## Jesus Freaks

Interested in growing Christian servant leaders in the next generation? It doesn't happen by accident.

## **The Book of Myself**

Fourteen-year-old Jacques Châenier is drawn into the tumult of the French Revolution as he struggles to free himself from the prison of his own bitterness and find the true meaning of honor.

## **Jesus Freaks**

Christian recording group, dc Talk, captures the hearts of young people with this gripping compilation of stories about martyrs past and present. They tell of those who gave it all for God and are the ultimate Jesus Freaks. Young and old alike will ask themselves what they are trading their lives for!

## **Daring to Live on the Edge**

What would you do for the cross of Christ? For two thousand years, Christians have courageously triumphed over beatings, stonings, burnings, wild beasts, and every form of evil to boldly proclaim one truth: the name of Jesus. Voices of the Martyrs AD 33 – Today is their story and your Christian heritage. In the 16th century, English preacher John Foxe created what would later be called the “second most important book in history” after the Bible: Foxe’s Book of Martyrs. With dozens of

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

images, modernized English, and up-to-date accounts, Foxe: Voices of the Martyrs faithfully binds the testimonies of more than 50 of Foxe's heroes from the Early Church to the Reformation with Christians in the Enlightenment, the Industrial Revolution, and through the twentieth century. More importantly, Foxe: Voices of the Martyrs unites past Christians with believers today. Building on over fifty years of ministry to persecuted Christians, The Voice of the Martyrs organization shares sixty-seven stories of Christians who have stood faithfully to the death since 2000. Their courage in the face of ISIS and the Taliban, brutal dictatorships, and government crackdowns will inspire you to boldness and remind you that the same Spirit of Christ Who strengthened Stephen, Peter, and Paul is at work in you today.

### **The Last Stupid Church Book You'll Ever Read**

Inspiring stories of revolutionaries-those who stood up against the culture of their day to make a difference for Christ.

### **Sister Freaks**

Get off the sidelines of ministry and let Jesus work through you as you pray, go, and give of yourself to make an eternal difference.

## **Under God**

A classic and impassioned account of the first revolution in the Third World. This powerful, intensely dramatic book is the definitive account of the Haitian Revolution of 1794-1803, a revolution that began in the wake of the Bastille but became the model for the Third World liberation movements from Africa to Cuba. It is the story of the French colony of San Domingo, a place where the brutality of master toward slave was commonplace and ingeniously refined. And it is the story of a barely literate slave named Toussaint L'Ouverture, who led the black people of San Domingo in a successful struggle against successive invasions by overwhelming French, Spanish, and English forces and in the process helped form the first independent nation in the Caribbean.

## **Changing Our Minds**

Brilliantly researched and wonderfully written, LOVE AND CAPITAL reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death. Drawing upon previously unpublished material, acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage. Through it, we see Karl as never before: a devoted father and husband, a prankster who loved a party, a dreadful procrastinator, freeloader, and man of wild

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

enthusiasms-one of which would almost destroy his marriage. Through years of desperate struggle, Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece, *Capital*. An epic narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century, *LOVE AND CAPITAL* is a surprising and magisterial account of romance and revolution-and of one of the great love stories of all time.

### **The Irresistible Revolution**

Our day-to-day experiences over the past decade have taught us that there must be limits to our tremendous appetite for energy, natural resources, and consumer goods. Even utility and oil companies now promote conservation in the face of demands for dwindling energy reserves. And for years some biologists have warned us of the direct correlation between scarcity and population growth. These scientists see an appalling future riding the tidal wave of a worldwide growth of population and technology. A calm but unflinching realist, Catton suggests that we cannot stop this wave - for we have already overshot the Earth's capacity to support so huge a load. He contradicts those scientists, engineers, and technocrats who continue to write optimistically about energy alternatives. Catton asserts that the technological panaceas proposed by those who would harvest from the seas, harness the winds, and farm the deserts are ignoring the fundamental premise that "the principals of ecology apply to all living things." These principles tell us that,

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

within a finite system, economic expansion is not irreversible and population growth cannot continue indefinitely. If we disregard these facts, our sagging American Dream will soon shatter completely.

### **Jesus Freaks**

A founding member of The Simple Way, a radical faith community in North Philadelphia, describes an authentic faith rooted in belief, action, and love, offering an invitation into the movement that begins inside each individual and extends into a broken world. Original. 20,000 first printing. \$15,000 ad/promo.

