If you know country music, you know Bobby Braddock. Even if you don't know his name, you know the man's work. "He Stopped Loving Her Today." "D-I-V-O-R-C-E." "Golden Ring." "Time Marches On." "I Wanna Talk About Me." "People Are Crazy." These songs and numerous other chart-topping hits sprang from the mind of Bobby Braddock. A working songwriter and musician, Braddock has prowled the streets of Nashville's legendary Music Row since the mid-1960s, plying his trade and selling his songs. These decades of writing songs for legendary singers like George Jones, Tammy Wynette, and Toby Keith are recounted in Bobby Braddock: A Life on Nashville's Music Row, providing the reader with a stunning look at the beating heart of Nashville country music that cannot be matched. If you're looking for insight into Nashville, the life of music in this town, and the story of a force of nature on the Row to this day, Bobby Braddock will take you there.

Bump in the Night

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

The Supernatural Index

The beloved Pulitzer Prize-winning novel, basis of the film starring Jack Nicholson and Meryl Streep. Francis Phelan, ex-big-leaguer, part-time gravedigger, full-time bum with the gift of gab, is back in town. He left Albany twenty-two years earlier after he dropped his infant son accidentally, and the boy died. Now he's on the way back to the wife and home he abandoned, haunted at every corner by the ghosts of his violent life. Francis; his wino ladyfriend of nine years, Helen; and his stumblebum pal, Rudy, shuffle their ragtag way through the city's bleakest streets, surviving on gumption, muscatel, and black wit. estiny is not their business. 'The premise of Ironweed was so unpromising, that in marketing terms the writer still to this day finds it funny: the story of a bunch of itinerant alcoholics, knocking around Kennedy's hometown, falling out, having visions, trying to pass for sober to cadge a bed for the night in the homeless shelter.' Guardian 'But for all the rich variety of prose and event, from hallucination to bedrock realism to slapstick and to blessed quotidian peace, "Ironweed" is more austere than its predecessors. It is more fierce, but also more forgiving.' Quoted from the classic New York Times review of Ironweed, which made it an overnight sensation.

Ironweed

Few people can claim the distinction of experiencing first-hand such occurrences as hauntings and the presence of poltergeists, but countless numbers of people are fascinated by these unexplainable events. Written by the world's most knowledgeable authorities in this field, the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena. The experts come from such backgrounds as anthropology, history, philosophy, psychiatry, and sociology, and provide sober yet highly readable in-depth discussions of numerous ideas and rationalizations for hauntings and poltergeists, from a critical and scientific perspective. Divided into three major sections—sociocultural, physical and physiological, and psychological perspectives—this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists.

Kim Liggett draws on her childhood during the Satanic Panic for a chilling tale of magic in *The Last Harvest*. "I plead the blood." Those were the last words seventeen-year-old golden boy quarterback Clay Tate heard rattling from his dad's throat when he discovered him dying on the barn floor of the Neely cattle ranch, clutching a crucifix to his chest. Now, on the first anniversary of the Midland, Oklahoma, slaughter, the whole town's looking at Clay like he might be next to go over the edge. Clay wants to forget the past, but the sons and daughters of the Preservation Society—a group of prominent farmers his dad accused of devil worship—won't leave him alone. Including Ali, his longtime crush, who suddenly wants to reignite their romance after a year of silence, and hated rival Tyler Neely, who's behaving like they're old friends. Even as Clay tries to reassure himself, creepy glances turn to sinister stares and strange coincidences build to gruesome rituals—but when he can never prove that any of it happened, Clay worries he might be following his dad down the path to insanity or that something far more terrifying lies in wait around the corner.

Haunted

New York Times bestseller! Blade never asked for a life of the rich and famous. In fact, he'd give anything not to be the son of Rutherford Morrison, a washed-up rock star and drug addict with delusions of a comeback. Or to no longer be part of a family known most for lost potential, failure, and tragedy, including the loss of his mother. The one true light is his girlfriend, Chapel, but her parents have forbidden their relationship, assuming Blade will become just like his father. In reality, the only thing Blade and Rutherford have in common is the music that lives inside them. And songwriting is all Blade

has left after Rutherford, while drunk, crashes his high school graduation speech and effectively rips Chapel away forever. But when a long-held family secret comes to light, the music disappears. In its place is a letter, one that could bring Blade the freedom and love he's been searching for, or leave him feeling even more adrift. "A contemporary hero's journey, brilliantly told." —Kirkus Reviews, starred review "A rhythmic, impassioned ode to family, identity, and the history of rock and roll." —Booklist, starred review "Many readers will identify with Blade's struggle to find his place in a family where he feels like an outsider." —Publishers Weekly "The authentic character development and tone will strike a chord with young adults." —School Library Journal
