The Lady and the Highwayman

From Jennifer Donnelly, the critically acclaimed New York Times bestselling author of *A Northern Light* and *Revolution*,

comes a mystery about dark secrets, dirty truths, and the lengths to which people will go for love and revenge. For fans of Elizabeth George and Libba Bray, *These Shallow Graves* is the story of how much a young woman is willing to risk and lose in order to find the truth. Jo Montfort is beautiful and rich, and soon—like all the girls in her class—she'll graduate from finishing school and be married off to a wealthy bachelor. Which is the last thing she wants. Jo dreams of becoming a writer—a newspaper reporter like the trailblazing Nellie Bly. Wild aspirations aside, Jo's life seems perfect until tragedy strikes: her father is found dead. Charles Montfort shot himself while cleaning his pistol. One of New York City's wealthiest men, he owned a newspaper and was a partner in a massive shipping firm, and Jo knows he was far too smart to clean a loaded gun. The more Jo hears about her father's death, the more something feels wrong. Suicide is the only logical explanation, and of course people have started talking, but Jo's father would never have resorted to that. And then she meets Eddie—a young, smart, infuriatingly handsome reporter at her father's newspaper—and it becomes all too clear how much she stands to lose if she keeps searching for the truth. But now it might be too late to stop. The past never stays buried forever. Life is dirtier than Jo Montfort could ever have imagined, and this time the truth is the dirtiest part of all.

Prayers for Hope and Healing

#1 New York Times Bestseller Oprah's Bookclub 2016 Selection "Riveting a worthy investment this book has real wisdom." —New York Times Book Review "A book with so much painful truth packed into its pages that every person who's ever married or plans to marry should really give it a read." —Chicago Tribune "Provocative. I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too." —Oprah Winfrey "This memoir isn't really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and badass." —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In

the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. *Love Warrior* is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

Parkland Speaks

Philosophers know suicide primarily as an ethical problem. But in *Expression and Survival*, Craig Greenman argues that, when it comes to suicide, the standard ethical approach may do more harm than good. He develops instead an aesthetic approach, arguing that art-making it or experiencing it-can help a suicidal person survive. Drawing on the work of philosophers and artists, as well as his own experiences, Greenman guides the reader through the landscape to which many suicidal people feel condemned. He traces the problem back to antagonism-we harm others and they harm us-and argues that art, broadly construed, can help us survive it. The result will be of interest to ethicists, aestheticians, social and political philosophers, therapists, and anyone who has ever struggled with suicide. Also included in this volume are two essays, "Writing and Ambivalence" and "What Is Philosophy?"
