Loewer, USN), and sports (U.S. Olympian Marilyn King) Renowned thought leaders such as Riane Eisler, Rayona Sharpnack, Sally Helgesen, Peggy Klaus, Bruce Patton, Nancy J. Adler, and Gail Evans Leading-edge academics, activists, executives, entrepreneurs, and practitioners

Find Your Passion

Because of The Secret, the Law of Attraction has become a worldwide phenomena yet many people are not getting the results they want and have been left disappointed and confused. In this book, Bob Doyle addresses head-on the objections, questions, and comments that readers still have about how to make the The Law of Attraction work in their lives. And in doing so, he presents what has to be the clearest and most user-friendly approach to the Law of Attraction. In Follow Your Passion, Find Your Power, Bob makes it clear that the law is not a personal development tool you can use the right way or wrong way; it's a profound statement of how energy works in the universe. It has to do with paying attention, recognizing where you are, and aggressively striving for what you want. It is all about passion, vision, and purpose. The book lays out a very clear process for creating abundance and happiness in life; a process that involves the following
Getting a clear vision for your life
Tapping into the power of your passions
Living your life by design
Forceful, passionate, and down-to-earth, this is a book that provides concrete advice for taking control of your life and getting the things you want.

The Self-Care Revolution Presents: Module 1 – Thoughts And Food As Medicine

Wondering how to make the Law of Attraction work in your life? With the publication of *The Secret*, the Law of Attraction has become a worldwide phenomenon. Yet, many people are still not getting the results they want and have been left disappointed and confused. Now motivational coach Bob Doyle, one of the teachers featured in the film version of *The Secret*, dispels the misconceptions and myths about the Law of Attraction and offers a practical, easy-to-use program for creating abundance and happiness. Doyle addresses head-on the objections, questions, and comments that many still have about creating abundance to get the things they want in life. *Follow Your Passion, Find Your Power* is a down-to-earth, no-hype, motivational approach to take control of your life and get the things you want. Doyle makes it clear that the Law is not a personal development tool you can use the right way or the wrong way; it's a profound statement of how energy works in the universe. It has to do with paying attention, recognizing where you are, and aggressively striving for what you want. It is all about passion, vision, and purpose. Get clear on your vision for your life, and follow a step-by-step plan to live your life by design.

The Place of Power in You

The coauthors of the bestselling *Peak Performance* dive into the fascinating science behind passion, showing how it can lead to a rich and meaningful life while also illuminating the ways in which it is a double-edged sword. Here's how to cultivate a passion that will take you to great heights—while minimizing the risk of an equally great fall. Common advice is to find and follow your passion. A life of passion is a good life, or so we are told. But it's not that simple. Rarely is passion something that you just stumble upon, and the same drive that fuels breakthroughs—whether they're athletic, scientific, entrepreneurial, or artistic—can be every bit as destructive as it is productive. Yes, passion can be a wonderful gift, but only if you know how to channel it. If you're not careful, passion can become an awful curse, leading to endless seeking, suffering, and burnout. Brad Stulberg and Steve Magness once again team up, this time to demystify passion, showing readers how they can find and cultivate their passion, sustainably harness its power, and avoid its dangers. They ultimately argue that passion and balance—that other virtue touted by our culture—are incompatible, and that to find your passion, you must lose balance. And that's not always a bad thing. They show readers how to develop the right kind of passion, the kind that lets you achieve great things without ruining your life. Swift, compact, and powerful, this thought-provoking book combines captivating stories of extraordinarily passionate individuals with the latest science on the biological and psychological factors that give rise to—and every bit as important, sustain—passion.

Turtle Island

Many of us live a mundane existence in which we get up, go to work, come home, and go to sleep. This cycle keeps repeating each and every day. The worst part is that we likely work a job that we don't enjoy doing, but we keep working that job in order to provide for our family. Stop right now and pay attention, because it doesn't have to be that way. This book; *Stir Up the Gift Within*, encourages people to use their talents to do what they love. It teaches people exactly how to find their talents so that they can use them to pursue their passions in life. There are bigger dreams and goals lurking inside each and every one of us; we need to stir up that gift within us. The difference between successful people and ordinary people is that successful people take action and pursue their dreams. Ordinary people tend to accept what life has thrown at them without trying to make any changes or go against the ideals of society in order to seek out that better life. All successful people found a way to use their talents to do what they love. The hardest part was learning how to do it, and that is exactly what you will learn in this book.

