Exam Prep for Intermediate Accounting

The Kieso, Weygandt, Warfield, Young, Wiecek: Intermediate Accounting text has an outstanding reputation as “THE” text for the course and is viewed as a reliable resource by accounting students, faculty and professionals. After listening carefully to instructors and students alike, and after having built on what we have learned over eight successful editions and more than 25 years of being the market leader, we are confident that the Ninth Edition is the best one yet! The integration of the new International Accounting Standards and their comparison with the new Private Entity GAAP, enhances the main goal of the book “ to help students understand, prepare and use financial information by linking education with the ‘real-world’ accounting environment”. Our industry-experienced and leading-edge author expertise in the field of IFRS, combined with an update of the text’s technical content ensures that accounting faculty and students can continue to rely on Kieso, especially during a time of change. Even though the rapidly changing landscape of Canadian and international accounting is a focus of the text, the authors continue their emphasis on helping students understand the core concepts that are at the heart of the accounting profession. The chapters are interesting, informative and pedagogically sound. Clear explanations of important issues, concepts, and business transactions are provided, followed by examples of how these are applied in practice. Interesting examples show how the resulting numbers are used, and how “real life” Canadian companies actually account for and report their accounting transactions and results.

The bestselling book on intermediate accounting, Kieso is an excellent reference for practicing accountants and an invaluable resource for anyone entering the field. They'll learn how to leverage everyday accounting programs like Excel, GLS, and other computerized accounting software giving them a strong background in the tools needed in the accounting profession. Intermediate Accounting 14th Edition is the market leader in providing the tools needed to understand what GAAP is and how it is applied in practice. Through many editions, this textbook has continued to reflect the constant changes taking place in the GAAP environment. This edition continues this tradition, which has become even more significant as the financial reporting environment is exploding with major change. There are three areas of major importance that are now incorporated extensively into the text: New way of looking at GAAP, Convergence of U.S. GAAP and

IFRS, and Fair Value Movement. The core of Kieso's value statement continues to be authoritativeness and preparation for the profession (CPA exam). **New to This Edition: Expanded and Updated Coverage of IFRS:** Some of this new content has been adapted from the recently published *Intermediate Accounting, IFRS Accounting*. In addition, readers will benefit from new end-of-chapter content and assignments specifically related to IFRS. **Critical Thinking and Conceptual Understanding:** Building on traditional strengths from previous editions, the new edition includes new Accounting, Analysis, and Principles review exercises to help reinforce these three important elements from each chapter. **Updated Real-world Focus:** Contains many new chapter-opening stories and "What Do the Numbers Mean?" boxes. Such applications join theory and practice, and demonstrate the use of accounting in today's business world. **Professional Simulations:** This edition includes updated professional simulations that model the latest version of the computerized CPA exam.
