From the author of the highly acclaimed Teenagers with ADD comes a new book especially for teachers of teenagers with attention deficit disorder. This book contains concise summaries of over fifty key issues related to ADD and school success. From understanding the basics of ADD to using effective interventions, everything a teacher needs to know is included in this book. Busy teachers and administrators will appreciate the ease of using this quick reference. Parents who see their children struggling can use this book at home, especially when faced with homework difficulties, and to help to co-ordinate efforts with teachers. Particularly helpful for the home-school partnership are the many blank forms and checklists, suitable for photocopying. An invaluable tool, this book gives teachers what they need to know in order to support their students and help them to succeed in school.

### **The Mysteries of Harris Burdick**

Because so many first-year writing students lack the basic skills the course demands, reading specialist Kathleen T. McWhorter gives them steady guidance through the challenges they face in academic work. McWhorter's unique visual approach to learning uses graphic organizers, revision flowcharts, and other visual tools to help students analyze texts and write their own essays. Successful College Writing offers extensive instruction in active and critical reading, practical advice on study and college survival skills, step-by-step strategies for writing and research, detailed coverage of the nine rhetorical patterns of development, and 65

readings that provide strong rhetorical models. McWhorter's unique attention to varieties of learning styles also helps empower students, allowing them to identify their strengths and learning preferences.