The Subtle Art of Not Giving a F*ck

Joseph Campbell held a unique place in the culture for his ability to bring the healing power of myth and archetype to contemporary audiences. This simple, beautifully designed collection of cards continues that work, helping readers connect to wisdom ancient and modern on a daily basis. Including a built-in prop-up frame for display, *Follow Your Bliss* contains timeless quotes from a wide range of Campbell's work, divided into four guiding themes from his teachings: The Psychological, The Sociological, The Cosmological, and The Metaphysical. Practical yet provocative, each card features the brushstroke Zen circle that is the imprimatur of The Joseph Campbell Foundation, with a distinct color for each category in the deck. Enclosed in a box with an intricate tapestry border design, *Follow Your Bliss* is an ideal gift for both the committed seeker and the casual reader looking for simple guidance in a chaotic world.

The Pursuit of Dreams

"Today, Dr. Dragos is an award-winning scientist, filmmaker, and speaker who has presented on five continents. His beginnings in Romania, however, were humble, and in this book the reader gets a few glimpses of formative periods of his upbringing. While pursuing a doctoral program in Germany, he audaciously decides that he will travel to the North and South Pole--even though he's surviving on just \$100 a month. Dr. Dragos describes the hard work, serendipitous moments, and amazing people he meets in the pursuit and fulfillment of this dream, and how it ignited in him the passion to inspire others to pursue their dreams by creating a film, *The Amazing You*. Dr. Dragos continues by taking the reader behind the scenes in Silicon Valley, NASA headquarters, Buddhist monasteries, and Masonic temples as he holds conversations with influential movers and shakers as well as everyday people. Interweaving these conversations with tales of others who have pursued their passions, Dr. Dragos connects science, spirituality, and entrepreneurship to inspire you and empower you to make your dreams a reality. You'll understand why now is the best time in history to bring your ideas to fruition and how your passion can be turned into practice. Dr. Dragos shows you how to find inner peace and release your fears, and transform hurt into power and dreams into reality"--

Unwrapping Your Passion

A collection of Heyward's essays, sermons, lectures, and liturgical poetry that reveals the prophetic depth of her commitment to social justice. Powerfully addresses the issues of racism, sexism, exploitation, and oppression from a feminist standpoint, insisting that the appropriate position for Christians is always on the side of justice.

The Passion Paradox

Millions of women are launching online businesses. Power Up for Profits is the first book written exclusively for women who want to leverage the power of the Internet to reach a global audience and build a successful business with integrity, heart, and massive success. Kathleen Gage has been actively marketing on the Internet since 1994, building a multiple six figure business and a stellar reputation for honesty, outstanding content, and success. She's taught thousands her internet marketing methods in seminars and trainings. For the first time, Gage's signature tips and techniques are organized into one easy to read book. Filled with step-by-step instructions, entertaining stories, and the heart centered business acumen women crave, Power Up for Profits includes state of the art information on blogging and social media website creation and traffic generation joint ventures and affiliate partnerships packaging information in products and services marketing strategy specifically for women entrepreneurs If you relish the thought of how the Internet can help you share your message with the world, create a profitable business, and enjoy the freedom of entrepreneurship, Power Up for Profits is the book for you. "Kathleen Gage clearly understands two things: Power and Profit. While this book allows you to use your passions and creativity to find a wealthy path in business it doesn't allow you to get bogged down in the BS of "how." It's clear. It's step by step. AND it's funny and compassionate. This is a must read for any woman ready to build a business (with lots of profits)." Suzanne Evans - Suzanne Evans Coaching "Follow these simple steps and become the successful, prosperous, and happy business owner you are meant to be!" Janet Bray Attwood - New York Times Bestselling Author - The Passion Test "Simply enlightening gives you a step-by-step process to create a great big beautiful impact for your clients and in your bank account, too. Read it!" Dr. Joe Vitale - Bestselling author - Hypnotic Writing "Power Up for Profits! is the perfect blend needed to create a successful online business. Follow Kathleen's advice and watch your profits soar." Peggy McColl - New York Times Bestselling Author - Dynamic Destinies Inc. "For the first time, a book outlines in simple, easy-to-understand, and usable terms, the most powerful yet overlooked combination of true spiritual principles and sound marketing strategies." Eva Gregory - Leading Edge Coaching & Training "Looking for no-fluff marketing training? You found it in this gem of a book! Kathleen's practical steps make it simple to market and grow a business that is a perfect - and profitable - expression of YOU!" Kendall SummerHawk - International Association of Women in Coaching