### **Jesus Freaks**

“This Is Your Brain on Joy is a thoughtful, practical, life-changing book that will help you take advantage of the latest neuroscience research—combined with biblical insights—to bring more joy and love into your life.” —from the Foreword by Daniel G. Amen, MD Author and speaker for the PBS special Change Your Brain, Change Your Life What does your brain have to do with experiencing joy? A lot more than most of us realize. In this breakthrough book, Dr. Earl Henslin reveals how the study of brain imaging turned his practice of psychotherapy upside down—with remarkably positive results. He shares answers to puzzling questions, such as Why

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

isn't my faith in God enough to erase my blue moods? Why haven't I been able to conquer my anger? Pray away my fear and worry? Why can't I find freedom from secret obsessions and addictions? Using the Brain System Checklist, Dr. Henslin explains what happens to the 5 Mood Centers in the brain when any of those areas are out of balance. This is great news, especially for those tortured by the fear that something is fundamentally wrong with them when the problem actually lies between their ears. Read this practical, easy-to-understand, and often entertaining book, and you'll know exactly how to nourish your mind, balance your brain, and help others do the same. After all, the capacity for joy is a terrible thing to waste.

### **Ringside Seat to a Revolution**

From the authors of million-seller Jesus Freaks comes an unflinching look at America's triumphs and tragedies living Under God.

### **Love and Capital**

What does it mean to be an adult? Different individuals and cultures will answer differently, but they all will have one common theme: self-sufficiency. Here is where the problem lies for the Christian. On the one hand, the world needs grown-ups, now more than ever. But if growing up is mainly about self-sufficiency and self-

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

reliance, the gospel runs diametrically opposed to both of those things. The gospel tells us, in fact, that we need to "grow down"—to become like children. True maturity, according to Jesus, is entering the kingdom of heaven like a child. In *Growing Down*, Michael Kelley wrestles with Jesus' words that the kingdom of heaven belongs to the likes of little children. If that is true, then we must grow down in characteristics that make us functional and effective adults, if we want to truly grow up in Christ.

### **Overshoot**

Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church? • Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess • Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment • Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship, the authors of the international bestseller *The Jesus Mysteries* decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught. In addition, the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism, which promise happiness and immortality to those who attain the state of Gnosis, or

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

enlightenment. This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today. From the Trade Paperback edition.

### **Jesusfreak**

Evangelicalism faces an uncertain future. In this book, written just before his death, Calvin Miller takes a critical and prophetic look at the movement he loved, believing we can only shape the future if we understand the present. American evangelicalism, he warns, has largely adapted to the culture and as a result, is waning in its vitality and influence. Rather than counting on some grand revival, Miller writes that revitalizing the heart of evangelical Christianity will instead happen one person at a time. *The Vanishing Evangelical* looks at the broad cultural influences that are shaping the whole movement, and Miller's sage counsel challenges the reader to confront these forces personally and take steps toward a personal, vital spirituality.

Makane thought he'd seen it all until he awoke on the morning of Easter Sunday 2015, to a world filled with bleeding rain, ravenous zombies, a homicidal ghost, and the sudden arrival of two men with extraordinary powers who both claim to be Jesus Christ in the flesh.

### **God's Forever Family**

Yousef, whose mother threatened to kill him for having a Bible, now smuggles Bibles the way his family once smuggled drugs. After Parveen's employer beats her for attending church, Parveen begins to help other young Christian women who work in Muslim houses. Abdulmasi kills hundreds of Christians in northern Nigeria with no remorse—until the day he chooses a new life of faith and sacrifices everything for a God of love. What can we learn from these faith-filled brothers and sisters around the world? How can we pray for them? And what do their remarkable stories teach us about a God whose light shines in a dark world? I Am N reminds us that we are each “N”—as radical Muslims in Iraq identify followers of Jesus the Nazarene. Wherever we live, we have camaraderie with those who are persecuted. So come meet their families. Read their stories. Deepen your faith in a God who gives us the courage to shine in a dark and hurting world.

The story of an unexpected and terribly inconvenient Christian conversion, told by a very unlikely convert, *Take This Bread* tells the story of a restaurant cook and writer who wandered into a church and found herself transformed, setting up a food pantry around the same altar where she first received the body of Christ.

### **T4t**

Bestselling author and award-winning singer Rebecca St. James brings together a group of inspirational true stories about young women who gave their all for Jesus.

### **The Black Jacobins**

Believe that healing and health is God's will for you! Healing for all sickness was included in the work of Jesus on the cross. The question is: Are you experiencing God's supernatural healing in your life? This book supplies Biblical insights about how God included healing for our bodies as a benefit of our redemption and how to freely obtain His healing by faith. Your questions and misbeliefs about healing will be replaced with simple truth and faith to believe and receive God's healing for you. Be inspired by the sacrifice of Jesus and how we have been healed by His wounds. Build your faith to receive God's healing and live in divine health. Receive God's healing in your own life!

