A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one highly recommended!" —Jonathan Maberry, *New York Times* bestselling author of *Marvel Universe vs The Avengers* and *Patient Zero* One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This fictionalized account of their time together opens at the beginning of the Great Depression, when Tru is seven and Nelle is six. They love playing pirates, but they like playing Sherlock and Watson-style detectives even more. It's their pursuit of a case of drugstore theft that lands the daring duo in real trouble. Humor and heartache intermingle in this lively look at two budding writers in the 1930s South.

### **Indonesia X-Files**

In the year 1311, in the highest tower of Cloud of Sparrows Castle, a beautiful woman sits by the window, watching as enemies gather below and fires spread through the night. As she calmly awaits her fate, she begins to write, carefully setting down on a scroll the secret history of the Okumichi clan...of the gift of prophecy they share and the extraordinary destiny that awaits them. For six centuries, these remarkable writings lay hidden—until they are uncovered by an American woman, a missionary named Emily Gibson, who arrived in Edo harbor in 1861, in flight from a tragic past. Soon an extraordinary man would enter her life: Lord Genji of the Okumichi clan, a nobleman with a gift of prophecy who must defend his embattled family—and confront forbidden feelings for an outsider in his midst. Emily, too, soon finds herself at a turning point; courted by two westerners, she knows her heart belongs to the one man she cannot have. But Emily has found a mission of her own: translating Genji's ancestral history, losing herself in an epic tale of heroism and forbidden love. For here is the story of Lady Shizuka, the beautiful witch-princess who has enchanted Okumichi men for generations...of Genji's ancestors, Lord Hironobu and Lord Kiyori, and of the terrible betrayals that befell them...and of Genji's parents: a wastrel father and his child bride whose tragic love has shaped Genji as a leader and as a man. As Emily sifts through the fragile scrolls, she begins to see threads of her own life woven into the ancient writings. And as past and present collide, a hidden history comes to life, and with it a secret prophecy that has been shrouded for centuries, and may now finally be revealed. Takashi Matsuoka's spellbinding novel is infused with spectacle, intricately woven, magically told. Autumn Bridge is a feast for the senses, a work of truly dazzling storytelling.
