Clear Winter Nights

A famed historian once noted that, regardless of what you think of him personally, Jesus Christ stands as the central figure in the history of Western civilization. A man violently rejected by some and passionately worshipped by others, Jesus remains as polarizing as ever. But most people still know very little about who he really was, why he was really here, or what he really claimed. Intended as a succinct introduction to Jesus's life, words, and enduring significance, *Who Is Jesus?* offers non-Christians and new Christians alike a compelling portrait of Jesus Christ. Ultimately, this book encourages readers to carefully consider the history-shaping life and extraordinary teachings of the greatest man who ever lived. Holy Spirit

People are leaving the church J.D. Greear pastors. Big givers. Key volunteers. Some of his best leaders and friends. And that's exactly how he wants it to be. When Jesus gave his disciples the Great Commission, he revealed that the key for reaching the world with the gospel is found in sending, not gathering. Though many churches focus time and energy on attracting people and counting numbers, the real mission of the church isn't how many people you can gather. It's about training up disciples and then sending them out. The true measure of success for a church should be its sending capacity, not its seating capacity. But there is a cost to this. To see ministry multiply, we must release the seeds God has placed in our hands. And to do that, we must ask ourselves whether we are concerned more with building our kingdom or God's. In *Gaining By Losing*, J.D. Greear unpacks ten plumb lines that you can use to reorient your church's priorities around God's

mission to reach a lost world. The good news is that you don't need to choose between gathering or sending. Effective churches can, and must, do both.

From Jesus to Christ

When his life comes apart, will the center hold? Chris Walker has everything. A career, a beautiful fiancée, a promising ministry opportunity, and a faith instilled in him from a young age. But when a revelation about his family comes to light at his grandmother's funeral, Chris finds himself facing questions he didn't even know he had about...well, everything. Fighting a battle within and without from those that don't understand his sudden doubts, Chris seeks refuge in a weekend with his grandfather to ask the tough questions and sort through the issues where faith meets life and disillusionment collides with truth. For those searching for the historic Christian faith that is relevant to life today, or for those who believe that a completely new faith is called for, *Clear Winter Nights* is a stirring story about faith, forgiveness, and the distinctiveness of Christianity. Through a powerful narrative and engaging dialogue, Trevin Wax shows the relevance of unchanging truth in an ever-changing world.

A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. Gospel Principles

World-renowned New Testament scholar offers a straightforward examination of what the Bible says about the Holy Spirit. Who exactly is the Holy Spirit? What does he do in our lives? How can we know him more deeply, and is it possible to tap into his power? Should we pray to the Holy Spirit? Is it possible to be aware of his promptings and speaking into our lives? Dr. Scot McKnight answers these questions and more in this comprehensive examination of what the Bible says about this divinely important, but often confusing member of the Trinity. This is the third work in a three-part series examining some of the more mysterious components of the Christian faith. Scot's *The Heaven Promise* examines the afterlife. *The Hum of Angels* elucidates the Bible's teaching on God's supernatural messengers and protectors. Now, *Open to the Spirit* examines the most mysterious member of the Trinity. Scot blogs at Patheos, a large multi-perspective blog format. It serves many influential voices from many faith and non-faith traditions. Scot's blog draws primarily a Christian readership; one that is looking for intellectual engagement and thoughtful analysis of Scripture, Theology, and Culture.

Gaining By Losing

A Study Guide and a Teacher's Manual *Gospel Principles* was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Are Miraculous Gifts for Today?

Green opens up the gripping story of the Book of Acts, highlighting the astonishing, volcanic eruption of faith found there and comparing it to the often halfhearted Christianity of the modern Western world.

Jesus, Continued - Bible Study Book

God has a plan to make your life count for eternity. Stop wasting it. You want your life to matter. To mean something. But if you're like most people, you probably don't have a compelling answer to the question, "What are you going to do with your life?" In this book, J.D. Greear considers Jesus' radical call to give your life away to the greatest cause of all. To view your life from the perspective of eternity. To start making decisions now that you'll be glad you made then. It's time to put your "yes" on the table and let God put it on the map.

Core Christianity

This ESBT volume addresses core questions about spiritual identity, examining the nature of the people of God from Genesis to Revelation through the lens of being created and formed in God's image. Benjamin Gladd argues that living out God's image means serving as prophets, priests, and kings, and he explains how God's people function in these roles throughout Scripture.

What Are You Going to Do with Your Life?