## **This Is Your Brain on Joy**

God has always been interested in turning unlikely people into his most fervent followers. Prostitutes and pagans, tax collectors and tricksters. The more unlikely, the more it seemed to please God and to demonstrate his power, might, and mercy. America in the 1960s and 1970s was full of unlikely people--men and women who had rejected the stuffy religion of their parents' generation, who didn't follow the rules, didn't fit in. The perfect setting for the greatest spiritual awakening of the 20th century. With passion and purpose, Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement, an extraordinary time of mass revival, renewal, and reconciliation. Setting fascinating personal stories within the context of one of the most tumultuous times in modern history, the authors draw important parallels with our own time of spiritual apathy or outright hostility, offering hope for the next generation of unlikely believers--and for the next great American revival. Those who lived through the Jesus Revolution will find here an inspiring reminder of the times and people that shaped their lives and faith. Younger readers will discover a forgotten part of recent American history and, along with it, a reason to believe that God is not finished with their generation.

Tommy Fergerson intertwines the story of his life and what prepared him for the hard decisions that he would face after a tragic skydiving accident. His straightforward attitude and ability to laugh at his own situations brings out his unique humor and internal strength. "What the Freak Did I Hit?" tells of the people and the behind the scenes details that his helmet camera could not capture. Sit back and marvel in the tenacity of his everyday life and the compassion of those that meet him. Tommy's high energy is contagious and refreshing.

### **What the Freak Did I Hit?**

One of the most important exponents of Situationist ideas, this treatise presents an impassioned critique of modern capitalism and serves as a cornerstone of modern radical thought. Originally published in early 1968, the book both kindled and colored the May 1968 upheavals in France that captured the attention of the world. In the political climate of today, Raoul Vaneigem's important work of radical anticapitalist thought has struck a new chord with the worldwide Occupy Movement. Naming and defining the alienating features of everyday life in consumer society—survival rather than living in full, the call to sacrifice, the cultivation of false needs, the dictatorship of the commodity, subjection to social roles, and the replacement of God by the economy—the book argues that the countervailing impulses that exist deep within this alienation, such as creativity, spontaneity, and poetry, present an authentic alternative to nihilistic consumerism.

### **Difference Makers - Bible Study Book**

"Directed by Desire . . . is a powerful addition to the entire canon of American poetry."--Booklist Now in paperback, Directed by Desire is the definitive overview of June Jordan's poetry. Collecting the finest work from Jordan's ten volumes, as well as dozens of "last poems" that were never published in Jordan's lifetime, these more than six hundred pages overflow with intimate lyricism, elegance, fury, meditative solos, and dazzling vernacular riffs. As Adrienne Rich writes in her introduction, June Jordan "wanted her readers, listeners, students, to feel their own latent power--of the word, the deed, of their own beauty and intrinsic value." From "These Poems": These poems they are things that I do in the dark reaching for you whoever you are and are you ready? The cloth edition of Directed by Desire was selected as a Library Journal Poetry Book of the Year and received the Lambda Book Award for Lesbian Poetry. June Jordan taught at UC Berkeley for many years and founded Poetry for the People. Her twenty-eight books include poetry, essays, fiction, and children's books. She was a regular columnist for The Progressive and a prolific writer whose articles appeared in The Village Voice, The New York Times, Ms. Magazine, and The Nation. ### **Jesus Freaks**

CHANGING OUR MINDS is an experiential tour through a social, spiritual and scientific revolution that is redefining our culture's often-confusing relationship with psychoactive substances. Veteran journalist Don Lattin chronicles the inspiring stories of pioneering neuroscientists, psychotherapists, spiritual guides and ordinary people seeking to live healthier lives by combining psychedelic drugs, psychotherapy, and the wise use of ancient plant medicines. In ground-breaking clinical trials, specially trained therapists employ Ecstasy (MDMA) to help U.S. veterans struggling with the psychological aftermath of war. Other psychiatrists in government-approved research offer psilocybin, to alcoholics trying to get sober and cancer patients struggling with the existential distress of a life-threatening illness. Meanwhile, new imaging technology has enabled neuroscientists to map the psychedelic brain in real time, deepening our understanding of human consciousness. the essential primer for understanding and navigating this new consciousness-raising territory.

### **Take this Bread**

El Paso/Juárez served as the tinderbox of the Mexican Revolution and the tumultuous years to follow. In essays and archival photographs, David Romo tells the surreal stories at the roots of the greatest Latin American revolution: The sainted beauty queen Teresita inspires revolutionary fervor and is rumored to have blessed the first rifles of the revolutionaries; anarchists publish newspapers and hatch plots against the hated Porfirio Diaz regime; Mexican outlaw Pancho Villa eats ice cream cones and rides his Indian motorcycle happily through downtown; El Paso's gringo mayor wears silk underwear because he is afraid of Mexican lice; John Reed contributes a never-before-published essay; young Mexican maids refuse to be deloused so they shut down the border and back down Pershing's men in the process; vegetarian and spiritualist Francisco Madero institutes the Mexican revolutionary junta in El Paso before crossing into Juárez to his ill-fated presidency and assassination; and bands play Verdi while firing squads go about their deadly business. Romo's work does what Mike Davis' City of Quartz did for Los Angeles—it presents a subversive and contrary vision of the sister cities during this crucial time for both countries. David Dorado Romo, the son of Mexican immigrants, is an

