Hot Water Music

In what is widely hailed as the best of his many novels, Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. From a harrowingly cheerless childhood in Germany through acne-riddled high school years and his adolescent discoveries of alcohol, women, and the Los Angeles Public Library's collection of D. H. Lawrence, *Ham on Rye* offers a crude, brutal, and savagely funny portrait of an outcast's coming-of-age during the desperate days of the Great Depression.

Charles Bukowski, King of the Underground

On Cats

The best of Bukowski's novels, stories, and poems, this collection reads like an autobiography, relating the extraordinary story of his life and offering a sometimes harrowing, invariably exhilarating reading experience. A must for this counterculture idol's legion of fans.

South of No North

One of the most recognizable poets of the last century, Charles Bukowski is simultaneously a common man and an icon of urban depravity. He uses strong, blunt language to describe life as he lives it, and through it all charts the mutations of morality in modern America. *Sifting Through the Madness for the Word, the Line, the Way* is a treasure trove of confessional poetry written towards the end of Bukowski's life. With the overhang of failing health and waning fame, he reflects on his travels, his gambling and drinking, working, not working, sex and love, eating, cats, and more. *Sifting Through* is Bukowski at his most meditative – published posthumously, it's completely non-performative, and gets to the heart of Bukowski's lifelong pursuit of natural language and raw honesty. We recommend you read this as Bukowski wrote: by sifting through the madness for what hits you as the word, the line, the way.

The Stories of Paul Bowles

South of No North is a collection of short stories written by Charles Bukowski that explore loneliness and struggles on the fringes of society.

Charles Bukowski

This collection gathers previously uncollected entries from the author's autobiographical column.

Je t'aime, Albert

"A lively portrait of American literature's 'Dirty Old Man'." —Library Journal A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low life—including *Post Office*, *Factotum*, and *Women*—and made him a literary celebrity, with a major Hollywood film (*Barfly*) based on his life. Drawing on new interviews with virtually all of Bukowski's friends, family, and many lovers; unprecedented access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. "Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched biography, it wasn't the whole story." —Los Angeles Times "Engaging . . . Adroit . . . revealing." —The New York Times Book Review "A must-read for anybody who is a fan of Bukowski's writing." —The Globe and Mail (Toronto)

Pulp

This is a collection of 175 previously unpublished works by Bukowski. It contains yarns about his childhood in the Depression and his early literary passions, his apprentice days as a hard-drinking, starving poetic aspirant, and his later years when he looks back at fate with defiance.

Burning in Water, Drowning in Flame

"It began as a mistake." By middle age, Henry Chinaski has lost more than twelve years of his life to the U.S. Postal Service. In a world where his three true, bitter pleasures are women, booze, and racetrack betting, he somehow drags his hangover out of bed every dawn to lug waterlogged mailbags up mud-soaked mountains, outsmart vicious guard dogs, and pray to survive the day-to-day trials of sadistic bosses and certifiable coworkers. This classic 1971 novel—the one that catapulted its author to national fame—is the perfect introduction to the grimly

hysterical world of legendary writer, poet, and Dirty Old Man Charles Bukowski and his fictional alter ego, Chinaski.

Essential Bukowski

One of Charles Bukowski's best, this beer-soaked, deliciously degenerate novel follows the wanderings of aspiring writer Henry Chinaski across World War II-era America. Deferred from military service, Chinaski travels from city to city, moving listlessly from one odd job to another, always needing money but never badly enough to keep a job. His day-to-day existence spirals into an endless litany of pathetic whores, sordid rooms, dreary embraces, and drunken brawls, as he makes his bitter, brilliant way from one drink to the next. Charles Bukowski's posthumous legend continues to grow. *Factotum* is a masterfully vivid evocation of slow-paced, low-life urbanity and alcoholism, and an excellent introduction to the fictional world of Charles Bukowski.

sifting through the madness for the word, the line, the way

Play the Piano introduces Charles Bukowski's poetry from the 1970s. He leads a life full of gambling and booze but also finds love. These poems are full of lechery and romance as he struggles to mature.

Hot Water Music

She is asking for friendship seeking revenge whispering her name. From the Paperback edition.