What Do All Christians Believe? For many people, words like doctrine and theology cause their eyes to glaze over, or they find them difficult to understand and struggle to see how they are relevant to daily life. But theology is far from boring—it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us. In *Core Christianity*, author, pastor, and theologian Mike Horton tackles the essential and basic beliefs that all Christians share. What is "core" to the Christian faith? In addition to unpacking these beliefs in a way that is easy to understand, Horton shows why they matter to our lives today. This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author, and it includes discussion questions for individual or group use. *Core Christianity* is perfect for those who are new to the faith, as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ.

The Spirit of the Disciplines - Reissue

Jesus cannot be dismissed as one in a long line of religious gurus peddling peace, fulfillment, and a better version of yourself. *You Don't Get Your Own Personal Jesus*, excerpted from J.D. Greear's book *Not God Enough*, captures the liberating truth that God is exactly who he says he is. You may prefer a God who is small, safe, and domesticated, a God

who thinks like you think and likes what you like. You may prefer a God you can manage, predict, and control. But what if this small version of God is holding you back from genuine, confident, world-transforming faith? God is not just a slightly better, slightly smarter version of you. He is infinite and glorious, and an encounter with him won't just change the way you think about your faith. It will change your entire life.

Systematic Theology

From a recovering "leadershipaholic": our best model is the first one. With all our sleek ministry models, it's a wonder our churches are declining—until we read Acts 6:4, "But we will give ourselves continually to prayer and the ministry of the word." After a long, sometimes trying ministry journey, Daniel Henderson was relieved to discover what the apostles knew from the start: The main thing must stay the main thing. It worked in their pagan times, and it will in ours. *Old Paths, New Power: Reviving Our Churches through Prayer and the Ministry of the Word* calls us back to the tried-and-true: pray and proclaim the word. Henderson, who leads a growing church revival ministry, guides you through the essentials of sparking a spiritual renaissance: Be a leader who walks with the Lord Develop a strong prayer culture in your life and ministry Preach with unction, dependence, and integrity Equip every saint for the work of the ministry Embrace the sufficiency of the gospel Our churches don't need fresh models and fancy things; they need the Holy Spirit, and He rains down when we pray and proclaim the word. Read *Old Paths, New Power* and follow God's master plan.

The New Elder's Handbook

Foreword by Robert Morris When Jesus needed help, He went to the Helper. Where do you go? If Jesus needed help, we all do. *Spirit-Filled Jesus* explores the role of the Holy Spirit in and through the life of Jesus, revealing aspects of His life that have not been examined before and helping you see how this applies to you. In understanding how Jesus lived His life through the power of the Holy Spirit, you will learn how to: Maintain emotional health even during hardship Redeem your relationships with friends, family, and enemies Be perfected through suffering Forgive others as Jesus forgives you Defeat the demonic with five God-given weapons Everyone knows the Holy Spirit as the Helper but may not realize He helped Jesus. Jesus resisted temptation, endured suffering, and overcame Satan, all by the power of the Spirit. You can do the same. The Spirit that empowered Jesus also lives in you! God wants us not only to admire the life of Jesus and reflect it in our lives but also to experience the same source of life-giving power that Jesus did.

The Confessions of St. Augustine

How to Live as Jesus Lived Dallas Willard, one of today's most brilliant Christian thinkers and author of *The Divine*

Conspiracy (Christianity Today's 1999 Book of the Year), presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life. He reveals how the key to self-transformation resides in the practice of the spiritual disciplines, and how their practice affirms human life to the fullest. The Spirit of the Disciplines is for everyone who strives to be a disciple of Jesus in thought and action as well as intention.

Who Is Jesus?

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies. Transformational Discipleship

In Jesus, Continued J.D. Greear focuses on a central truth that unites us: God wants to be vitally present in and through his people. To live empowered, fruitful lives, we have to become intimately aware of where God is moving in our lives, how he is speaking to us, and how he has gifted us.

The Person and Work of The Holy Spirit

Is gospel Christianity dead? Pundits are writing the obituary of historic, orthodox Christianity, but pastor and author J. D. Greear (Gospel, Stop Asking Jesus into Your Heart) believes the postmortems are premature. Jesus promised to build his church. He said that the gates of hell would not prevail against it. The church is not going away. Along with this promise, Jesus gave clear instructions for how the church would prevail. He promised to build it on the rock of the gospel. The most pressing need for Christianity today is not a new strategy. It is not an updated message. It is a return to keeping the gospel above all.

From Adam and Israel to the Church

A refreshing truth-over-technique call to small group leaders and Sunday school teachers to stay focused on continually reintroducing people to Jesus whose life and death changes everything.