A revolutionary look at the early life of Christ. Drawing on new evidence from the historical and archeological record, as well as insightful close readings of both the canonical and the Gnostic Gospels, Dr. Jean-Pierre Isbouts paints a fascinating portrait of Jesus as a grass-roots reformer with a social agenda who's as much dissident as messiah. Dr. Isbouts reveals an adolescent Jesus scarred by peasant rebellion, economic repression, and the wholesale displacement of the Galilean peasantry. Using modern economic, forensic, and psychological models as well as information from Roman and Jewish documents, Isbouts shows how these

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

horrifying conditions galvanized Christ's mission as a social activist and religious rebel. Isbouts's approach is sophisticated and secular, though respectful of faith, and results in a narrative of compelling interest for a wide range of readers—from scholars to skeptics to believers. A 16-page color insert with photos of historic sites, archaeological digs, and artwork enhances the text.

church. But today, Christians around the world continue to stand boldly for Christ despite ongoing persecution. These are their stories. · Pastor Han--Stabbed to death by North Korean agents for sharing the gospel with North Koreans in China · Jean-Pierre Werner and Rodé Groenewald--Killed in a Taliban attack on their home in Afghanistan · Fatima Al-Mutairi--Killed by her brother after becoming a Christian in Saudi Arabia · Habila--Survived being shot in the face by Boko Haram militants after refusing to renounce Christ Persecution has always accompanied followers of Jesus, who invited His followers to come and die. Some were jeered at, and their backs were cut open with whips. Others were chained in prisons. Some died by stoning, some were sawed in half, and others were killed with the sword. Some went about wearing skins of sheep and goats, destitute and oppressed and mistreated. They were too good for this world, wandering over deserts and mountains, hiding in caves and holes in the ground. --Hebrews 11:36-38 Faithful Christians around the world are still suffering and dying for the name of Christ. Their stories inspire and encourage each of us to follow Christ, no matter the cost.

### **The Vanishing Evangelical**

Who would have imagined that the hippies, those long-haired, psychedelia-influenced youth of the 1960s, would have initiated a spiritual revolution that has transformed American Christianity? If you are unfamiliar with the 1960s, the counterculture, the hippie movement, and the Jesus People, then this book will

## Bookmark File PDF Jesus Freaks Stories Of Revolutionaries Who Changed Their World Fearing God Not Man Dc Talk

transport you to that era and introduce you to the generation and the decade that turned American culture upside down. If you have read other books on the Jesus People, this account will take you by surprise. A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement, this book argues that the Jesus People, though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood, helped American Christianity negotiate a way forward in a post-1960s culture. It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism. Although utterly central, the Jesus People's Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism. This account uniquely redresses this omission.

### **Growing Down**

The year is 26 C.E. A young Nazarean carpenter is having some trouble adjusting to the violent world around him and finding his place within it. He knows he's different, but he doesn't know why. Not yet, anyway. A bloody, two-fisted tale of historical heroic fiction brought to you by JOE CASEY (SEX, BUTCHER BAKER, THE RIGHTEOUS MAKER, MCMLXXV) and BENJAMIN MARRA (Night Business, Terror Assaulter: O.M.W.O.T.).

## **Jesus on Leadership**

"No one can understand how feminism has evolved without reading this radical, inflammatory second-wave landmark." —Naomi Wolf Originally published in 1970, when Shulamith Firestone was just twenty-five years old, and going on to become a bestseller, *The Dialectic of Sex* was the first book of the women's liberation movement to put forth a feminist theory of politics. Beginning with a look at the radical and grassroots history of the first wave (with its foundation in the abolition movement of the time), Firestone documents its major victory, the granting of the vote to women in 1920, and the fifty years of ridicule that followed. She goes on to deftly synthesize the work of Freud, Marx, de Beauvoir, and Engels to create a cogent argument for feminist revolution. Identifying women as a caste, she declares that they must seize the means of reproduction—for as long as women (and only women) are required to bear and rear children, they will be singled out as inferior. Ultimately she presents feminism as the key radical ideology, the missing link between Marx and Freud, uniting their visions of the political and the personal. In the wake of recent headlines bemoaning women's squandered fertility and the ongoing debate over the appropriate role of genetics in the future of humanity, *The Dialectic of Sex* is revealed as remarkably relevant to today's society—a testament to Shulamith Firestone's startlingly prescient vision. Firestone died in 2012, but her ideas live on through this extraordinary book.
