and 5th grade. Perhaps you have a child who loves writing and wants to develop their skills. Or perhaps your child is a reluctant writer who needs to practice writing essays and stories to keep up with their peers. Whatever the case may be, you'll find this journal filled with writing prompts is perfect for improving children's imagination, creativity, reading skills, vocabulary and comprehension. The writing prompts in this book are ideal for children in the 2nd, 3rd, 4th and 5th grade, but older students will also enjoy the interesting topics and fun story-starters. This is an ideal book for parents looking for a way to extend their child at home. What's more, the finished journal makes a fantastic keep-sake. If you homeschool or tutor a child, this is a great way to get their creative juices flowing. Teachers will love this brilliant book of prompts with a topic for every occasion. You'll never run out of creative writing ideas and interesting story starters. This book is a great gift for aspiring writers. Here are a few examples of great prompts in the book: You blow out your birthday candles and make a wish. Immediately the wish comes true. What did you wish for? What happens? Your dad is a scientist. One of his top-secret projects is to bring the dinosaurs back to life. He's brought a baby dinosaur home from the lab. How do you look after it? What type of transportation will people have in the future? A strange little door appears in your bedroom. You can squeeze through the door if you try. What do you find on the other side? Writing prompts include interesting story starters, but also 'would you rather' questions (like would you rather be able to fly or be incredibly strong) and persuasive essay topics to improve debating skills.

The first book in the revolutionary New York Times bestselling *Expanse* series, a modern masterwork of science fiction. *Leviathan Wakes* introduces Captain James Holden, his crew, and Detective Miller as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system - Mars, the Moon, the Asteroid Belt and beyond - but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for - and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to