Factotum

With Bukowski, the votes are still coming in. There seems to be no middle ground—people seem either to love him or hate him. Tales of his own life and doings are as wild and weird as the very stories he writes. In a sense, Bukowski was a legend in his time . . . a madman, a recluse, a lover . . . tender, vicious . . . never the same . . . these are exceptional stories that come pounding out of his violent and depraved life . . . horrible and holy, you cannot read them and ever come away the same again. Bukowski . . . "a professional disturber of the peace . . . laureate of Los Angeles netherworld [writes with] crazy romantic insistence that losers are less phony than winners, and with an angry compassion for the lost." —Jack Kroll, *Newsweek* "Bukowski's poems are extraordinarily vivid and often bitterly funny observations of people living on the very edge of oblivion. His poetry, in all its glorious simplicity, was accessible the way poetry seldom is – a testament to his genius." —Nick Burton, *PIF Magazine* Charles Bukowski (1920-1994) published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he went on to

publish more than forty-five books of poetry and prose, including books published by City Lights Publishers such as Notes of a Dirty Old Man, More Notes of a Dirty Old Man, The Most Beautiful Woman in Town, Tales of Ordinary Madness, Portions from a Wine-Stained Notebook, Absence of the Hero and The Bell Tolls for No One.

Ham On Rye

Literary Nonfiction. Memoir. There are many books about Charles Bukowski, but none like this one. Linda King's LOVING & HATING CHARLES BUKOWSKI looks at Bukowski from the other side of the mirror. It is raw, it is raucous, it is a no-holds-barred account of their five-year, on- again off-again relationship, a relationship so intense and passionate, so deep and so tender, that it makes your heart ache to watch it flame up and then flame out. This is not a scholarly examination of Bukowski but it deepens and enriches our understanding of the man and his world, written from the heart with love. It is funny, it is tragic, it is exuberant, it is heartbreaking, it is an important addition to our knowledge not only of the poet laureate of the underclass, but of the whole underground literary scene in LA and elsewhere in the 1970s, told from the perspective of a strong, liberated woman, an artist in her own right, who gave as good as she got.

Absence of the Hero

Burning in Water, Drowning in Flame is poetry full of gambling, drinking and women. Charles Bukowski writes realistically about the seedy underbelly of life.

Comes the Blind Fury

The promise of his new life begins to be fulfilled as Leonard becomes a crucial part of the surveillance team, while simultaneously being initiated into a new world of love and sex by Maria, a beautiful young German woman. It is a promise that turns to horror in the course of one terrible evening -- a night when Leonard Marnham learns just how much of his innocence he's willing to shed.

The Embassy of Cambodia

The definitive collection of works on a subject that inspired and haunted Charles Bukowski for his entire life: alcohol Charles Bukowski turns to the bottle in this revelatory collection of poetry and prose that includes some of the writer's best and most lasting work. A self-proclaimed "dirty old man," Bukowski used alcohol as

muse and as fuel, a conflicted relationship responsible for some of his darkest moments as well as some of his most joyful and inspired. In *On Drinking*, Bukowski expert Abel Debritto has collected the writer's most profound, funny, and memorable work on his ups and downs with the hard stuff—a topic that allowed Bukowski to explore some of life's most pressing questions. Through drink, Bukowski is able to be alone, to be with people, to be a poet, a lover, and a friend—though often at great cost. As Bukowski writes in a poem simply titled "Drinking,": "for me/it was or/is/a manner of/dying/with boots on/and gun/smoking and a/symphony music background." *On Drinking* is a powerful testament to the pleasures and miseries of a life in drink, and a window into the soul of one of our most beloved and enduring writers.

The Days Run Away Like Wild Horses

This collection of previously unpublished poems offers the author's take on squabbling neighbours, off-kilter lovers, would-be hangers-on, and the loneliness of a man afflicted with acute powers of observation. The tone is gritty and amusing, spiralling out towards a cock-eyed wisdom.

The Innocent

A collection of poems by contemporary American writer Charles Bukowski.

War All the Time

Run With The Hunted

POST is a look at how post-hardcore/emo music developed since its unintentional inception in the mid-1980s. With each chapter broken up by influential band or label, it focuses on a broad style of independent music that developed because of the Do-It-Yourself (DIY) ethic. Focusing on bands like Fugazi, Jawbox, Jawbreaker, Sunny Day Real Estate, Braid, the Promise Ring, Hot Water Music, the Get Up Kids, At the Drive-In, and Jimmy Eat World, as well as labels like Dischord, Jade Tree, and Vagrant, these bands and labels came from the ideas of DIY and sustained them. In turn, they inspired plenty that came after them. Looking at the surroundings and circumstances from where they came, this a look at the bonds that formed and the music that came out. ". . . a gripping, Our Band Could Be Your Life-style narrative," - Aaron Burgess, writer for Alternative Press and Revolver.