You Don't Get Your Own Personal Jesus

Pastors and church leaders are in need of mature, godly elders to ensure church health, but the training of elders is often entirely missing or badly neglected. What if there were a process to proactively call and train elders? The New Elder's Handbook is designed to equip elders with the knowledge, character, and skills the office calls for. It takes church leaders through the development of a vision for ministry, recruitment of elders to carry out that vision, and specific, biblical training, providing a way to be intentional about developing elders.

Breaking the Islam Code

The experiences of the early church have much to say about issues that concern Christians today. What can Acts tell us about tongues and other manifestations of the Spirit? How should the church reach out into the world with the message of salvation? This revised BST volume from John Stott opens to us the early days of the church as recorded by Luke in the book of Acts.

1-2 Thessalonians

Your God is too small. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and control. A small God is convenient. Practical. Manageable. The truth: God is big. Bigger than big. Bigger than all the words we use to say big. Ironically, many today seem turned off by the concept of an awesome, terrifyingly great God. We assume that a God you would need to fear is guilty of some kind of fault. For us, thinking of God as so infinitely greater and wiser than we are and who would cause us to tremble in his presence is a leftover relic from an oppressive, archaic view of religion. But what if this small version of God we've created is holding us back from the greatest experience of our lives—from genuine, confident, world-transforming faith? In *Not God Enough*, J.D. reveals how to discover a God who: is big enough to handle your questions, doubts, and fears is not silent is worthy of worship wants to take you from boring to bold in your faith has a purpose and mission for you on earth is pursuing you right now God is not just a slightly better, slightly smarter version of you. God is infinite and glorious, and an encounter with Him won't just change the way you think about your faith. It'll change your entire life.

The Spiritual Exercises of St. Ignatius

Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled *Gospel*, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

Thirty Years That Changed the World

The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions that help readers engage the text at a deeper level; (2) "Gospel Glimpses" that highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" that show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" that identify how historic orthodox doctrines are

taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. Over the course of 12 weeks, this study connects Paul's letters to the Thessalonians to the lives of Christians today. These epistles encourage readers by reminding them of the salvation God will bring to all those whom he has called—strengthening them to pursue lives of holiness and love as they anticipate Jesus's return.

The Message of Acts

What if losing weight was a lot simpler than we think? What if the secret to physical health was spiritual health? I shed the weight by drawing closer to my Savior. And I wrote these 30 devotions to help others do the same. If I can do it, so can you.

Not God Enough

Not entitled to get angry? Really? It's a radical, provocative idea: We're not entitled to get offended or stay angry. The idea of our own "righteous anger" is a myth. It is the number one problem in our societies today and, as Dallas Willard says, Christians have not been taught out of it. As it turns out, giving up our "right" to be offended can be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things we can do. In *Unoffendable* readers will find something of immeasurable value—a concrete, practical way to live life with less stress. They'll adjust their expectations to fit human nature and replace perpetual anger with refreshing humility and gratitude. The book offers a unique viewpoint, challenging the idea that Christians can ever harbor "righteous anger" or that there even is such a thing for believers. Few other books exist with such a radical, provocative proposal to consider. We have no right to anger. We are to get rid of it, period. Completely. And it is possible to choose to be "unoffendable." Through the author's winsome, humorous, and conversational style, this book doesn't add another thing to do on a stressed-out person's ever-growing list. Better, it actually seeks to lift religious burdens from readers' backs and allow them to experience the joy of gratitude, perhaps for the first time, every single day of their lives.

Old Paths, New Power

Are the gifts of tongues, prophecy, and healing for today? No, say cessationists. Yes, say Pentecostal and Third Wave Christians. Maybe, say a large sector of open-but-cautious evangelicals. What's the answer? Is there an answer? *Are Miraculous Gifts for Today?* takes you to the heart of the charismatic controversy. It provides an impartial format for comparing the four main lines of thinking: cessationist, open but cautious, third wave, and Pentecostal/charismatic. The authors present their positions in an interactive setting that allows for critique, clarification, and defense. This thought-

provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. Wayne Grudem has brought online the four major views on miraculous gifts today. Downloading them into your own understanding takes effort, but the worldwide network that you join is the fellowship of the Spirit! The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

Jesus, Continued

Encourages readers to become intimately aware of God's vital presence in their lives in order to live with empowerment and purpose.

