents the enthralling science underlying these and many other fascinating body-mind effects, and teaches us how to use simple techniques to liberate ourselves from fear in high-pressure moments, perform at our best, and connect with and empower others to do the same. Brilliantly researched, impassioned, and accessible, Presence is filled with stories of individuals who learned how to flourish during the stressful moments that once terrified them. Every reader will learn how to approach their biggest challenges with confidence instead of dread, and to leave them with satisfaction instead of regret.

Your Road Map For Success

A revolutionary guidebook to achieving peace of mind by seeking the roots of human behavior in character and by learning principles rather than just practices. Covey's method is a pathway to wisdom and power.

because I said I would.

From Stephen R. Covey—the late, legendary author of *The 7 Habits of Highly Effective People*—a set of principles for achieving a happy and fulfilling life of primary greatness. Many of us are hurting. We have chronic problems, dissatisfactions, and disappointments. Although we generally make it through the day, a lot of us feel overwhelmed by burdens we carry. We try to “lift the load of life” each day and sometimes it’s just too much. The idea of living a “great life” seems a distant dream. Stephen R. Covey believed there were only two ways to experience life: primary greatness or secondary greatness. Through his books and speaking, he taught that the intrinsic rewards of primary greatness—integrity, responsibility, and contribution—far outweighed the extrinsic rewards of secondary greatness—money, popularity, and the

self-absorbed, pleasure-ridden life that some people consider “success.” In this posthumous work, Covey lays out clearly the 12 levers of success that will lead to a life of primary greatness: Integrity, Contribution, Priority, Sacrifice, Service, Responsibility, Loyalty, Reciprocity, Diversity, Learning, Teaching, and Renewal. For the first time, Covey defines each of these 12 qualities and how they can be leveraged and enacted in your daily life to lead you to success and happiness. Featuring his trademarked wisdom that is beloved and has inspired countless readers and leaders, Primary Greatness once again delivers classic Covey advice in a concise and reader-friendly way.

Primary Greatness

CONNECTIONS: QUADRANT II TIME MANAGEMENT is on the crest of the wave of a new generation of time management theory & implementation. CONNECTIONS empowers the reader to translate values into action, to escape from the tyranny of the "urgent" & to move into that marvellous part of the universe known as "Quadrant II." I think the greatest human tragedy I see is people with talent & ability who have paid a tremendous price for their "success" & who are unhappy, unfulfilled people. They simply don't have the "right connections." I believe that right connections are within reach. I know they have made a powerful difference in my own life. I have seen them make a powerful difference in the lives of hundred of others. I know they are based on timeless, self-validating & empowering principles. And I know, as Emerson once observed, "Nothing can bring peace but yourself. Nothing can bring you peace but a triumph of principles." This book, simple in style & rich in substance, is must-reading for anyone who wants a closer "connection" between deep beliefs about what is most important & daily behaviors.

The 7 Habits of Highly Effective Teens

In the 7 Habits series, international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, THE 8th HABIT, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

Daily Reflections for Highly Effective People

This commemorative collection captures the essence of Dr. Stephen R. Covey's most profound teachings on business, success, management, family, and love. Stephen R. Covey passed away in July 2012, leaving behind an unmatched legacy with his teachings about leadership, time management, effectiveness, success, and even love and family. A multimillion-copy bestselling author of self-help and business classics, Dr. Covey strove to help readers recognize the key elements that would lead them to personal and professional effectiveness. His seminal work, The 7 Habits of Highly Effective People, transformed the way people act on their problems with a compelling, logical, and well-defined process. Indeed, many of the habits have been assimilated into everyday thinking and everyday conversation. For example, the expressions "win/win" and "first things first," to name a few, have been incorporated into almost every business culture around the world. The Wisdom and Teachings of Stephen R. Covey is a compilation of Dr. Covey's most insightful, inspiring teachings and sayings. His profound influence spread beyond businesses and individuals and was even integrated into governments, school systems, and many other institutions with great success. This book covers his most impactful topics: time management, success, leadership—including principle-centered leadership—all of the 7 Habits, love, and family. This powerful collection

is a lasting tribute to the inspirational luminary that so many will miss. *** Selected Wisdom from Stephen R. Covey: “How different our lives are when we really know what is deeply important to us, and keeping that picture in mind, we manage ourselves each day to be and to do what really matters most.” “Live, love, laugh, leave a legacy.” “But until a person can say deeply and honestly, ‘I am what I am today because of the choices I made yesterday,’ that person cannot say, ‘I choose otherwise.’” “Seek first to understand, then to be understood.” “To touch the soul of another human being is to walk on holy ground.”

