Little Leveled Readers: Level D

Cyril and his cabin mates Ben and Obie run into trouble with the camp bully during Field Day contests at Camp Big Paw.

Guided Reading

Explores many aspects of the ocean environment, from coral reefs to deep seas, to sandy shores. Provides interesting facts about animal life in the ocean, including dolphins, sharks, whales, starfish and more.

First Little Readers Parent Pack: Guided Reading Level A

Twenty-three poems capture the joys of reading. From that thrilling moment when a child first learns to decipher words, to the excitement that follows in reading everything from road signs to field guides to internet articles to stories, these poems celebrate reading. They also explore what reading does -- how it opens minds, can make you kind, and allows you to explore the whole world. Ryan O'Rourke's rich artwork beautifully captures the imagination and playfulness in these poems by noted author Amy Ludwig VanDerwater.

Clark the Shark: Tooth Trouble

Guided reading experts, Jan Richardson and Michèle Dufresne, provide teachers with clear, concise, and practical instructions and resources for planning and teaching developmentally appropriate word study and phonics lessons. Learn how students solve words, how to assess what students know and need to learn next, and what sequence, materials and activities to use to help students become proficient word solvers and independent readers. Works with the familiar Next Step Forward lesson plan framework from Richardson's best-selling Next Step Forward in Guided Reading. Uses a gradual release of responsibility approach that guides students to independent word solving. Introduces readers to not just one approach to phonics and word study--but six. Includes more than 250 ready-to-use word study lessons, leveled from pre-A-Z.

First Little Readers, Levels E-F

A combination assessment tool and guide for teaching identifies the literacy goals appropriate to grades PreK-eight and offers tools to help analyze students' strengths and identify areas needing teaching support.

Guided Reading

From the New York Times best-selling author of *How Children Succeed*, an essential handbook of “informative and effective methods to help children overcome issues and thrive at home and in school”*—now including sixteen new infographics! In *How Children Succeed*, Paul Tough introduced us to research showing that personal qualities like perseverance, self-control, and conscientiousness play a critical role in children’s success. Now, in *Helping Children Succeed*, Tough takes on a new set of pressing questions: What does growing up in poverty do to children’s mental and physical development? How does adversity at home affect their success in the classroom, from preschool to high school? And what practical steps can the adults who are responsible for them take to improve their chances for a positive future? Tough once again encourages us to think in a new way about the challenges of childhood. Mining the latest research in psychology and neuroscience, he provides us with insights and strategies for a new approach to childhood adversity, one designed to help many more children succeed. * (Kirkus Reviews)

Read! Read! Read!

Pursued by power-hungry Prentiss and mad minister Aaron, young Todd and Viola set out across New World searching for answers about his colony's true past and seeking a way to warn the ship bringing hopeful settlers from Old World.

Addie's Bad Day

Read Book Guided Reading For Parents

Presents a collection of sixteen books that cover a variety of science topics--with a focus on animals--and basic concepts, as well as an activity book that ties an exercise to each volume in the set.

Matching Books to Readers

Set your child on the path to reading success with this exciting collection of little books on favorite science topics: bears, birds, rain forest, seeds, spring, and many more. These level C books feature engaging photos paired with simple text and are just right for readers who can sound out a few words. Includes a mini-activity book, motivating stickers, and parent tips. A great way to help children step up to the next reading level with ease. For use with Grades PreK-1.

I Want to Be a Veterinarian

Tips and techniques for teachers to use for teaching in small group situations.

Leveled Books (K-8)

Provides a list of 7,500 titles, including caption books, series books, and natural language texts, for children in kindergarten through grade three.

The Ocean (We Both Read)

(L) Spiders are impressive creatures. They come in all shapes and sizes and help our environment. Read to learn about their habitats, body parts, webs, and more.

The Next Step Forward in Guided Reading

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning. In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Rusty Helps Out

Seventh-grader John "Crash" Coogan has always been comfortable with his tough, aggressive behavior, until his relationship with an unusual Quaker boy and his grandfather's stroke make him consider the meaning of friendship and the importance of family.

