The workbook provides additional grammar exercises and further vocabulary practice. It also contains a complete writing syllabus linked to the language and situations in the student's book.

True to Life Intermediate Personal Study Workbook

A resource pack which is part of an intermediate course in American English for adults. The other materials are student's books, teacher's books (interleaved with the student's books for ease of use in class), workbooks, cassettes, CDs and business resource packs.

American Speakout, Upper Intermediate, Student Book with DVD/ROM and MP3 Audio CD

The articles in this edited volume represent a broad coverage of areas. They discuss the role and effectiveness of corpora and corpus-linguistic techniques for language teaching but also deal with broader issues such as the relationship between corpora and second language teaching and how the different perspectives of foreign language teachers and applied linguists can be reconciled. A number of concrete examples are given of how authentic corpus material can be used for different learning activities in the classroom. It is also shown how specific

learner problems for example in the area of phraseology can be studied on the basis of learner corpora and textbook corpora. On the basis of learner corpora of speech and writing it is further shown that even advanced learners of English are uncertain about stylistic and text type differences.

This book addresses the key role of phraseology in second language acquisition and instruction. It is divided into three main sections: Extracting and Describing Phraseological Units investigates the role played by native and learner corpora in the extraction and description of multiword units, two initial and crucial steps in informing language pedagogy; Learning Phraseological Units deals with the

learning aspect, an oft-neglected yet essential dimension of phraseology in second/foreign language pedagogy, this section also addresses issues in new literacies; and Recording and Exploiting Phraseological Units focuses on pedagogical tools, notably monolingual and bilingual dictionaries and textbooks. This stimulating collection presents cutting edge research in the field and identifies major avenues for future theoretical and applied work. It is of particular relevance to researchers and teachers interested in the patterned nature of language.

UZRT 2014

Evea's life had to go on after TE`'s death and the loss of her best friend. She continues to live like a queen. Evea has a beautiful estate, wealth and a sexy man to share it with. At first glance her life appears to be perfect. She believes the lover she met in prison years prior to be her savior and dream come true! Adam has managed to live up to her expectations for years. He struggled to keep her away from the truth and all that is familiar to her in the name of protection. Evea's life comes crashing down when Adam's dirty secret is revealed. Her dream soon becomes a nightmare as the truth unfolds before her eyes. The man that she lay with night after night is anything but a dream and is actually the cause of all that she has lost. Evea's world gets turned "INSIDE OUT" as the ugly truth comes full circle!

Speakout is a comprehensive General English course for young adults and adults. It features BBC content throughout and helps learners increase their confidence in all skill areas, with a strong focus on spoken and written communication.

Corpus Linguistics

Move Up: Intermediate

**New inside out. Pre-Intermediate. Student's book-Workbook.
Without key. Con CD Audio. Per le Scuole superiori**

New Inside Out

Throughout history, linguists and literary scholars have been impelled by curiosity about particular linguistic or literary phenomena to seek to observe them in action in original texts. The fruits of each earlier enquiry in turn nourish the desire to continue to acquire knowledge, through further observation of newer linguistic facts. As time goes by, the corpus linguist operates increasingly in the awareness of what has gone before. Corpus Linguistics, thirty years on, is less an innocent sortie into corpus territory on the basis of a hunch than an informed, critical reassessment of existing analytical orthodoxy, in the light of new data coming on stream. This volume comprises twenty-two articles penned by members of the ICAME (International Computer Archive of Modern and Mediaeval English) association, which together provide a critical and informed reappraisal of the facts, data, methods and tools of Corpus Linguistics which are available today. Authors reconsider the boundaries of the discipline, exploring its areas of commonality with Sociolinguistics, Language Variation, Discourse Linguistics, and Lexical Statistics and showing how that commonality is potentially of immense benefit to practitioners in the fields concerned. The volume culminates in the report of a timely and novel expert panel discussion on the role of Corpus Linguistics in the study of English as a global language. This encompasses issues such as English as an international lingua franca, 'norms' for global English, and the question of 'ownership', or who qualifies as a native speaker.

A obra incorpora todas as características da série original, como, por exemplo, as tarefas de produção oral personalizadas. Os assuntos continuam sendo atuais e pertinentes ao dia-a-dia das pessoas, favorecendo a produção oral do aluno desde o início. O Student's Book apresenta pontos gramaticais de forma indutiva (levando o aluno a descobrir a regra ou padrão) e contextualizada. Os contextos são realistas e não artificiais, o que garante maior possibilidade de associação com a vida real e, conseqüentemente, aprimorando o aprendizado. Ênfase no desenvolvimento das habilidades. O CD-ROM é agora parte do pack do aluno. Traz atividades interativas com ênfase em listening. Pode ser usado pelo aluno em casa (self-study) ou em sala de aula.
