This is not a general overview of real estate flipping nor some inspirational self-help book--this is a step by step, HOW-TO blueprint to build a multi-million dollar real estate empire from scratch. Making millions renting out or flipping real estate has nothing to do with luck or even having a large budget to play with. It's all skill so let me cut years from your learning curve and save you tens of thousands of dollars in the process. I will treat you as one of my clients and take you through every bit of minutia from pre-purchase preparation to final closing, with real world data drawn from some of the dozens of investments I'm making right now in the modern marketplace and not idealized examples from the past. Whether you're a brand-new investor with a few grand in your pocket or a seasoned real estate agent representing a \$100

million fund, the key to lasting success in this business is being able to sniff out hidden equity in off-market homes before anyone else. That's precisely what I'll teach you to do faster, cheaper and smarter than any wealth management fund out there. My clients call me a "guru" and a "prodigy," my competitors "one lucky SOB," but the truth is I don't have some "Spidey sense." I can teach anyone every one of my tricks in a matter of hours. So why not? Let's have some fun. The market is sure big enough to accommodate plenty more fresh millionaires. With this vast trove of hard-learned lessons and insider tips in your corner, all you need to supply is self-discipline and ample elbow grease to turn even a few grand into millions within a few years. No luck required and the skills are provided. So what's holding you back from dominating your local market? Pre-Purchase Checklist: Will this book add value for me? Are you a stock market investor tired of being at the mercy of high-speed trading algorithms and random headline news events? Do you ever wish you had more control over your investments? Have you avoided direct real estate investment because you weren't quite sure how to leverage big data to buy off-market properties at +90% discounts, with a minimum of 30% equity? Are you a real estate professional trying to bring more value to your clients and really stand out from the pack? Would you like to take your skillset to a whole new level and earn 10x the commissions with half the work? Are you a current investor frustrated about all the competition nowadays and the ever-thinning margins? Would you like to skip the direct mailing campaigns and generate vetted leads before anyone else?
