MEGHAN MARKLE AND KATE MIDDLETON: The Wives of Windsor - 2 Books in 1 Featuring *Meghan Markle* Kate Middleton 2 Great Books in 1! Meghan Markle In 2017, American cable television actress Meghan Markle topped Google's annual list of the most searched actors of the year. This would be her second year in a row. She bested, for example, the likes of box office record-breaking Wonder Woman, Gal Gadot, and the living legend herself, multiple

Academy Award winner Meryl Streep. Compared to these two names, Ms. Markle's acting resume is thin. As a matter of fact, for many people, she seemed to have come out of nowhere. Only a handful of things can propel a person from relative obscurity to a name in lights. Even little girls all over the world would know the answer to this - a dashing Prince Charming must have found his Cinderella against all odds. They will marry in a beautiful, lavish ceremony before an adoring public and live happily ever after. Kate Middleton In the lead up to the 20th anniversary of his mother's death, Prince Harry - brother in law to Kate Middleton - made some interesting observations about the monarchy. He firstly said that the younger generation of royals feels that it is their role to modernize the monarchy. In so doing, these royals believe, they will maintain it's popularity and sustain it's role for doing good. They consider that, by bringing the House of Windsor into line with 21st century thinking, attitudes and lifestyles, they will enhance their own standing. In extending the idea of duty and responsibility to Great Britain, to the Commonwealth and, where possible, the world, he recognized that one day one of the young royals would be monarch themselves. It was just that, none of them wanted to do it. They knew that they would have to, but just as hoovering the sitting room or putting out the bins has to be done but is not much fun, it is a necessary but unappealing job. We can wonder whether this thought was anywhere in the mind of Kate Middleton, Berkshire lass, when she agreed to marry Prince William? And one day become his queen.

Veteran style journalist Elizabeth Holmes expands her popular Instagram series, *So Many Thoughts*, into a nuanced look at the fashion and branding of the four most influential members of the British Royal Family: Queen Elizabeth II; Diana, Princess of Wales; Catherine, The Duchess of Cambridge; and Meghan, The Duchess of Sussex. Kate Middleton and Meghan Markle are global style icons, their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. With one section devoted to each woman, *HRH* is a celebration of their stories and their style, pairing hundreds of gorgeous photographs with extensive research. A picture emerges of the British monarchy's evolution and the power of royal fashion, showing there's always more than what meets the eye.

This Is a Book for People Who Love the Royals

From the bestselling author of *William and Harry* and renowned Royal Family news correspondent Katie Nicholl, comes the first in-depth biography of Kate Middleton, Duchess of Cambridge. Katie Nicholl, bestselling author and royal correspondent for *The*

Mail on Sunday, gives an inside look into the life of the future Queen of England, Kate Middleton. Since becoming Duchess Catherine of Cambridge in 2011, Middleton has captivated royals fans around the world and now, Nicholl delivers the story of her early life, first romances, and love with Prince William. Nicholl will reveal new details on Middleton's initiation into royal life and, of course, her first pregnancy.

The Making of a Royal Romance

In 1977, Robert Lacey's bestselling MAJESTY was the first serious biography of Elizabeth II, defining the affection for the Queen that underlay the popular success of the Silver Jubilee. Now, on the fiftieth anniversary of her accession, ROYAL brings her remarkable story up to date. It provides a fresh portrait of her relationship with Prince Philip, and its effect on their children; it describes how the Queen has worked to live up to and maintain her strongly held beliefs, shaped over the years by the wishes and dreams - and sometimes the anger and unhappiness - of the people; and it explains how and why the monarchy continues to enjoy such enduring support. In addition, the Jubilee Paperback edition has been updated to reflect all the fast-changing events of the Jubilee year, specifically: * The controversy over the work activities of Prince Edward and Sophie * Prince Harry's escapades with drink and drugs * The death of Princess Margaret * The death of royal critic Lord Altrincham

The Future Royal Family

INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER
The first, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and

Meghan. For the very first time, *Finding Freedom* goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, *Finding Freedom* is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world.

