Oswaal ICSE Sample Question Papers Class 9 Geography Book (Reduced Syllabus for 2021 Exam)

In *The Merchant of Venice*, the path to marriage is hazardous. To win Portia, Bassanio must pass a test prescribed by her father's will, choosing correctly among three caskets or chests. If he fails, he may never marry at all. Bassanio and Portia also face a magnificent villain, the loan shark Shylock. In creating Shylock, William Shakespeare seems to have shared in a widespread prejudice against Jews. Shylock would have been regarded as a villain because he was a Jew. Yet he gives such powerful expression to his alienation due to the hatred around him that, in many productions, he emerges as the hero. Portia is most remembered for her disguise as a lawyer, Balthazar, especially the speech in which she urges Shylock to show mercy that "droppeth as the gentle rain from heaven." *The Merchant of Venice* is an intriguing drama of love, greed, and revenge.

S CHAND'S ICSE PHYSICS BOOK 1 FOR CLASS IX

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.