Post Office

»Die Trauerfeier für meinen Vater lag mir im Magen wie eine kalte Bulette.« »Der Mensch ist der Abschaum des Universums«, heißt es gleich in der ersten Geschichte, und die restlichen 35 geben Gelegenheit, diese Theorie zu überprüfen. Frauen und Männer, Schriftsteller und Dichter, Außenseiter der Gesellschaft, die in billigen Hotels billige Befriedigung suchen – Bukowskis Charaktere haben viel

gesehen und viel erlebt. Alkohol, Glücksspiel, Sex, das Altern und das Schreiben – die Storys umfassen die Themen, mit denen sich Bukowski Zeit seines Lebens befasst hat und die er in dieser minimalistischen Form prägnant, hart und ungeschönt auf den Punkt bringt. Ein Muss für alle Bukowski-Fans, gerade auch in der jüngeren Generation.

Septuagenarian Stew

Sharp and moving reflections and ruminations on the artistry and craft of writing from one of our most iconoclastic, riveting, and celebrated masters. Charles Bukowski's stories, poems, and novels have left an enduring mark on our culture. In this collection of correspondence—letters to publishers, editors, friends, and fellow writers—the writer shares his insights on the art of creation. *On Writing* reveals an artist brutally frank about the drudgery of work and canny and uncompromising about the absurdities of life—and of art. It illuminates the hard-edged, complex humanity of a true American legend and counterculture icon—the “laureate of American lowlife” (Time)—who stoically recorded society's downtrodden and depraved. It exposes an artist grounded in the visceral, whose work reverberates with his central ideal: “Don't try.” Piercing, poignant, and often hilarious, *On Writing* is filled not only with memorable lines but also with Bukowski's trademark toughness, leavened with moments of grace, pathos, and intimacy.

On Drinking

Edited by Abel Debritto, the definitive collection of poems from an influential writer whose transgressive legacy and raw, funny, and acutely observant writing has left an enduring mark on modern culture. Few writers have so brilliantly and poignantly conjured the desperation and absurdity of ordinary life as Charles Bukowski. Resonant with his powerful, perceptive voice, his visceral, hilarious, and transcendent poetry speaks to us as forcefully today as when it was written. Encompassing a wide range of subjects—from love to death and sex to writing—Bukowski's unvarnished and self-deprecating verse illuminates the deepest and most enduring concerns of the human condition while remaining sharply aware of the day to day. With his acute eye for the ridiculous and the troubled, Bukowski speaks to the deepest longings and strangest predilections of the human experience. Gloomy yet hopeful, this is tough, unrelenting poetry touched by grace. This is Essential Bukowski.

Bone Palace Ballet

Essential uncollected work from one of the most infamous and provocative contemporary American writers.

Septuagenarian Stew is a combination of poetry and stories written by Charles Bukowski that delve into the lives of different people on the backstreets of Los Angeles. He writes of the housewife, the bum, the gambler and the celebrity to

Hollywood

A rare and brilliant story from Zadie Smith, taking us deep into the life of a young woman, Fatou, domestic servant to the Derawals and escapee from one set of hardships to another. Beginning and ending outside the Embassy of Cambodia, which happens to be located in Willesden, NW London, Zadie Smith's absorbing, moving and wryly observed story suggests how the apparently small things in an ordinary life always raise larger, more extraordinary questions. 'It's scale is superficially small, but its range is lightly immense; in the first couple of pages, the world from Ghana to London to Cambodia enters. It is a fiction of consequences both global and heartrenchingly intimate. This voice is global, plural and local, with a delicate grip on historic consequences Works on an awesomely global scale, and the relations of slavery and mastership are traced in both personal and international scale.' Philip Hensher, *The Guardian* 'Reading it is a bit like having a starter in a restaurant that is so good you wish you had ordered a big portion as a main course, only to realise, as you finish it, that it was exactly the right amount.' 'A perfect stocking-filler of a book that shows that short-form fiction can be as vibrant and as healthy as any densely realised full-length novel.' Louise Doughty, *The Observer* 'Smith serves up a smasher.' Leyla Sanai, *The Independent* On Sunday

Play the Piano

Saturday Night Sage

War All the Time is a selection of poetry from the early 1980s. Charles Bukowski shows that he is still as pure as ever but he has evolved into a slightly happier man that has found some fame and love. These poems show how he grapples with his past and future colliding.