William & Harry

From the line of succession to the Queen's corgis, this charming book is a perfect primer on the fascinating world of British royalty. Full of fun facts and surprising stories to delight longtime enthusiasts and new fans alike, *This Is a Book for People Who Love the Royals* digs into all of the aspects of everyone's favorite monarchy. Uncover the history of British royalty and answers to common questions -- like how royal titles work, who is in the line of succession, and why the guards at Buckingham Palace never smile -- as well as deep dives into fashion, jewelry, and other palace perks. Profiles of popular family members, including Her Majesty Queen Elizabeth II, Princess Diana, Prince

William and Kate Middleton, and more, add personality to this irresistible celebration of the crown.

Royal

They have been dubbed 'the modern royals' by the world's media, and have not only won the hearts and the loyalty of millions of people around the world, but have helped to re-establish the British royal family as an important, and largely admired, presence in national and international affairs. In short, Their Royal Highnesses the Duke and Duchess of Cambridge - also known simply as 'William and Kate' - have done as much as anyone to bring the royal family into the twenty-first century, and to keep it firmly in the national consciousness. The birth of Prince George, their first child, on 22 July 2013, fuelled such a worldwide media and public frenzy that it became the most talked-about event of the year. The birth of a future heir, combined with the historic possibility of the first baby to be born not only to a Queen-in-waiting, but to the son of the much mourned Diana, Princess of Wales, accounted for much of the excitement, but that was stoked by a natural affection for the young couple. From the beginning, the world had watched with bated breath as the charming Prince William and his future bride overcame the struggles of university, rumours and a brief break-up before finally reconciling and becoming engaged. Their ceremonial wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but

also for the perception of the monarchy. The Duke and Duchess of Cambridge have come to embody the spirit and hope of their nation, and their deserved popularity has had a profound effect upon the future of the royal family. As well as a history of the young couple's romantic relationship, this in-depth book chronicles the next chapters in this modern fairy tale, backed by beautiful photographs, fascinating facts and expert analysis. Now completely revised and updated to cover the period from the birth of Prince George to the arrival of the new prince or princess in April 2015, the book is both an intriguing insight into modern royalty, and an unrivalled souvenir.

A Year in the Life of a Duchess

The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling *William and Harry and Kate*. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In *Harry*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. *Harry: Life, Loss, and Love* features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his family, in particular, the Queen, his father, stepmother, and

brother, and reveals his secret "second family" in Botswana. She uncovers new information about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. Harry is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade.

Harry and Meghan

BIOGRAPHY & AUTOBIOGRAPHY. Kate Middleton is one of the most adored and admired royals at any time. This stunning book tells her life story in full colour imagery and with a specific focus on special events and people in her life.

HRH

The fantastic conclusion to the Immortal Empire series that started with the spectacular God Save the Queen. Xandra Vardan thought life would be simpler when she accepted the goblin crown and became their queen, but life has only become more complicated. Everyone -- vampires, werewolves, and humans -- wants the goblins on their side, because whoever has the goblins --wins. With human zealots intent on ridding the world of anyone with plagued blood and supernatural politics taking Britain to the verge of civil war, Xandra's finding out that being queen isn't all it's cracked up to be, and if she doesn't do something fast, hers will be the shortest reign in history. The Immortal EmpireGod Save the QueenThe