The timeless principles and practical wisdom along with a "Go-Forward Plan" challenge readers to make three important choices every day: The Choice to Act - your energy The Choice of Purpose - your destination The Choice for Principles - the means for attaining your goals Topics include: Searching for Meaning Taking Charge Starting Within Creating the Dream Teaming with Others Overcoming Adversity Blending the Pieces With stories from some of the world's best known and loved writers, leaders, and celebrities, such as Maya Angelou, Jack Benny, and Henry David Thoreau, and insights and commentary from Stephen Covey, the Wrap Up and Reflections at the end of each chapter help create a project that can be used for group or personal study.

The 3rd Alternative

Outlines a breakthrough approach to conflict resolution and creative problem solving that draws on the techniques of thinkers from a broad range of disciplines to explain how to incorporate diverse viewpoints for win-win solutions.

Principle Centered Leadership

Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

Connections

Building and maintaining a successful team is no simple task. Even people who have taken their teams to the highest level in their field have difficulty recreating what accounted for their successes. Is it a strong work ethic? Is it "chemistry"? What

tools can you wrap your hands around to build?or rebuild?your team? In *The 17 Indisputable Laws of Teamwork*, leadership expert and New York Times best-selling author John C. Maxwell shares the vital principles of team building that are necessary for success in your business, family, church, or organization. In his practical, down-to-earth style, Dr. Maxwell shows how: The Law of High Morale inspired a 50-year-old man who couldn't even swim to train for the toughest triathlon in the world. The Law of the Big Picture prompted a former U.S. president to travel across the country by bus, sleep in a basement, and do manual labor. Playing by The Law of the Scoreboard enabled one web-based company to keep growing and make money while thousands of other Internet businesses failed. Ignoring The Law of the Price Tag caused one of the world's largest retailers to close its doors after 128 years in business. The 17 Indisputable Laws of Teamwork will empower you?whether coach or player, teacher or student, CEO or non-profit vollunteer?with the "how-tos" and attitudes for building a successful team.

Standing at the Edge

BRIEF INTRODUCTIONAre you tired of running from one place to another to fulfill everything? Is your schedule so packed that you can not manage all the tasks? Do you feel that the more you hurry the more time does not reach you?Learn to organize your life with the "first things first" principle."*First Things First*" is a guide that will teach you how to manage time. It will teach you that time that is a tyrant, that stresses you, that prevents you from enjoying life, that is always scarce for everything, will stop torturing you.The book shows that it is possible to focus on effectiveness. The concept of effectiveness implies managing time and efforts to obtain the best results. With these basic ideas, it presents a method created and

based on principles that allow everything you do to have quality. Efficiency will allow you to live, love, learn and leave a legacy, because you will stop running trying to beat time and you will be able to optimize your dedication and your resources. WHAT WILL YOU LEARN? You will learn to value the activities of each day and determine if they are really important for your goals. You will discover that it is possible to organize a Weekly Plan of activities that allows you to efficiently distribute time. You will understand that you must start by identifying your principles that will act as threads. You will have practical tools to start reorganizing. You will understand that peace, harmony and happiness have nothing to do with who does more and who wins, but with what is truly important. ABOUT THE ORIGINAL BOOK First Things First is a revolutionary guide that will teach you how to manage time. It teaches that time that is a tyrant, that stresses you, that prevents you from enjoying life, that is always scarce for everything, will stop torturing you. The book shows that it is possible to focus on effectiveness. The concept of effectiveness implies managing time and efforts to obtain the best results. With these basic ideas, we present a method created and based on principles that allow everything you do to have quality. Efficiency will allow you to live, love, learn and leave a legacy, because you will stop running trying to beat time and you will be able to optimize your dedication and your resources. The authors have discovered a safe path that not only favors people, but also their environment and the world in general. The main path involves focusing on what is important and assessing what is considered urgent very well. The center of life must stop being the clock and in that place will be the principles that sustain the foundations of a happy life. This book prepares readers to decide and choose what is truly important, what is meaningful and valuable. It is a learning that will lead to a wise approach to life and to developing a useful vision of the present and the future. If you follow this path, you will overcome stress and careers against time and you will realize that it is possible to achieve valuable goals and conquer a full, balanced and happy life.
