England's creepiest real-life ghost stories 'Is there anybody out there?' No matter how rationally we order our lives, few of us are completely immune to the suggestion of the uncanny and the fear of the dark. The subject of whether ghosts exist has fascinated some of the finest minds in history and it remains a subject of overwhelming interest today. This is the first comprehensive, authoritative and readable history of the evolution of the ghost in the west, examining as every good natural history should, the behaviour of the subject in its preferred environment: the stories we tell each other. What explains sightings of ghosts? Why do they fascinate us? What exactly did the haunted see? What did they believe? And what proof is there? Taking us through the key hauntings that have obsessed the world from the poltergeist of Cock Lane through the true events that inspired *The Turn of the Screw* and the dark events of Borley Rectory right up to the present day, Roger Clarke unfolds a story of class conflict, charlatans and true believers. His surprising castlist ranges from Samuel Johnson to John Wesley, and from Harry Houdini to Adolf Hitler. Inspired by a childhood spent in two haunted houses, Roger Clarke has spent much of his life trying to see a ghost. Written as grippingly as the best ghost fiction, *A Natural History of Ghosts* takes us on an unforgettable hunt through the most haunted places of the last five hundred years and our longing to believe.

Ghost Rider made his first appearance in Tim Holt issue #11, published by Magazine Enterprises, in May, 1949. The character combined a mixture of two distinct genres: horror and western. Ghost Rider was created by artist Dick Ayers and writer Ray Krank for the title's editor, Vincent Sullivan. In the original story, Ghost Rider is the Calico Kid and his horse is called Ebony. The only person who knows his true identity is Sing Song his Chinese sidekick. His persona changed in the second outing, this time he was Rex Fury, a Federal Marshal and his horse was now renamed Spectre. The Ghost Rider's fate was sealed with introduction of the Comics Code Authority in 1954. The CCA was formed by the comic book industry amid concern about 'inappropriate material' in many comic books, this included horror and Ghost Rider was shelved.

Some like Farah Khan and Zoya Akhtar had sterling antecedents but it took a tough childhood and intermittent assignments on film sets to win the box office with Om Shanti Om and Zindagi Na Milegi Dobara; while Ashutosh Gowariker auditioned for folk dances and failed with his debut film, Lagaan created cinematic history; and Anurag Basu had to first dance as a background extra and later overcome cancer to witness Barfi win hearts and awards. These and other hitherto unfamiliar stories of directors belonging to the "100 crore club" like Rohit Shetty and Rakeysh Omprakash Mehra; the adventurous Kabir Khan; and the maverick, Mahesh Bhatt take us through the unusual lives of 15 filmmakers of extraordinary films. Sonia Golani achieves the incredible by sitting each director down to candidly discuss the hype around the Oscars; the exclusivity of the "100 crore club"; effect of corporatization and much more. Cat o'Nine Tales is the fifth collection of irresistible short stories from the master storyteller. Ingeniously plotted, with richly drawn characters and Jeffrey Archer's trademark of deliciously unexpected conclusions, this new collection has the added bonus of thirteen charming illustrations by the internationally acclaimed artist Ronald Searle. requires one more chess piece to complete a set that would be worth a fortune. In another tale of deception, "The Commissioner," a Bombay con artist ends up in the morgue after he uses the police chief as bait in his latest scam. "The Perfect Murder" reveals how a convict manages to remove an old enemy while he's locked up in jail, and then set up two prison officers as his alibi. In "Charity Begins at Home," an accountant realizes he has achieved nothing in his life, and sets out to make a fortune before he retires. And then there is Archer's favorite, "In the Eye of the Beholder," in which a handsome star athlete falls in love with a three-hundred-pound woman . . . who happens to be the ninth-richest woman in Italy. Jeffrey Archer is the only author to have topped international bestseller lists with his fiction, nonfiction, and short stories. Cat o'Nine Tales is Archer at his best: witty, poignant, sad, surprising, and unforgettable.

Capturing Camelot

In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world.

Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those

passionate about cinema and the people associated with it.

A bestselling author goes behind the lens of a legendary photographer to capture a magical time. A consummate photojournalist, Stanley Tretick was sent by United Press International to follow the Kennedy campaign of 1960. When Kennedy took office, Tretick was given extensive access to the White House, and the picture magazine *Look* hired him to cover the president and his family. Tretick is best known today for the photographs he took of President Kennedy relaxing with his children. His photographs helped define the American family of the early sixties and lent Kennedy an endearing credibility that greatly contributed to his popularity. Accompanied by an insightful, heartwarming essay from Kitty Kelley—Tretick's close friend—about the relationship between the photographer and JFK, *Capturing Camelot* includes some of the most memorable images of America's Camelot and brings to life the uniquely hopeful historical era from which it emerged.