Queen is Dead Long Live the Queen

American Royals

The first in an alternate fantasy series where vampires, werewolves, and goblins rule London. Queen Victoria rules with an immortal fist. The undead matriarch presides over a Britain where the Aristocracy is made up of werewolves and vampires, where goblins live underground and mothers know better than to let their children out after dark. It's a world where the nobility are infected with the Plague (side-effects include undeath), Hysteria is the popular affliction of the day, and leeches are considered a delicacy. And a world where technology lives side by side with magic. The year is 2012 and Pax Britannia still reigns. Xandra Vardan is a member of the elite Royal Guard, and it is her duty to protect the Aristocracy. But when her sister goes missing, Xandra will set out on a path that undermines everything she believed in and uncover a conspiracy that threatens to topple the empire. And she is the key -- the prize -- in a very dangerous struggle. The fantastic start to The Immortal Empire series that continues with the spectacular undead books, The Queen is Dead and Long Live the Queen. The Immortal Empire God Save the Queen The Queen is Dead Long Live the Queen

Long Live the Queen

With her glossy dark hair, classic looks, natural appearance and cut-glass accent, Kate Middleton displays all the poise and breeding expected from the

wife-to-be of the heir to the throne. Sophisticated beyond her years, as well as academically gifted, Kate has charmed William's louche circle of friends as well as the House of Windsor. Yet behind her polished veneer lies the extraordinary tale of an impoverished working-class family that overcame deprivation and adversity to rise to the upper echelons of society. Claudia Joseph has spoken to members of Kate's family and friends, who have provided an intriguing insight into the extraordinary journey her family has made from the mining villages of Durham to an apartment in the royal residence of Clarence House. Drawing on exclusive interviews and containing previously unpublished photographs, this is an authoritative account of Kate Middleton's life so far.

"In an alternate America, princesses Beatrice and Samantha Washington and the two girls wooing their brother, Prince Jefferson, become embroiled in high drama in the most glorious court in the world."--Provided by publisher.

Raising Royalty

****A Wall Street Journal bestseller**** This blockbuster narrative provides the first behind-the-scenes, authoritative account of the Duke and Duchess of Sussex's marriage, by the New York Times bestselling author of *Diana in Private*. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne, as a consequence of his

marriage to the beautiful and dynamic Hollywood actress and "Suits star" Meghan Markle, makes for fascinating reading in this groundbreaking book from Lady Colin Campbell, who is the New York Times bestselling biographer of books on Princess Diana, the Queen Mother, and Queen Elizabeth's marriage. With a unique breadth of insight, Lady Colin Campbell goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since King Edward VIII's abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, revealing why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and leads the reader through the maze of contradictions Meghan and Harry have created—while also evoking the Californian culture that has influenced the couple's conduct. *Meghan and Harry: The Real Story* exposes how the royal couple tried and failed to change the royal system—by adapting it to their own needs and ambitions—and, upon failing, how they decided to create a new system—and life—for themselves.

Kate

Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie

'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

What You Wish For

From the bestselling author of William and Harry and renowned Royal Family news correspondent Katie Nicholl, comes the first in-depth biography of Kate Middleton, Duchess of Cambridge. Katie Nicholl, bestselling author and royal correspondent for The Mail on Sunday, gives an inside look into the life of the future Queen of England, Kate Middleton. Since becoming Duchess Catherine of Cambridge in 2011, Middleton has captivated royals fans around the world and now, Nicholl delivers the story of her early life, first romances, and love with Prince William. Nicholl will reveal new details on Middleton's initiation into royal life and, of course, her first pregnancy.

Prince William

WITH EXCLUSIVE PICTURES BY ARTHUR EDWARDS

MBE. With the world watching, Prince George Alexander Louis of Cambridge, third in the line of succession to the throne, was born on 22 July 2013. The next day, his proud parents stepped out of St Mary's Hospital, London to present their baby to the excited crowds. From the beginning, the world had watched with bated breath as the charming prince and his future bride overcame the struggles of university, rumours and a brief breakup before finally reconciling and becoming engaged. The royal wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but also for the perception of the monarchy. When the Palace announced the Duchess's much-anticipated pregnancy in 2012, a public frenzy surrounded the arrival of the heir to the throne. Now that the Duke has left the military to focus on his royal duties and charity work, there is already speculation as to whether George will follow in his father's footsteps, with a passion for wildlife and conservation. As well as a history of the young couple's romantic relationship, this in-depth book chronicles the next chapter of this modern-day fairytale and is packed with beautiful photographs, fascinating facts and expert analysis. An intriguing insight and unrivalled souvenir, this is an essential read for royalists and romantics. alike

Kate

Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé,

Royals at War, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan’s relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan’s lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore

Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they've turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry's infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid's laser focus on the duchess' every movement—for good or ill—this is the true story of Harry and Meghan's split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age.

