Ravished by the King Bear Twins

Out of My Mind

Having your throat cut has a way of changing a girl so does being bitten by one of your two lovers. Luscious and curvy, that's what they called me as they shared me. Jericho behind me, his viking-huge hands on my hips, and Colt in front of me, his muscular thighs parted, generously saluting, taking what was his with a hand fixed in my fiery red hair. So my fiance had cheated. Who cares. Well, I'd cared. For months. His betrayal had eaten me alive, filling me with resentment fueled rage. I'd stopped seeing beyond the past at the cost of the present and the future. My life was stuck. Black Wolf Mountain was my answer. So, I went, leaving everyone I knew and loved behind as I searched for myself in the wilderness. Instead, death found me lying in a bed soaked with my own blood. But death is no match for a wolf not my wolves. But what about me? Is there more to me than death can take? Is there enough of me for two to love?"

The Nannies

Every Shifter has a mate. She's his. Now all he has to do is convince her that what they have between them is more than lust—much more. When Harper's life begins a death spiral, she does what any self respecting woman would do—she heads for the mountains. More specifically, Grizzly Ridge. A brand new—and very remote—lodge in the wilds of Montana where the last thing she expects to find is a very alpha, very sexy mountain man who's more than a little wild himself and doesn't waste any time reigniting feelings in her she'd long since buried. From the moment he lays eyes on her, Axel knows the curvy brunette is more than just a guest at his lodge. Much more. Every bear shifter has a mate. She's his. And whether his brothers believe in fated mates or not, nothing will keep Axel from what's his. But first he'll need to convince Harper that what she's feeling is more than lust. It's fate. Reader note: His to Protect is a full length stand alone bear shifter novel with no Cliffhangers! This series contains: strong, sassy, curvy women; sexy alpha males; steamy shifters and sizzling sex scenes.

Between Two Wolves

Justiss And Graver (BBW MFM Bear Shifter Reverse Harem Biker Romance)

Dani was born into a life torn between two extremes. On the one hand, her father built a dynasty that supported poor rural families and provided entertainment to vast regions. On the other hand, her father was responsible for a heinous wave of kidnappings and disappearances of Shifters in these same communities. Dani told herself that she didn't have a choice in the matter, that she had her part to play in all this. But even she couldn't stomach that lie any longer. The truth would come out, no matter the consequences. Holden had a throbbing headache. Not the best way to start out a Wild West show. He tried to keep his pain out of his voice as he rubbed the long snout of his horse. Horses could sense it, and a rider on edge meant a spooked horse. He tried not to think about the disappearing Shifters in the area, and instead focused on tonight's show, the last of the season. Then it would be time for a vacation. Somewhere sandy where they served drinks with those little umbrellas. But instead of a vacation, Holden would be in for the ride of his life. This 16,000+ word BBW Bear Shifter Romance Novella contains all the heat and passion you expect from a Fated Mates story!

Out of the frying pan Jesse Haley is a failure. He's wasting his life away in upstate New York, in a small, no-name town, trying to drink away his guilt. He's succeeding, too, until he ends up in a bar fight, gets shot by a cop, and then gets run over by that same cop. Things have to change. Kate Poole is a police officer. Her job is her life, and she's good at it. Her small town is more or less quiet--until Jesse Haley shows up, and her world is forever changed. Jesse is a bear Shifter, a man who can shift at will into a bear, something Kate had no idea existed. Regardless of what he is, though, she still needs to bring him in--after all, he broke the law. As Kate is taking Jesse to the police station, a car catches fire and nearly kills Kate.