Stir Up the Gift Within

Screw Finding Your Passion

Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

So Good They Can't Ignore You

The Power of Mentorship

In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nations capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of Power Quest, The Ascendancy of Antichrist in America, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But Power Quest: The Ascendancy of Antichrist in America is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual his-

tory that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

The Power of Receiving

The commonly held belief that you should 'follow your passion' is flawed. Many people believe that in order to be truly happy, you need to find and follow your one and only true passion. This is a very limiting approach to passion, and one not backed up by much research. In fact, recent research in the field of positive psychology has shown that you can live a more fulfilling life by choosing to pursue your whole life with passion. This has nothing to do with monetising the one thing that you love, but finding love in what you do. Susanna Halonen, also known as the Happyologist, introduces a new approach to passion that enables you to take control of your happiness. By highlighting the latest research in the field, including her own, Susanna explains how you can choose to unlock the passion inside you so that you can live a more fulfilling life. The secret to living life with passion is pursuing the passionate way of being, and the five keys to that secret are individually explored and discussed in this book. Each discussion is followed by questions of self-reflection that encourage you to create your own, unique action plan to start unlocking your passion. This book is an eye opener for those who want to understand the real science behind passion. It's also a must-read for anyone who is looking for more fire, spark and positive energy in their lives and careers. Most of all, it's a tool to help you to take a more proactive approach to unearthing your best self and setting out on the path towards passionate happiness. Praise for *Screw Finding Your Passion*: "Wanting happiness and knowing how to pursue it are two different things. Scientifically, happiness is a choice, not something you find. Using new research and practical tools, Halonen helps us change the formula for how we pursue passion, allowing us to find more ways of achieving our potential and creating joy." - Shawn Achor, positive psychology researcher and NYTimes bestselling author of *The Happiness Advantage* "It's very clear that Susanna Halonen is passionate about her work. And it's very clear that her work can help you unlock the passion within you." - Tal Ben-Shahar, author of international bestseller *Happier* "We all have times that life seems flat and not very fulfilling. Susanna's unique stance on passion will enable us to find that love for whatever we're doing right now." - Nina Grunfeld, founder of Life Clubs "This idea is so important it can't be ignored." - Elliot Newsome, founder and Managing Director of SKT Consulting

Pursue Your Purpose Not Your Dreams

Wealth Beyond Reason was written for those who have a strong desire for Prosperity, and want it to come quickly and naturally. By taking a scientific approach to explaining the sometimes metaphysically-categorized "Law of Attraction", anyone of any background can claim the Life they truly want to live, without limitations of any kind. Created with skeptics in mind, this book gives you a full understanding of nature's most prevalent physical law, and shows you precisely how to purposefully utilize it in the way you were intended: To create 100% of your Life experience, exactly as you most passionately desire!