Finding Freedom

A moving and compulsively readable look into the lives, loves, relationships, and rivalries among the three women at the heart of the British royal family today: Queen Elizabeth II, Camilla Parker-Bowles, and Kate Middleton—from the #1 New York Times bestselling author of *The Good Son*, *These Few Precious Days*, and *The Day Diana Died*. One has been famous longer than anyone on the planet—a dutiful daughter, a frustrated mother, a doting grandmother, a steel-willed taskmaster, a wily stateswoman, an enduring symbol of an institution that has lasted a thousand years, and a global icon who has not only been an eyewitness to history but a part of it. One is the great-granddaughter of a King’s mistress and one of the most famous “other women” of the modern age—a woman who somehow survived a firestorm of scorn to ultimately marry the love of her life, and in the process replace her arch rival, one of the most beloved figures of the twentieth century. One is a beautiful commoner, the university-educated daughter of a flight attendant-turned-millionaire entrepreneur, a fashion scion the equal of her adored mother-in-law, and the first woman since King George V’s wife, Queen Mary, to lay claim to being the daughter-in-law of one future king, the wife another, and the mother of yet another. *Game of Crowns* is an in-depth and exquisitely researched exploration of the lives of these three remarkable women and the striking and sometimes subtle ways in which their lives intersect and intertwine. Examining their surprising similarities and stark differences, Andersen travels beyond the royal palace walls to illustrate who these three women really are today—and how they will directly reshape the landscape of the monarchy.

Kate

Learn about the inspirational story of Kate Middleton In *Kate Middleton: A Biography of the Duchess of Cambridge* you will learn about Kate Middleton's magical life. Kate Middleton's story seems like a modern-day fairytale; a girl from relatively humble beginnings is now a beautiful young woman living the life of a princess. Catherine, Duchess of Cambridge; her husband, Prince William; and brother-in-law, Prince Harry, have endeared themselves to people worldwide with their down-to-earth nature, willingness to laugh at themselves and accessibility. As interest in the royals continues to gain legions of new fans, there is more and more interest in their histories: What has made Kate the woman she is today? How did Kate meet her prince? What is her life like now? Read this biography to learn the answers to all these questions and so much more about this engaging woman and her magical life with her prince. Here is a preview of this biography: *Kate--An Introduction* *Kate's Childhood* *University Life and the Courtship* *The Wedding* *Reaction to Kate* *Life as a Royal* Here is an excerpt from the book: At the time of the troubled relationship between William and Kate, reports indicated that Kate was very aware of the snobbery she and her family faced, with her primary concern being for the wellbeing of her family. In fact, Kate is the first working-class woman ("non-blueblood") to marry into the royal family in modern history; the last time it happened was in 1660. Therefore, Kate has become an example of the upward mobility possible in modern England, in addition to demonstrating that the royal

family is prepared to relax tradition and become more relevant in today's society. Whether acceptance of Kate into the royal family was reluctant, or a relatively easy decision after seeing how happy William was, has been the subject of much speculation, with reports that the Duchess of Cornwall, in particular, thought Kate was "too common" and encouraged Prince Charles to urge his son to reconsider his relationship with Kate. This was despite the fact that Kate was set to become the first royal bride to hold a degree.