First Little Readers Guided Reading Levels G & H

Little Leveled Readers are not too easy or too hard-but just right! That's because they have been carefully evaluated by a reading specialist to correlate with Guided Reading Level D. Inside you'll find 75 storybooks (5 copies of 15 titles) on topics children love, which makes them perfect for group learning. Includes a mini-teaching guide.

All About Spiders

"The course of true love never did run smooth." --William Shakespeare When the prince spies Rapunzel high in her tower, he's convinced she is the girl of his dreams. Of course he thinks he can save her the traditional way, but this is no traditional Rapunzel. She throws down everything but what the princ asks for--including a surprise that makes all his dreams come true. A hilarious fractured fairy tale with clever page-turns and vibrant, eclectic art that is perfect for funny Valentine's Day story hours.

Guided Reading Basics

The quirky, hilarious farmyard tale that started it all from New York Times bestselling duo of Doreen Cronin and Betsy Lewin! Now the inspiration for a new Christmas special, CLICK, CLACK, MOO: Christmas on the Farm. Farmer Brown has a problem. His cows like to type. All day long he hears " Click, clack, moo. Click, clack, moo. Click, clack, moo. " But Farmer Brown's problems get bigger when his cows start leaving him notes! Listen in on the fun as a bunch of literate cows turn Farmer Brown's farm upside down!

Guided Reading

Motivate your growing reader with this set of 16 super-fun, 16-page storybooks correlated with guided reading levels E & F! Includes a tip-filled parent guide.

The Next Step Forward in Word Study and Phonics

A step-by-step program that shows parents, simply and clearly, how to teach their child to read in just 20 minutes a day.

Helping Children Succeed

Addie really wants to go to Max's birthday party, but it is a BAD day. Addie won't take her hat off. And she won't tell Max why. Can Max convince his best pal to throw off her cap and join the party?

Bob Books

Lorena T. Seidel, parent educator, Montessori teacher and mother of three shares her research and her hard-earned lessons in this informative guide to raising happy and well-adjusted children. She blends key principles from approaches such as Montessori, Waldorf, Positive Discipline, and more—all renowned for their proven success. The combined teachings help parents build peaceful and positive relationships with their children, and walks parents through how to create the optimum home environment. By taking such a thoughtful approach, young children can feel empowered and inspired to perform everyday tasks with little to no help, and can develop social, emotional, and life skills that will pay dividends throughout their lives. The guidebook helps parents:

- develop social, emotional, and life skills in children;
- understand the shortcomings of rewards, praise and punishments;
- bridge communication gaps;
- focus on long term solutions to misbehavior;
- create optimum play-areas and other child-friendly spaces;
- defuse power struggles, whining, and tantrums.

Seidel also shares effective tools to solving conflicts in between peers or siblings, a positive alternative to time-outs, and guidance on engaging young children in self-directed, creative, hands-on play. Unlock the development potential of children with practical solutions that will bring joy and peace into your home by learning the lessons in *The Purposeful Child*.

Eerie Elementary (Set)

Until now, freedom-minded parents had no educational material to teach their children the concepts of liberty. The Tuttle Twins series of books helps children learn about political and economic principles in a fun and engaging manner. With colorful illustrations and a fun story, your children will follow Ethan and Emily as they learn about liberty!

Guided Reading Program

Take advantage of our pre-publication price and order now! What can change the landscape of literacy education in every

classroom? The Fountas & Pinnell Literacy Continuum: Expanded Edition! The Fountas & Pinnell Literacy Continuum: Expanded Edition is the newest edition of the beloved Continuum of Literacy Learning resource by best-selling literacy authors and educators, Irene Fountas and Gay Su Pinnell. There has never been a more comprehensive resource available to teachers that does what the continuum does - provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within, beyond, and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. More in-depth, more intuitive, and more essential than ever-The Fountas & Pinnell Literacy Continuum, Expanded Edition enables teachers to construct a common vision for student achievement that effectively and efficiently engages all students in the robust, authentic and meaningful literacy learning every child deserves. The Literacy Continuum provides a way to look for specific evidence of learning from prekindergarten through grade eight, and across eight instructional contexts. Each instructional context contributes substantially, in different but complementary ways, to students' development of the literacy process. With this indispensable literacy tool, Fountas and Pinnell remind you of The Literacy Continuum's critical role in transforming literacy teaching and learning. (Re)Discover The Fountas & Pinnell Literacy Continuum, Expanded Edition to: elevate your language and literacy expertise develop an understanding of the demands of texts on readers build your understanding of the reading and writing process and how it changes over time hone your observation of students' literacy behaviors teach toward student integration of the Systems of Strategic Actions articulate the literacy curriculum within and across grade levels activate the responsive teaching that meets students where they are and brings them forward with intention and precision build professional learning opportunities with colleagues create a common vision and common language for literacy in your school. Look for these new enhancements inside: Streamlined organization and navigation Expanded behaviors and examples across the continua First appearance of a behavior or goal or text characteristic is indicated by a red square (Behaviors are acquired and then elaborated over time) Clear organization of and explicit links to the Systems of Strategic Actions Four-color design for clarity and focus Also check out our new on-demand mini-course: Thinking and Talking About Books Across the Day.