Gospel

“If there were a Guinness Book of World Records entry for ‘amount of times having prayed the sinner’s prayer,’ I’m pretty sure I’d be a top contender,” says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. “Lack of assurance” is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of “asking Jesus into your heart” or “giving your life to Jesus” often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

Gospel-Centered Teaching

Compiles stories and wisdom from three church leaders about how to foster an environment where people can grow in their Christian faith.

A Little Book for New Theologians

Stop Asking Jesus Into Your Heart

In this quick and vibrant little book, Kelly Kapic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kapic. "It is not a conversation our souls can afford to avoid."

Open to the Spirit

Today there are many excellent "introduction to Orthodoxy" books available for the inquirer and the catechumen-books on the faith, and those which narrate the long journey to the faith. Such writings have proven to be very helpful to those seeking the "pearl of great price." There are also many books and essays, both ancient and recent, that teach the newly-illuminated how to live, worship, pray, read the Holy Scriptures, and love God above all things. However, there are few modern books, and this thankfully is one of them, that tell of the potential struggles, misunderstandings, temptations, and fears which a person might encounter in his or her first five years of being in the Church. Meeting Christ at first enlightens the darkness, and reveals that which is hidden in the heart, the soul, the conscience and the mind of a person; this can bring the sinner to his knees in sorrow at the wounds that have been inflicted on others and on himself. But that initial meeting and change of life is again only the initial stage of repentance. Metropolitan Kallistos, in describing repentance in his essay, *The Orthodox Experience of Repentance*, quotes St. Theophan the Recluse: "Repentance is the starting point and foundation stone of our new life in Christ; and it must be present not only at the beginning, but throughout our growth in this life, increasing as we advance." How very useful, then, is Veronica Hughes's book, which describes how she learned what is truly involved in repentance, a purifying path where one will frequently encounter at least three hurdles: uncertainty, sorrow and even suffering. First uncertainty inevitably arises from the struggle to place one's trust fully in Jesus Christ. Veronica's book recounts many significant hurdles faced by the modern man and woman coming to an unalloyed faith. Veronica's story recounts how her physical disabilities and suffering brought her out of her deep initial involvement with new age spirituality. The attentive reader will see how easily one can be caught up by the spirit of the age and be deluded about who God is, and this delusion leads one to a false and fatal understanding about human nature and destiny. Yet the ancient, holy, diagnosis applies: we are invited to put off the "old nature which belongs to [our] former manner of life and is corrupt through deceitful lusts" (Eph. 4:22) and be "renewed in the spirit of [our] minds, and put on the new nature, created after the likeness of God in true righteousness and holiness" (Eph. 4:24). The Holy Spirit renews our identity and prepares it for Paradise, beyond anything we can imagine. In addition to these fundamental aspects of how God guides our repentance, Veronica also describes another aspect of Church life that challenges the no-longer-neophyte Orthodox man or woman today. Orthodox worship can be so beautiful and heavenly, but to the modern person who desires to know

what is happening and what it means, it can be initially very confusing. Learning how to be in the presence of God-without having to figure it all out-is not easy. Veronica's remarks are wise and helpful in this area. All the while, the author's spiritual journey was guided and aided by her pastor and the congregation of her parish, as well as the good advice of her husband. Not all people are so blessed to find such wholesome and loving guidance. Veronica had her own particular struggles-others will have a different path; that path may be no less thorny, but may it be filled with wonder and gratitude for the presence of God-Who sends His grace so abundantly to those who love Him. "In patience possess ye your souls" (Luke 21:19). (Taken from the Introduction to, "In Christ I am a New Creation, Taking up my Cross" written by Archpriest Lawrence Margitich.)

The Gift for All People

Go beyond the doctrines you already know to the Person Jesus wants you to know.

Above All

The Gift for All People is a celebration of God's gift of salvation wrapped in a collection of inspirational stories. These stories will help Christians comprehend and treasure the assurance of their salvation and will help non-Christians realize and embrace the gift of abundant, eternal life in Jesus Christ. The concluding story, written especially for this book, urges readers to give their lives to Jesus Christ and shows them how to do so. This book will provide Christians with a unique, warm, and attractive presentation of the gospel to give to non-Christian family or friends. More than anything, God wants you to be with Him. The God who designed your world, the God who placed you on the planet, simply wants you home with Him. And to bring you home, He offers you a giftthe gift of eternal salvation. My prayer is that through the pages of this book you'll see his gift like you've never seen it. If you've already accepted it, you'll thank Him again. And if you've never accepted it, I pray that you will. For it's the gift of a lifetime. A gift for all people.