Ladies Like Us

How royal parents dealt with raising their children over the past thousand years, from keeping Vikings at bay to fending off paparazzi. William and Kate, the Duke and Duchess of Cambridge, are setting trends for millions of parents around the world. The upbringing of their children, Prince George and Princess Charlotte, is the focus of intense popular scrutiny. Royalty have always raised their children in the public eye and attracted praise or criticism according to parenting standards of their day. Royal parents have faced unique challenges and held unique privileges. In medieval times, raising an heir often meant raising a rival, and monarchs sometimes faced their grown children on the battlefield. Conversely, kings and queens who lost their thrones in wars or popular revolutions often found solace in time spent with their children. In modern times, royal duties and overseas tours have often separated young princes and princesses from their parents, a

circumstance that is slowly changing with the current generation of royalty.

Kate Middleton, Duchess of Cambridge

So much has been written about Princes William and Harry, yet so little is really known about them. In this biography of the two brothers, Ingrid Seward examines the extraordinary lives of the two men who are second and third in line to the British throne. From the privileged childhood, through the trauma of their parents' divorce and subsequent tragic death of their mother, to the tabloid gossip and scandals of late, William and Harry have always fascinated. This account features interviews with close personal friends, giving an intimate insight into their lives.

Royals at War

Biography of the Kate Middleton, the young woman who married Prince William.

Kate

Ladies Like Us - A modern girl's guide to self-discovery, self-confidence and love. Society has long been failing generations of young women. Since the 1960s, the liberalisation of the feminine identity brought about a rapid decline in common courtesy, grace, morality and manners and has almost wiped out the value of what it means to be a lady. We have been told to set aside dreams of an old-fashioned romance in favour of discovering our sexuality,

despite what our hearts tell us. Being "ladylike" has fallen aside for the rise of the sell-out sexy celebrity we are told to emulate. This movement has done little to help how young ladies view their God-given feminine identity today. Yet quietly, there is an underground movement among young women who are embracing old-fashioned values and returning to their original dreams after all that exhausting bra burning and man bashing. Gone are the six inch heels, boob jobs, big gobs and fake beauty and in its place a classy, kind, educated and romantic young woman worthy of catching any prince. The Darling Academy is a spiritual finishing school for any young woman who wishes to: Live free from negative thinking and crippling self-doubt Be graceful and elegant regardless of modern pressures and trends Learn to embrace her feminine energy and still "have it all" Enjoy and nurture herself and her relationships right now Have clear hope for her future and follow her dreams Ladies Like Us, the debut book from The Darling Academy shares honest, modern, fun and informative guidance on what it really means to be a young lady today. From finding your identity as a lady and feeling at home in your skin, to cultivating true grace, quiet self-confidence and how to surround yourself with everyday happiness. Welcome to the modern finishing school for ladies, we're glad you're joining us.

Kate

Following the royal wedding, the Diamond Jubilee and the imminent birth of Kate and William's first baby,

popular sentiment towards the royal family has rarely been higher. At the centre of this surge in affection is a woman who has captured the heart of a nation and who, at the side of her husband, Prince William, is ushering in a new dawn for the United Kingdom's reigning family. For, due to planned amendments to the rules of accession to the British Crown, their first child, regardless of gender, will succeed William to the throne. This biography explores the life of the woman who has done so much to revitalize the public image of the royal family, covering her early years, her family, her time at St Andrews University and her meeting with Prince William, their early relationship and its trials, the wedding and her new official role, her style, and, of course, her pregnancy. Besides being the perfect book for admirers of this remarkable young woman, *Kate: A Biography* marks a crucial moment in the history of the royal line.

Meghan and Harry

The New Royal Family - Prince George, William and Kate: The Next Generation

Queen Marie Antoinette, wife of King Louis XVI of France and Queen Henrietta Maria, wife of King Charles I of England were two of the most notorious queens in European history. They both faced accusations that they had transgressed social, gender and regional norms, and attempted to defend themselves against negative reactions to their behavior. Each queen engaged with the debates of

her time concerning the place of women within their families, religion, politics, the public sphere and court culture and attempted to counter criticism of her foreign origins and political influence. The impeachment of Henrietta Maria in 1643 and trial and execution of Marie Antoinette in 1793 were also trials of monarchical government that shaped the English Civil Wars and French Revolution.