Emerge Literary Journal

A raw and tenderly funny look at the human-cat relationship, from one of our most treasured and transgressive writers. "The cat is the beautiful devil." Felines touched a vulnerable spot in Charles Bukowski's crusty soul. For the writer, there was something majestic and elemental about these inscrutable creatures he admired, sentient beings whose searing gaze could penetrate deep into our being. Bukowski considered cats to be unique forces of nature, elusive emissaries of beauty and love. *On Cats* offers Bukowski's musings on these beloved animals and their toughness and resiliency. He honors them as fighters, hunters, survivors who command awe and respect as they grip tightly onto the world around them: "A cat is only ITSELF, representative of the strong forces of life that won't let go." Funny, moving, tough, and caring, *On Cats* brings together the acclaimed writer's

reflections on these animals he so admired. Bukowski's cats are fierce and demanding—he captures them stalking their prey; crawling across his typewritten pages; waking him up with claws across the face. But they are also affectionate and giving, sources of inspiration and gentle, insistent care. Poignant yet free of treacle, *On Cats* is an illuminating portrait of this one-of-a-kind artist and his unique view of the world, witnessed through his relationship with the animals he considered his most profound teachers.

Tales of Ordinary Madness

Paru pour la première fois en 1983, traduit chez Grasset en 1988, *Je t'aime Albert* (Hot Water Music) est le quatrième recueil de nouvelles de Charles Bukowski. Trente-six nouvelles où on retrouve les thèmes chers à l'auteur des *Contes de la folie ordinaire* et des personnages typiques de l'univers "bukowskien" : des hommes et des femmes désespérés, alcooliques, misérables, qui commettent ou subissent des actes rageurs et violents. Où l'on verra la haine à l'oeuvre les petits chefs contre les miséreux, comme dans "Un monde pourri", avec passage à tabac de prisonniers par des policiers, et la violence de ceux qui subissent la misère, les autres, comme dans "Le Déclin et la chute", où, dans une scène de cannibalisme, un homme mange le cadavre d'un de ses amis. Dans *Je t'aime Albert*, le grand "Buk" poursuit sa chronique de l'Amérique des déclassés. De Charles Bukowski dans les *Cahiers Rouges* ; *Contes de la folie ordinaire* ; *Women* ; *L'Amour est un chien de l'enfer I et II* ; *Au Sud de nulle part* ; *Factotum* ; *Journal d'un vieux dégueulasse* ; *Le Postier* ; *Souvenir d'un pas grand chose et sarcastique*, il révèle la beauté de la crasse et la grâce de la déchéance. Publication concomitante dans les *Cahiers Rouges*, de Hollywood, du même auteur.

On Writing

Everyone's favorite Dirty Old Man returns with a new volume of uncollected work. Charles Bukowski (1920–1994), one of the most outrageous figures of twentieth-century American literature, was so prolific that many significant pieces never found their way into his books. *Absence of the Hero* contains much of his earliest fiction, unseen in decades, as well as a number of previously unpublished stories and essays. The classic Bukowskian obsessions are here: sex, booze, and gambling, along with trenchant analysis of what he calls "Playing and Being the Pet." Among the book's highlights are tales of his infamous public readings ("The Big Dope Reading," "I Just Write Poetry So I Can Go to Bed with Girls"); a review of his own first book; hilarious installments of his newspaper column, *Notes of a Dirty Old Man*, including meditations on neo-Nazis and driving in Los Angeles; and an uncharacteristic tale of getting lost in the Utah woods ("Bukowski Takes a Trip"). Yet the book also showcases the other Bukowski—an astute if offbeat literary critic. From his own "Manifesto" to his account of poetry in Los Angeles ("A Foreword to These Poets") to idiosyncratic evaluations of Allen Ginsberg, Robert Creeley, LeRoi Jones, and Louis Zukofsky, *Absence of the Hero* reveals the intellectual hidden beneath the gruff exterior. Our second volume of his uncollected prose, *Absence of the Hero* is a major addition to the Bukowski canon, essential for fans, yet suitable for new readers as an introduction to the wide range of his work. "He loads his head full of coal and diamonds shoot out of his finger tips. What a trick. The mole genius has left us with another digest. It's a full house--read 'em and weep."—Tom