Believe That You Can

Do you have the sense that you were born to do something more with your life but you don't know what that is? Do you long to step into your power and live a life of passion? Do you wish to be of greater service? Are you willing to follow your soul's desire? Join master teacher, Pagan, and mystic T. Thorn Coyle in activating the magical formula known as the Four Powers of the Sphinx. These four powers — To Know, To Will, To Dare, and To Keep Silence — help bring about a profound shift in how we view and move through the world. They will point you toward your highest purpose and show you what to do, both practically and spiritually, once you've found it. They will lead you to a life of magic. Find your soul's work. Follow desire. Live a life that matters. From the introduction: "Working magic means showing up with your demons and your divinity, your sorrow and your joy. Alchemy only happens when we are willing to go through the processes of gathering together, refining, pouring, and solidifying. In the end, we have something fine to hold."

Politics Is for Power

A brilliant condemnation of political hobbyism—treating politics like entertainment—and a call to arms for well-meaning, well-informed citizens who consume political news, but do not take political action. Who is to blame for our broken politics? The uncomfortable answer to this question starts with ordinary citizens with good intentions. We vote (sometimes) and occasionally sign a petition or attend a rally. But we mainly “engage” by consuming politics as if it's a sport or a hobby. We soak in daily political gossip and eat up statistics about who's up and who's down. We tweet and post and share. We crave outrage. The hours we spend on politics are used mainly as pastime. Instead, we should be spending the same number of hours building political organizations, implementing a long-term vision for our city or town, and getting to know our neighbors, whose votes will be needed for solving hard problems. We could be accumulating power so that when there are opportunities to make a difference—to lobby, to advocate, to mobilize—we will be ready. But most of us who are spending time on politics today are focused inward, choosing roles and activities designed for our short-term pleasure. We are repelled by the slow-and-steady activities that characterize service to the common good. In *Politics Is for Power*, pioneering and brilliant data analyst Eitan Hersh shows us a way toward more effective political participation. Aided by political theory, history, cutting-edge social science, as well as remarkable stories of ordinary citizens who got off their couches and took political

power seriously, this book shows us how to channel our energy away from political hobbyism and toward empowering our values.

Our Passion for Justice

To so many, waking up to the same old life is a constant reality. Its time to unwrap the passion within and throw aside cautionisms, because Unwrapping Your Passion shakes up the status quo of aging and redefines the barometer of living a passionate life. Karen Putz provides the clues to finding passion and the necessary steps to take to manifest the life many so desire.

Wealth Beyond Reason

Screw Finding Your Passion

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

The Happiness Project (Revised Edition)

Discover Your Passion by Asking the Right Questions. Imagine being able to finally find your passion and have complete clarity about what you were meant to do. There is a short-cut to finding your passion and that is asking the right questions. Einstein once said, "If I had an hour to solve a problem and my life depended on the solution, I would spend the first 55 minutes determining the proper question to ask; for once I know the proper question, I could solve the problem in less than five minutes." You may be asking yourself, 'Why should I focus on a question when what I really want is an answer.' It's simple. Answers come from questions and the quality of any answer is directly determined by the quality of the question. Ask the wrong question, get the wrong answer. Ask the right question, get the right answer. In a serendipitous meeting with Billy Ray Cyrus (country music singer and actor), Michelle Kulp discovered her passion simply because Billy Ray asked her the right question at the right time. Until then, she was living life in survival mode, living paycheck-to-paycheck, feeling deeply unfulfilled, purpose-less and passion-less. Within a short time after her meeting with Billy Ray she found the answer she was looking for and her entire life changed! Follow Your Bliss

In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

Maximize Your Potential

A latest entry in the series that includes *The Power of Giving* draws on Buddhist philosophies and quantum theory to counsel readers on how to fulfill personal ambitions while balancing over-scheduled lives, outlining spiritually based exercises to promote self-esteem and goal setting. Original.

Make Magic of Your Life

Bullying. Homelessness. Abortion. Human trafficking. It doesn't take much searching to discover that there are a lot of things wrong in our world today. What could one person possibly do about all these issues? In *I Dare You*, Isabella Morgenthal dares you to step out and make a difference in the world for Jesus Christ. She helps you dig deep and discover your passion, while encouraging you to do something about it. This is a dare to give everything you have to Jesus and watch Him do amazing things with your life. This is a dare to make your life count. This is a dare to change your world.