Kensington Palace

John of Gaunt and Katherine Swynford, Chaucer's sister-in-law, fall in love in the 14th century.

Catherine

From royal expert Katie Nicholl, author of the bestselling *William and Harry* and *Kate* comes the most intimate and informative portrait yet of Prince Harry, his marriage to Meghan Markle, and how their union is modernizing the Royal Family. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world, while his marriage to Meghan Markle has only endeared him further. In *Harry and Meghan*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. She uncovers new information about

Harry's past relationships and reveals the true story of his romance with Meghan Markle, the smart and spirited American who captured his heart. *Harry and Meghan: Life, Loss, and Love* features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl reveals behind-the-scenes details about the run up to the couple's spectacular wedding day, their first tours as a married couple, and their preparations for the arrival of the youngest new royal. *Harry and Meghan* is a compelling portrait of the Royal Family's most popular royal couple and the story of the most gripping royal romance in a decade. Previously published as *Harry: Life, Loss, and Love*.

Meghan Markle and Kate Middleton

For more than 200 years the younger members of the British royal family – including future monarchs – have lived at Kensington Palace, alongside royal aunts and uncles, distant cousins and assorted aristocratic eccentrics. Kensington Palace has been the scene of countless bizarre events – here, for example, the young Queen Victoria was held a virtual prisoner for eighteen years; and it was from Kensington Palace that Queen Caroline ran the country while her husband George II moved his pictures around. In more recent times, Kensington Palace was famously the scene of Charles and Diana's nightmare marriage and Charles's serial adulteries. But then Kensington Palace has a long history of royal philandering. George II installed his wife and mistress in the palace, for example, and made his mistress sleep in a room so damp there were said to be mushrooms growing on the walls. And then there were the eccentrics. George III's sixth son, Augustus, Duke of Sussex, became a virtual recluse at the palace. He collected

hundreds of clocks and mechanical toys, thousands of early Bibles and dozens of songbirds that were allowed to fly freely through the royal apartments. Today, the palace is home to the future King William and his wife Catherine, and until recently home to the newly married Duke and Duchess of Sussex, Harry and Meghan. The palace has been described as a royal menagerie, a hive of industrious freeloaders, an ant heap and even a lunatic asylum. Tom Quinn takes the reader behind the official version of palace history to discover intriguing, sometimes wild, often scandalous, but frequently heart-warming stories.

The Law of Financial Success

William and Harry was an overnight sensation when it was published a week before Prince William and Kate Middleton's engagement announcement in November 2010. Now the author, a royal insider and the royal correspondent for The Daily Mail, has updated and added crucial material that completes the story of the fairytale romance. In addition to providing fascinating insight into the lives and loves of two young men who are very much in the public spotlight worldwide, this updated version now becomes the definitive book that brings their story—and that of Kate Middleton, the future Queen Catherine—up to date. With a new preface, an epilogue, and two new chapters, the author now fully reveals the secret marriage pact that William and Kate have had for several years, dispelling the notion that Kate Middleton has been "Waity Katie." It paints a portrait of Kate by looking back at her family and childhood, her close friends

and former boyfriends, and her ever-present devotion to the love of her life, Prince William. It reveals the domestic life that the two have been living in Wales, and provides a look at what the future holds for their new commitment. The epilogue focuses on the wedding preparations. The book will be the most authoritative and entertaining guide to the royal family's most widely anticipated public event since the wedding of Lady Diana Spencer and Prince Charles.