Waits "This second volume of Bukowski's uncollected stories and essays offers all that Bukowski is known for—wry obscenity, smutty wisdom, seeming ramblings whose hidden smarts catch you unaware--but in addition there are moments here in which he takes off the mask and strips away the bravado to show himself at his most vulnerable and human. A must for Bukowski aficionados."—Brian Evenson, author of *Last Days* and *The Open Curtain* "Like a brass-rail Existentialist or a skid-row Transcendentalist, [Bukowski] is candid, unblinking, leaving it to his readers to cast their own judgment about his mishaps, his drinking, his sexual appetite or his own pessimism. He is Ralph Waldo Emerson as a Dirty Old Man, not lounging in the grape-arbor of Concord, Massachusetts, but bent-over a table in an L.A. flophouse scribbling in pencil to the strains of Sibelius."—Paul Maher Jr., *Phawker* "[Bukowski] could be generous and mean-spirited, heroic and defensive, spot-on and slanted, but he became the world-class writer he had set out to be; he has joined the permanent anti-canon or shadow-canon whose denizens had shown him the way. Today the frequent allusions to him in both popular and mainstream culture tend more to respect than mockery. If scholarship has lagged, this book would indicate that this situation is changing."—Gerald Locklin, *Resources for American Literary Study* "The pieces range over nearly half a century, and include a story about a baseball player seized by a sudden bout of existential paralysis, along with early, graphically sexual (and masterfully comic) stories published in such smut mags as *Candid Press*."—*Penthouse* "An absolute must for fans of Charles Bukowski's work, *Absence of a Hero* is also a welcome addition to public and college library literary studies shelves."—*Midwest Book Review*

Screams from the Balcony

Hot Water Music is a collection of short stories by Charles Bukowski, published in 1983. The collection deals largely with: drinking, women, gambling, and writing. It is an important collection that establishes Bukowski's minimalist style and his thematic oeuvre.

The Night Torn Mad With Footsteps

These 189 posthumously published new poems take us deeper into the raw, wild vein of Bukowski's that extends from the early 1980s up to the time of his death in 1994.

Loving & Hating Charles Bukowski

The short fiction of American literary cult figure Paul Bowles is marked by a unique, delicately spare style, and a dark, rich, exotic mood, by turns chilling, ironic, and wry—possessing a symmetry between beauty and terror that is haunting and ultimately moral. In "Pastor Dowe at Tecaté," a Protestant missionary is sent to a faraway place where his God has no power. In "Call at Corazón," an American husband abandons his alcoholic wife on their honeymoon in a South American jungle. In "Allal," a boy's drug-induced metamorphosis into a deadly serpent leads to his violent death. Here also are some of Bowles's most famous works, including "The Delicate Prey," a grimly satisfying tale of vengeance, and "A Distant Episode," which Tennessee Williams proclaimed "a masterpiece."

More Notes of a Dirty Old Man

Saturday Night Sage is the first full-length collection of poetry by writer, Noah C. Lekas. Hailed as a "punk séance for the beat spirit," the 42-poem collection examines mysticism and menial labor in modern America. The first literary release from San Diego record label, Blind Owl, Saturday Night Sage spans coast and country from post-industrial Wisconsin to the psychedelic rhythm of San Francisco and the poetic streets of New York City. Drawing inspiration from Jack Kerouac, Patti Smith, Bob Kaufman and Nick Cave, Lekas navigates whiskey-soaked revelation, contrarious theology and dwindling folklore with equal parts reverence and restlessness. In a time when spirituality is often confrontational and nuance is trivialized, Saturday Night Sage gives voice to an often over-looked and undervalued experience, defining the poetic voice of blue-collar mysticism. The limited-edition paperback features original cover art by Rock 'n' Roll artist Alan Forbes.

Open All Night

Opening with the exotic Lady Death entering the gumshoe-writer's seedy office in pursuit of a writer named Celine, this novel demonstrates Bukowski's own brand of humour and realism, opening up a landscape of seamy Los Angeles.

Post

This critical study of the literary magazines, underground newspapers, and small press publications that had an impact on Charles Bukowski's early career, draws on archives, privately held unpublished Bukowski work, and interviews to shed new light on the ways in which Bukowski became an icon in the alternative literary scene in the 1960s.