Jesse, a former firefighter, saves her. He also happens to get released from his charges. Kate gets frustrated when she finds this out--and when she learns that because of all this, she's been fired. She figures out Jesse's fled back to New York City and follows him there, not sure exactly why--only her sense of dedication to her job and her twinge of infatuation towards Jesse lead her there. Back in New York City, Jesse joins up with a new Shifter firefighter station under his old boss, Crichton. Things are awkward, and unlike his old band of firefighters, these guys certainly don't feel like adopted brothers. When Kate catches up to him, Jesse learns that she's lost her job, and the two start working together--and realize Crichton may be up to something. Unfortunately, a fight with Jesse's old group nearly ruins things--but, like family, they take him back anyway. With Jesse's help, Kate figures out what Crichton's end game is. Will they be able to convince Jesse's old crew, The Forest, to help abolish this threat? USA Today Bestselling Author Becca Fanning is excited to bring you the third Firefighter Bears fated mates novel! Things are going to get hot!

Desired by the Bear

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Tempted by the Bear - Book 1

It's time at last for the Lumberjack Ball! Time to match the participants with a Lumberjack for nightly mandatory exercise? Miranda Zane's likely choice doesn't make her excited, he makes her sick. The two doctors in charge aren't likely to let the crude lumberjack put another paw on her. Especially, now they've realized they want her for themselves. ~~~~~ Excerpt ~~~~~ ?Yep, they're eating dinner now.? Andrei paused. ?Look, Carter, there's something I need to tell you.? ?Good, because I need to talk to you as well,? Carter said. The two men were quiet as they walked to the room. Neither spoke until they'd closed and locked the door and were seated across from each other in the small sitting room. ?What is it?? Carter asked, his voice wary. ?You know patient eight? The stunner with the pale skin and black hair?? Andrei asked. His voice was raspy, almost breathless. Carter wasn't sure where Andrei was going with this. ?Yes, of course. Patient eight, Miranda Zane

of Portland. What about her?? Carter replied coolly. ?You're going to think I'm nuts, but I think she's the one.? Andrei paused to let his words sink in. Carter felt his hands tighten into fists. He'd seen the arousal, but he hadn't expected this. Andrei was a playboy, but for him to call her ?the one?? Those words weren't in his vocabulary. ?I'm sorry?? Carter asked, shaking his head slightly as if he hadn't heard correctly. ?Carter, I know it sounds completely crazy, but I swear to God, I'm not making this up. While I was out there talking to her, looking at her, my bear was trying to take over. It was all I could do not to transform and claim her right there in front of everyone.? Carter moved from his seat so fast that Andrei never saw it coming. He grabbed his best friend by his shirt collar and tie and with a growl heaved him against the wall. ?You're lying. My bear told me she was ours. If she's anyone's mate, she's mine! ? Andrei's eyes grew wide, and then a deep growl left his throat. ?Carter, let go of me now, or you'll regret it.? Andrei might not be the head alpha of the Kodiak clan, but Carter knew that if he challenged him for the role of leader, Andrei would win. The smart part of Carter's brain kicked in, and he released his friend. The two men stared at each other, breathing heavily. Andrei was the first to speak, his eyes growing wide with comprehension. ?Holy xxx, dude, are you telling me you heard your bear's voice as well?? Carter nodded. ?Damn, then maybe we need to figure this out,? Andrei said, his crooked, confident smile returning for a moment. ?This calls for a drink.?

Rock (BBW Bear Shifter Secret Baby Romance)

Delphine knew the line of work she was in was dangerous. Ok, dangerous was an understatement. Being an assassin in the employ of the Mason Corporation meant you flew around unknown stretches of space and carried out your mission. Sometimes this meant you slipped poison in someone's drink and were two parsecs away while they choked on their own blood. But sometimes it meant you got sloppy and took a tranq dart from someone you weren't expecting. Waking up strapped to a chair surrounded by your Bear Shifter targets was the icing on the cake, really. Custer looked down at the woman strapped to the reinforced restraint chair. Her eyes glittered as they darted across the men and women standing around her. Her forearms flexed, strands of genetically enhanced muscle fibers pulling taut, trying to snap her handcuffs.

Not a single bead of sweat flowed down her face: she was a professional and surely very expensive. She knew she wouldn't leave this room alive, but that didn't break her. Custer couldn't help but find himself intrigued This 17,000+ word BBW Bear Shifter Romance novella has all the heat and passion you expect from a Fated Mates story!