William and Kate

PRINCE WILLIAM: A Prince William Biography Even before Prince William was born, the eyes of the world were already trained firmly in his direction. His mother, Diana, was a shy, stunning beauty who had captured the heart of the heir to the British throne. The fresh-faced aristocrat worked as a kindergarten assistant and was only 19 years old when they fell in love - or, in Prince Charles' infamous words after their engagement was announced, "Whatever 'in love' means." Her romance with Charles would propel her into an entirely different life from the quieter one she knew as Lady Diana Spencer. The shy English rose was suddenly cast in a role few people in the world are really equipped for - that of leading lady in a fairy tale everyone desperately wanted to end in happily ever after.

God Save the Queen

KATE MIDDLETON: The Commoner Who Would Be

Queen In the lead up to the 20th anniversary of his mother's death, Prince Harry - brother in law to Kate Middleton - made some interesting observations about the monarchy. He firstly said that the younger generation of royals feel that it is their role to modernize the monarchy. In so doing, these royals believe, they will maintain its popularity and sustain its role for doing good. They consider that, by bringing the House of Windsor into line with 21st century thinking, attitudes and lifestyles, they will enhance their own standing. But not for selfish purposes, or for self-aggrandizement. No, for far more altruistic reasons. They feel that from a position of trust and popularity they can do more to support charities, help the poor and suffering and improve the world. These are noble aims, and are to be applauded. But Harry said another thing in the interview. In extending the idea of duty and responsibility to Great Britain, to the Commonwealth and, where possible, the world he recognized that one day one of the young royals would be monarch themselves. It was just that, none of them wanted to do it. They knew that they would have to, but just as hoovering the sitting room or putting out the bins has to be done but is not much fun, it is a necessary but unappealing job. We can wonder whether this thought was anywhere in the mind of Kate Middleton, Berkshire lass, when she agreed to marry Prince William? And one day become his queen. This is the true story of Kate Middleton, a Berkshire commoner who will one day ascend to the throne.

Queenship and Revolution in Early

Modern Europe

Catherine, Duchess of Cambridge, embarked on a new life when she married William, Duke of Cambridge, in April 2011. She has proved herself more than equal to the demanding life of a member of the Royal Family, also becoming a fashion icon and ambassador for several charities. This superbly illustrated souvenir follows her life, from her happy childhood and prestigious education to her exquisite wedding and the births of her two beautiful children. Catherine, with her natural charm, easy manner and kind nature, has won hearts around the world. This is her story.

Kate Middleton: a Biography of the Duchess of Cambridge

William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to speak for the very first time, Katie tells the

story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton, his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world.

Princess Princess Ever After

"The story's message, that people should choose joy even (and especially) in difficult and painful times, seems tailor-made for this moment. A timely, uplifting read about finding joy in the midst of tragedy, filled with quirky characters and comforting warmth."—Kirkus (starred review) From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel full of heart and hope. Samantha Casey is a school librarian who loves her job, the kids, and her school family with passion and joy for living. But she wasn't always that way. Duncan Carpenter is the new school principal who lives by rules and regulations, guided by the knowledge that bad things can happen. But he wasn't always that

way. And Sam knows it. Because she knew him before—at another school, in a different life. Back then, she loved him—but she was invisible. To him. To everyone. Even to herself. She escaped to a new school, a new job, a new chance at living. But when Duncan, of all people, gets hired as the new principal there, it feels like the best thing that could possibly happen to the school—and the worst thing that could possibly happen to Sam. Until the opposite turns out to be true. The lovable Duncan she'd known is now a suit-and-tie wearing, rule-enforcing tough guy so hell-bent on protecting the school that he's willing to destroy it. As the school community spirals into chaos, and danger from all corners looms large, Sam and Duncan must find their way to who they really are, what it means to be brave, and how to take a chance on love—which is the riskiest move of all. With Katherine Center's sparkling dialogue, unforgettable characters, heart, hope, and humanity, *What You Wish For* is the author at her most compelling best.

Kate Middleton

Depicts the life of Kate Middleton after she married Prince William and became the Duchess of Cambridge, from the wedding to life as the wife of a serving officer, official visits, and the first Christmas season.