The Tuttle Twins Learn About The Law

In Danielle Steel's dazzling new novel, a young woman must overcome tremendous adversity in her quest to find herself and achieve real happiness. Nicole "Coco" Martin is destined to have it all. As the only child of doting and successful parents, she has been given every opportunity in life. Having inherited her mother's stunning beauty and creativity, along with her father's work ethic and diligence, she has the world at her feet. Her graduation from Columbia is fast approaching, and with it the summer job of her dreams working at a magazine. Between work, leisurely weekends at her family's home in Southampton, and spending as much time as possible with her best friend, Sam, life couldn't be better—until tragedy strikes. Coco's beloved parents are killed in a terrorist attack while on vacation in France. Now devastated and alone, Coco

must find a way to move forward and make her way in the world without the family she loved. Determined to forge her own path and make her parents proud, Coco pursues her dreams, dazzled by exciting opportunities that come her way. Her goals are to think outside the box—and always play by her own rules. As she finds herself drawn to charismatic, fascinating men, each relationship will teach Coco new lessons, some delightful, some painful. She will come to realize what matters, and how strong she truly is—and in the end, she will discover herself. Richly exploring one woman's poignant journey through life, *All That Glitters* is a compelling tale of challenges, heartbreak, discovery, and triumph, a powerful reminder that all that glitters is not the essence of life. And what is truly worth having was right there in our hands all along.

The Purposeful Child

Jan Richardson's highly anticipated update to the classic bestseller *The Next Step in Guided Reading* helps you and your students move forward."

The Continuum of Literacy Learning, Grades PreK-8

Don't shed a tear, 'cause there's nothing to fear! Clark the Shark has a loose tooth and needs to visit the dentist. But he's heard that the dentist is scarier than a box of blue whales! Uh-oh, and oh no! Can Clark find a way to stay cool when it comes to tooth trouble? Beginning readers will be entertained and reassured by this clever, funny twist on a dentist visit in this *I Can Read* story featuring their favorite boisterous shark. The back matter also includes fun, bite-sized facts about shark teeth! With colorful illustrations from Guy Francis and lively text from Bruce Hale, this Level One *I Can Read* is perfect for children learning to sound out words and sentences.

The Fountas & Pinnell Literacy Continuum

Beginning sounds: Beginning sounds: V v, Y y, Z z. A story about a vet and a big cat at the zoo teaches beginning readers three-letter words.

First Little Comics Parent Pack: Levels E and F

All That Glitters

For the child who says, "I want to be a veterinarian when I grow up!" And for any child who wants a gentle behind-the-

Read Book Guided Reading For Parents

scenes look at being a veterinarian. Veterinarians help sick and hurt animals feel better. Did you know that there are many different ways to be a veterinarian? When a father and child bring Gus the dog to his check-up, they learn that there are vets who work with very large animals, vets who work with wild animals—and more. *I Want to Be a Veterinarian* is part of a new I Can Read series that introduces young readers to important community helpers. This Level One I Can Read is perfect for children learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own. For anyone looking for books about community helpers for kids, the I Can Read My Community books are a great choice. The books are bright and upbeat and feature characters who are diverse in terms of gender, race, age, and body type. Kids ages 3-6 will enjoy finding out more about the people who do so much to help all of our communities.
